**PRINCIPAL’S REPORT**

- The Deb Ball, held last Friday, was a terrific night. Congratulations to the Deb’s and the Deb Ball committee whose tireless efforts must be commended.
- This week we have had our Athletic Sports. Although rain initially threatened the 7-12 Sports, the day went ahead with very few problems. All our students showed perseverance and great team spirit. All our parent helpers did a wonderful job, which resulted in two well run, successful days. A huge thank-you to our sports co-ordinators, Tony Bird, and all those people who contributed to the sports day.
- Next Monday, 26th March, the Timboon Schools Parents Association (TSPA), will hold its Annual General Meeting. All parents are welcome to attend. It will be held in the Admin building at 7:30.

**ASSISTANT PRINCIPAL REPORTS**

Congratulations:
- To our students that were involved in the school Debutante Ball held last Friday. It was a very successful evening. A special thank you to all of the parents and teachers involved; your volunteer work enables these events to be successful
- To Darcy Tribe and Ahliya Harris who competed at the Western Zone Swimming Sports held in Geelong last week. Ahliya will compete at the state finals in Melbourne, next Thursday.
- To our Senior Cricket team who competed in Geelong on Tuesday. Unfortunately the boys were unable to win their games; however they did perform well on the day.
Uniform: School uniform is compulsory and is to be worn on all occasions, including excursions and sporting occasions, unless approved by the Principal and noted on the parent information sheet. (Correct school uniform is explained in detail on page 8 in the school diary) Black leather shoes are compulsory for all students. If a student is out of uniform, they must bring a note, signed by their parent/guardians, which indicates what item of uniform is not being worn, reasons for this, and the dates to which the student will be out of uniform.

Year 7-12 Parent information Evening: Will be held in the 5-8 Building next Thursday 29th (5:30pm-8:30pm), and Friday the 30th (10:00am-1:00pm) of March. This is the first opportunity to meet with your child’s teachers and establish strong home/school and parent/student/teacher working relationships. We expect all parents and students to attend (NO INTERVIEW TIME REQUIRED). And remember: ‘Victory belongs to the most persevering.’

Napoleon
SEAN FITZPATRICK
ASSISTANT PRINCIPAL

The term seems to just be flying by. Next week will see another action packed week for our school. On Monday our P-2 sports afternoon will be a highlight of the week while, on Wednesday, the SRC have organized for a fund raiser dress up day. Students can come along as their favourite ‘super hero’ and bring a gold coin donation, which will then be used by the SRC for student developed projects around the school. Our grade one and two students will then dress up again on Friday to celebrate the end of their ‘Sea’ theme when they come along as ‘Pirates.’ Then to top the week off our 3-6 students will be running an Easter hat parade on Friday at 2pm. In between all this there will no doubt be some amazing teaching opportunities.

The results from our ‘head lice target weekend’ were that 92% of our students responded that they had taken action. Just 26 students did not eventually return a form to school. Of those who did return forms we had an 8% rate of cases reported. Our next target action time will be over the ANZAC Day holiday in April.

This term we have welcomed many new families to our school that may not be familiar with our ‘Sun smart policy’. For anyone wondering, our hats will be required until the start of May so please make sure that they come back to school at the start of term. You can, of course, access all of our policies on our school web site at any time of the day or night.

ANDREA TAYLOR
ASSISTANT PRINCIPAL

5-8 SUB-SCHOOL REPORT

Well done to all students involved in the 58th Annual Deb Ball. It was great to see all of the students dressed up and participate so enthusiastically toward the evening. The atmosphere was light and relaxed and thoroughly enjoyed by all on the night. Some of the students commented that the night went too fast. It was also wonderful to hear that all students behaved responsibly at the deb celebrations over the weekend. A big thank-you also to the students who helped with the preparation of the supper: Georgia Spokes, Lisa Couch, Jo Couch, Brittany Lindsay, Kasey Allen, Rachel Beames, Kirsty Ludeman and Vanessa Millard. The girls gave up their day to come and help prepare and plate food for the 500 strong crowd. Great Job!

