PRINCIPAL’S REPORT

- This week I attended the TSPA meeting. Congratulations to this small but hard working group of parents who raise valuable funds for our school. TSPA is always looking for new members. A fundraising activity they have coming up is the Fathers Day stall. You might like to give Kylie Martin or Katrina Currell a ring to see how you can help.

- This year the school will host two elections. As a fundraiser we will be having a BBQ and produce stall near the school hall to make the most of the voters visiting the school. When the election dates are announced remember to bring along a couple of dollars to buy a sausage or perhaps bake a slice to put on our produce stall.

  **Myth:** Bullying is just a normal part of life. I went through it my kids will too.
  **Fact:** Bullying is not “normal” or socially acceptable behaviour.
  We give bullies power by our acceptance of this behaviour.

- If you have any concerns or issues that you wish to discuss with me please feel free to contact me as follows: School (55983381)

CONGRATULATIONS TO:
Taylor Bulk, Connie Savage, Georgia Barnett and Caitlin Ayres, who all prepared speeches for the Warrnambool Eisteddfod, and well done to Georgia on gaining an honourable mention and Caitlin for second place. Congratulations to Nathan Hunt and Chris Vogels for being selected into the Under 15 Hampden School Boys training squad.

Our RACV transmission semi finalists enter Etihad Stadium in Melbourne. Well done!
CALENDAR:

June
17th  Yr 9 Unit Counselling
23rd  5/6 Football/Netball
23rd  Western Zone Cross Country (7-12)
24th  Parent Teacher Interview P-6
25th  Japanese Trip
25th  End of Term 2:30 Dismissal

July
12th  1st Day of term 3
16th  Japanese students returned
19th-29th  Warrnambool Eisteddfod Debating

Term 3

ASSISTANT PRINCIPAL REPORT

Year 10: Thank you to Mr. Aberline, Mr. Deppeler, Mrs Theologous and Ms Nicholson for the organization and supervision of the year 10 urban Camp. The feedback from students was very positive regarding their experiences over the three days in Melbourne.

Today all Year 9 students were counselled on their subject selections for semester 2. A new addition to the electives will be a subject titled “Breaking new ground”. This is a unit that focuses on inquiry based learning (Student centric learning). This new unit will also have a strong focus on building strong community links as well as featuring literacy and numeracy components. It is hoped that in the future all Year 9 students will have the opportunity to experience this program.

Yesterday I had the opportunity to take the junior boys and girl’s soccer teams over to Warrnambool to compete against Warrnambool, Colac and Heywood Colleges. The boys were very competitive in both their games. The girl’s performance was strong with six zip drubbing of Warrnambool College. They will now advance to the next round. Well done to all students on their great behaviour and performances as well as Mrs. Bell for her assistance.

Congratulations Chris Vogels and Nathan Hunt on being selected in the Hampden U’15’s football squad. This squad will play in the Victorian Country Championships in Melbourne in July (during the holidays). To assist the boys with the cost of their accommodation, raffles tickets can be purchased from the general office.

Congratulations to Becky Barling who finished 12th in an Olympic level equestrian event held in Melbourne last weekend.

It is FREEZING at the moment! Some very affordable and warm school uniform items can be purchased at Divas & Dudes such as: Blue scarves for $9.95 or school jackets (water proof) for $59.95

And remember: “If the word quit is part of your vocabulary, then the word finish is likely not”. Anon

SEAN FITZPATRICK - ASSISTANT PRINCIPAL

Well short weeks seem to make for extremely busy ones don’t they? I often feel that there are times when a days loss just means we have to run that bit faster to squash in all the jobs we would have managed to do on the day we weren’t at school.

Yesterday you should have received notification of the upcoming Parent Teacher interviews. If your teacher wants to have a formal interview time with you then you would have received your allocated time already. If however, you would like to make an appointment time you need to use the Parent-Teacher request form and return it to school by next Tuesday. Unfortunately, there have had to be alternate arrangements made for grade 2M (due to Mrs McInerney retiring) and to 1-2 P (due to illness on the part of Mrs Porzig) Both of these grades will have interviews early next term at a time yet to be decided.

Our “head lice action weekend” saw an initial response of 54% return of notices. This means that we still potentially have 46% of our student population not checked and treated if need be. We can only overcome this continual little pest by working together. Please support each other by taking part and returning the notice on time each time.

We have a number of students who continue to arrive at school in the very early hours of the morning. Please be aware that school supervision begins at 8:45 when teachers are officially starting work. Many members of staff do in fact arrive before this time to plan and organize programs for the day.

This week we have sent home information to the children in grade 2M who’s teacher Mrs Lyn McInerney will be retiring from our school at the end of this term. This came as a surprise to all involved, even Mrs McInerney who only decided two weeks ago. We thank her for all her efforts here at Timboon and wish her and John all the very best in their retirement. Mrs Colleen McDougall will be taking over teaching duties in grade 2M from the start of term 3.

