Welcome back and have you seen our amazing new playground? In this week’s newsletter you will find a thank you to the hard working crew who assembled the fitness playground on the first Saturday of the term break. Since returning to school the fitness playground has been a huge success with our students in years 5-8. Thank-you to Simon Trotter and his hard working team for doing such an amazing job.

The secondary D wing passage way has had a fresh coat of paint and looks much brighter. Thank-you to Steve Footman and Shane Lee’s for completing the task in such as limited amount of time.

All members of the community are warmly invited to our ANZAC Day Ceremony which will take place on the 24th April at 10:30 a.m. at the P-6 Assembly area. The ceremony will start with a very short march. The march will be made up of those community members who wish to participate and students who are wearing a medal belonging to a family member. The ceremony is expected to take about 40 minutes with light refreshments (ANZAC biscuits) will be offered after the service.

If you or your child wishes to participate in the march could you please contact the school before the 24th April with the following information:

Name of person who was awarded the medal:
Medal name:
Name of person wearing the medal:

Congratulations to: Aniya Harris for her amazing performance at the State Swimming titles held last term.
• Congratulations to the following students:
  - Emily Finch: Emily was recently invited to attend the 2012 School Sport Victoria 15 & Under Schoolgirls Netball selections. Good luck Emily!
  - Chester Gardner: Chester recently represented the Geelong Falcons U/16’s in the TAC Football Carnival held in Bendigo. Players will now be selected to try out for the Victorian Country team. Good luck Chester.
  - Hayley Weel and Ashley Bentley: Both girls attended a workshop at Melbourne University titled “Shape your Destiny” as part of the Th Kwong Lee Dow Young Scholars program (Melbourne University). This is a three-year academic enrichment program designed to assist high-achieving students in realising their full potential through creating a network and community of students.

• Immunisations: The next round will involve Year 7 girls and will take place on Wednesday 23rd of May at 9:30am

And remember: “Excellence is not a skill. It is an attitude”. - Ralph Marston

SEAN FITZPATRICK
ASSISTANT PRINCIPAL

Term Two has started with some glorious weather and the children have returned full of enthusiasm glad to be back with their friends.

Our year five camp is currently underway and the daily phone calls indicate all is going very well with the food on night one scoring a massive 15 out of 10!! Go figure. The visit to Geelong’s Leisure link was a real highlight with our children being praised for their outstanding behaviour and manners.

Please mark on your calendar next week’s ANZAC service on the 24th at 10:30 here at school, we welcome all community members to join us.

Our day off on ANZAC day will be assigned as a ‘target head lice action day’ I would ask ALL families to take part in this simultaneously timed action to stamp out head lice across our school and return the note on Thursday.

The annual NAPLAN test week will be during week 5 of this term. Students in years 3, 5, 7 and 9 are all involved in this process. Notes with information to parents will shortly be distributed. You are most welcome to pop in and chat with either myself or Mr Fitzpatrick if you have any queries about this process as this event approaches.

Finally, my thanks to the parents who have worked on fixing some repeat issues we have been having with uniform requirements. Please be aware that canvas slip shoes are not safe footwear for our school.

ASSISTANT PRINCIPAL

9-12 SUBSCHOOL REPORT

Welcome back to school after a lovely sunny break and hope that everyone is rested and refreshed for Term 2. The year 9-12 sub school has a very busy term with many excursions, school and sporting events taking place.

Year 9 students completed the first of many camps this year with a trip to Victoria Point, Grampians National Park. Activities included rock climbing and bush walking. It was great to see all of the students working together and supporting each other through some really tough activities. Thank you to Mr Grasser, Mr Whitehead, Mr Cole, Mr Peter Plozza (parent helper) and Travis Green (VICAL student Helper) for their attendance and assistance to ensure a smooth running of the camp. The group will attend the second camp in week 3. Camping will be in a bush setting with students cooking their own meals with the Trangia camp cooker.