ANDREA TAYLOR, ASSISTANT PRINCIPAL

9-12 SUBSCHOOL REPORT

- This week, most year 11 and 12 classes are putting the finishing touches to assessment tasks and evaluations for unit 1 and 3, to commence unit 2 and 4 studies. For year 12 students, semester 2 is a very short one – with exams commencing on 28th October: 15 school weeks away.

- Year 11’s are attending a Fit to Drive information session this week – an excellent follow on from the Keys Please program many attended in year 10. It’s great to see the support and education offered to our young people to help ensure their safety on the road.

- Year 10’s had a fantastic time away on urban experience – as mentioned earlier, they participated in a wide range of activities – with something that appealed to everyone. The highlights were the visit to Dracula’s theatre restaurant as well as the Eureka tower experience. We look forward to some student reports and photos. Many thanks to Zane Nagel, our accompanying parent. We value and appreciate the support of our parents in making our camps possible – providing real practical assistance where they can as well as encouraging and supporting their students to attend. P.S. Ask Zane about Fang if you dare. Many thanks also to the staff involved – they do a great job organising prior to the camp, behind the scenes on the
camp - often above and beyond the call of duty. Thanks guys.

- Year 9's also had a positive week last week, with the 'alternative' program. Thank you to all staff involved and to the great organising effort of Mr. Graesser beforehand.
- Year 9 and 10 students undertake semester long units, with counseling for year 9 students this week. Students in years 9 and 10 will not receive their reports until next term, enabling their work and efforts during the last 2 weeks of term to be considered in their assessments and achievements. So any students with work outstanding need to make a last effort to hand it in.

JULIE NICHOLSON, 9-12 SUBSCHOOL LEADER

5-8 SUB-SCHOOL REPORT

Year five and six students are working hard on either football or netball skills, team play and strategies with the added assistance of students from year eight who are acting as advisors, umpires and mentors. Their help has been greatly appreciated. These students have taken on the task knowing it is up to them to make up for anything missed in their own classes. Experiences and learning about the early explorers of Australia form the current year five/six theme work.

Year eight history students have provided some great reports on the comparative lifestyles of ancient and modern day Australian life. Metal and wood students are putting the finishing touches to their final project. It is important in terms of storage space that these products now are taken home. Please encourage your year eight child to bring home their work - parental interest plays an important part in building esteem in this area as we are often too critical of our own work. Mathematics students have been investigating statistics to make comparisons between the Socceroos, their competitors, AFL players and themselves. English students have been able to relate the current refugee situation to their reading of the novel ‘Boy Overboard’.

Year six to eight debate teams for the Eisteddfod are benefiting from some extra assistance from Mr Terry O’Connor who has considerable debating and tuition skills. We thank him for his interest and willingness to donate his time and effort.

Many students now have bulging or overflowing folders of work. All teachers would appreciate encouragement and assistance from home to provide extra plastic pockets/folders or envelopes. Some students are finding this is impeding their ability to be organised.

Please be vigilant with items of clothing being brought to school instead of uniform. There is a section in the student diary for ‘out of uniform notes’ and ‘absence notes’. Many students’ issues can also be quickly solved with a phone call; please contact your child’s home group teacher if you have any questions or concerns about your child and their schooling. They will do their best to sort them out, or to put you in touch with a staff member who can best assist in the matter.

JULIE BROOMHALL, 5-8 SUBSCHOOL LEADER

P-4 SUB-SCHOOL REPORT

The cold weather is upon us. The school grounds are becoming wet, muddy and very slippery. Teachers will be asking the children to remove their wet shoes before walking on the carpet. The children are welcome to bring slippers along to keep their feet warm.

With the colder weather, comes the risk of children slipping over on the grass and their clothes becoming wet and/or muddy. When this happens the children may be asked to change their clothes so they can be more comfortable in the classroom. This can only happen if we have a “stash” of spare clothes suitable for the children to borrow.

Lately there has been a number of children make use of the spare clothes and the cupboard is becoming bare. Could we ask for parents to wash, dry and return these items promptly so that others can use them when necessary? Or, if you happen to have spare clothes you no longer need, could you please think about donating them to the stash?

A good stash means parents won’t need to be inconvenienced by having to bring in another change of clothes if this happens to your child.

Preps will be focussing on ‘time’ in maths during the next few weeks. The concepts discussed will include morning, afternoon, day, night, before, next, today, tomorrow, yesterday, late and early.

Grades one and two are finishing off their food theme by looking at foods from around the world. Australia is a mix of many cultures and they will discover how lucky we are to have such choice. In mathematics they are working on mapping skills.

Grades 3 and 4 are finishing off the theme of “Forces in Motion”. We will then be discussing the rotation of the Earth and the part this plays in day, night and the seasons.

Grade 3 has done some preparation for this theme (with the very kind help of Miss Orr) by making papier mache globes. We intend to learn about the continents of the world by pasting them onto our Earths.

I would like to congratulate those children who have reached 100 nights or above in home reading. Reaching this milestone demonstrates a wonderful attitude to learning and dedication to improving your reading. It should be said the parents who have encouraged their children in this routine also need to be congratulated. Well done!

PAM HAWKINS, P-4 SUB-SCHOOL LEADER