Year 10 students have Urban Experience Camp, Melbourne to get excited about. Planning is well underway with Draculas Theatre Restaurant booked for Thursday 14th June. This is a great live show experience, full of light, laughter, song and dance. The experience includes a three course meal and ride on the ghost train. The “Keys Please”. Information session is to be held on Wednesday May 2nd. This year the session will be held during school hours from 1.45-3.30pm (sessions 5 & 6), all parents are welcome to attend as the session is full of very useful information for the learner drivers and their instructors (Yes Mum and Dad this is you!!)

There are a number of VCE class excursions coming up in the next few weeks including Chemistry, Physics and the Barwon Prison Excusion for Legal Studies. These trips are a great opportunity for student to apply their academic knowledge in a practical setting.

All Year 12 students will be attending a Tertiary Information Session at Camperdown tomorrow. The TIS seminar and expo sessions provide an opportunity for Year 12 students to research their tertiary study options; discuss careers and course content with tertiary representatives and collect course information from all the major Victorian universities and local TAFE institutes. It is a unique opportunity for students to gather first-hand information from the wide range of tertiary providers.

Through various work related activities we have students working during school hours in our community. All of our VICAL students are expected to work one day per week as part of their course. A small number of year 10 students have also been completing work placements with a number of businesses in Timboon. I would like to thank those businesses for providing these opportunities to our students. Thank you to the following businesses:

- Timboon Fuel
- Bullens Wholesale Nursery
- Timboon Quality Butchers
- RG Townsend Contracting
- Popes Timboon
- Timboon Sheet Metal

GABBY THEOLOGOUS, 9-12 SUBSCHOOL LEADER

5-8 SUB-SCHOOL REPORT

• Our year 5 students have been enjoying the great outdoors and beautiful weather while away on the Angahook Camp. Students have had the opportunity to participate in a myriad of activities, such as; canoeing, a camp cookout, hiking, beach combing, etc. They are expected to return from camp at approximately 2:15 pm.

• Year 6 students are continuing on with their science experimentation and exploration. They are currently designing a sherbet packet in preparation for the making of yummy wiz fizz.

• Year 6 musical scripts have been distributed to students and auditions will be occurring soon. The musical this year is ‘Pirates, Parrots and Penguins’.

• An enormous thank-you to the many volunteers that were involved in the construction of our new recreational facility (big kid playground) that is situated next to the 5-8 building. Mr Simon Trotter was instrumental in the recruiting of people to assist with this fabulous area. A big thank-you to the Trotter, McKenzie, Matthews, the Lion’s Club members, Mr Buck and Mr Neal from Hanson concrete.
**KYLIE ORR, 5 – 8 SUBSCHOOL LEADER**

**P-4 SUB-SCHOOL REPORT**
I would like to welcome all of our Prep 4 students back to school for the start of Term 2. All students seem to be settling back into their routines quickly and have enjoyed sharing their holiday adventures with each other.

**Prep**
Our Prep students have commenced the term with a focus on the signs of Autumn. Children will be walking around the school grounds to discover the changes in the environment. They are also being encouraged to bring autumn leaves to school. This week we are also focussing on the letter/sound ‘L’ ‘l’ and the words “like”, “look” and “little”. Many children can write ‘like’ and ‘look’ which we have been practising on the whiteboards. If you have magnetic letters at home your child could be encouraged to construct 2 and 3 letter words. Your child can then be encouraged to have a go at writing them. During writing sessions children are encouraged to represent the sounds that they can hear.

During Maths sessions, the Prep children have been developing the “count on” strategy when counting two groups. They identify the larger of the two groups and “count on” the remainder. Most children “count all” at this stage. Just a reminder that the next Prep Parent Session will be held on Friday May 4th. Andrea Taylor will be outlining some tips on *How to hear your child read* during this session. These sessions are designed to give Prep Parents the opportunity to catch up in an informal way, so please come along.

**Grade 1 and 2**
After enjoying a well earned break, the students in grades 1 and 2 have come back refreshed and ready to start the term. Their theme this term is *Healthy Food*, where we will be looking at the food pyramid and becoming aware of the nutrition needed to maintain a healthy lifestyle. We will also be looking at the science in foods, like melting and relate different foods with cultures, celebrations and global location. If your child is allergic to any foods please contact their teachers as tasting and working with food will be part of the theme. Sounds yum!!

Grade ones are each week focusing on the skills that help promote a healthy relationship with each other. This week’s focus is *Patience*, where students are encouraged to wait quietly. Students can use this skill in various situations, like waiting for the bus, taking turns in a game or waiting to speak to someone who is busy.

**Congratulations** to the students who continued reading over the holidays and those who have successfully completed 50 nights.

**Grade 3 and 4**
The Grade 3 and 4 students have started studying their new theme, ‘Forces in motion’, this week. During the term, we will be studying the way in which forces affect the motion of objects. This will include the students in learning about magnetic forces, pushing and pulling, flight and gravity. This week, we have been discussing how many of the everyday objects around us work, or are used, by applying a pushing or pulling force eg. pushing a wheelbarrow, pulling a drawer to open it. We will also be focussing on the importance and significance of Anzac Day in the lead up to our Anzac Day Ceremony, which will be held at school on Tuesday 24th April.

**Congratulations** to the many students who continued with their daily reading throughout the holidays. The Grade 3 and 4 students have also been busy learning the words to their two poems, which they will perform during the Choral Speaking competition at the Warrnambool Eisteddfod, later in the term.

(So we can contact you and have a chat about your
contribution.)
The next fundraiser is the Mother’s Day stall and we will be
running this on Wednesday the 9th of May from the pink room
as usual. The difference this year is that every present will be
five dollars each. A note will be going home with the P-6
students in the week of the stall to remind them to come with
their money. Volunteers are welcome to come and help on the
day. The collation of items is continuing and sorting will be
done ASAP.
Two other fundraisers are in planning stages. One is a cook
book. At the moment we are considering collecting recipes in
term two, collating and printing the book in term three, and
selling it in term four, so it could be considered a worthy
Christmas present. The other fundraiser is a family friendly
Called Barn Dance with possibility of a spit roast tea beforehand.
This will take some organising and we would like to hear from
people interested in making this a really successful night. It will
probably be held sometime early in term four. Please talk to any
of our TSPA reps with your ideas.
If you would like to have a copy of the minutes of the meetings,
then please let me know, thanks.

Welcome to the 2012 International Competitions and Assessments for Schools (ICAS). For over 30 years, ICAS has taken place annually in schools throughout Australia, New Zealand, Singapore, Malaysia, Brunei, the Pacific region and South Africa. Your child is invited to participate in ICAS in 2012.

ICAS provides an opportunity for all students in Years 3 to 12 to gain a measure of their own achievement in an external testing situation. It provides teachers, parents and students with comprehensive reporting of results in the areas of Computer Skills, English, Mathematics, Science, Spelling and Writing.

All students receive a certificate and an individual student report indicating which questions they answered correctly and their score compared with the rest of the students tested. The tests are an excellent preparation for national tests and the student report is useful for highlighting your child’s strengths and weaknesses. The certificate and individual student report are also suitable for your child to include in a portfolio.

Certificates are awarded for each year level as follows:
- High Distinction to the top 1% of entrants
- Distinction to the next 10% of entrants
- Credit to the next 25% of entrants
- Participation to all other participating students.

An UNSW medal is awarded when the highest score in each year level in each state in each subject is judged to be sufficiently meritorious. These medals are presented at either a UNSW Medal Ceremony or at a school assembly. Students must sit on the official sitting dates to be eligible for a UNSW medal.

The entry fee per student is as follows:
- Computer Skills – 22 May 2012 $8.00
- Science – 6 June 2012 $8.00
- Spelling – 19 June 2012 $11.00
- Writing – 18 June 2012 to 22 June 2012 $17.00
- English – 31 July 2012 $8.00
- Mathematics – 14 August 2012 $8.00
- All of the above $58.50

For more information please visit the Educational Assessment Australia website at www.eaa.unsw.edu.au