Year 11 students are in the process of making sure that their Work Experience placement is organised and confirmed ready for there week in Melbourne, May 14-18. Past students have thoroughly enjoyed this experience giving the students a great insight in the city work, life and transport lifestyle.

Year 9 students headed off this morning, to their first of many, Rock Climbing and Bush Walking Camps. They will be staying at the Dunkeld Caravan Park camping in small groups. They will be climbing at Victoria Point and walking up Mount Sturgeon, taking them about 2-3 hours. Hopefully the weather holds and we don't get too much rain.

Parent Teacher interviews will be held next Thursday 29th (6-9pm), and Friday 30th (10am-1pm). This is a great opportunity for all parents to come and discuss their child’s progress. VCE teachers have requested that all VCE students and their parents come to ensure that any problems/concerns can be discussed and supports can be put in place for a successful year.

Product Design and Technology Food and Wood and Studio Arts classes are going to the Top Arts and Top Designs VCE Exhibitions to view 2011 top folios, finished products and art works from around Victoria. The aim of the excursion is to inspire and give a greater understanding of folio development.

GABBY THEOLOGOUS, 9-12 SUBSCHOOL LEADER

KOILEN ETTA, 5-8 SUBSCHOOL LEADER
**P-4 SUB-SCHOOL REPORT**

**Prep**

This week our prep children are focussing on the letter ‘t’. They have also been talking about the ‘th’ sound as in ‘the’ and ‘they’. During Big Book activities they have been focusing on predicting text. We cover up a word leaving the initial letter exposed. Children then need to predict what will make sense, using information from the picture etc. After the prediction, they then check to see if they are correct.

During Maths activities the students have continued to focus with ordering numbers, identifying numbers before and after a given number, and graphing information. Children are encouraged to write numerals 0 – 10 correctly. We are also working on using ordinal number as we have been discussing the Year 3 – 6 swimming and athletic sports. As children arrived at school each morning, we discuss the order that they arrive in the room.

**P-2 Sports Afternoon**

The P-2 Sports afternoon will be held next Monday, 26th March, commencing at 2.00pm. Children are encouraged to wear t-shirts in their house colours, runners and shorts. The children will be arranged in multi-age house groups and rotate between a series of events. The emphasis of the day will be on participation and having fun. We are looking forward to seeing many parents and friends cheering our athletes on.

**Grade 1 and 2**

This week grade 1 and 2 are continuing to look at ‘Life in the rock pools.’ Students completed activities on the animals and plant life that can be found in rock pools, like crabs, sea-anemones, sea-slugs, starfish and other small fish. Students created their own rock pool picture by adding various creatures and plants. Next time you’re in the school; don’t forget to check out the great work in classrooms that has been completed this term about ‘The Sea.’

In maths students have been collecting data by asking others what their favourite things are. They then create tables, graphs or Venn diagrams to display this information. Through discussion and analysing the results, students are finding out what is most popular, and if the results could differ if taken in a different town, school or time of the year.

On Friday grades 1 and 2 will be celebrating the conclusion of the ‘Sea’ theme with a dress up pirate day. Notes with more detail will be sent out soon.

**Grade 3 and 4**

Our grade 3 and 4 students were participating in their athletic sports. I am sure that all students enjoyed participating and had a great day. With the AFL footy season starting this weekend, we will also be starting our class Footy Tipping this Friday.

As part of our ‘Mixing and Melting’ theme, the students have been learning about evaporation and condensation this week. We have been boiling water to produce steam and have then turned this steam back into liquid-water.

Our grade 4s were awarded their Pen Licences this week. They were all very proud of their achievement, and are continuing to produce neat handwriting with their new pens. In Maths this week, our grade 4s have been learning about angles using vocabulary such as right, acute, obtuse, straight, reflex and degrees. Our grade 3s have been learning about addition and subtraction.

Could all students please remember to bring their runners for Sport (on Thursday) and PE lessons?

Our Grade 3-6 students will be holding an Easter bonnet parade on the last day of term.

**MATT HAUGH, P-4 SUB-SCHOOL LEADER**

Timboon P-12 takes home a swag of medals at the Zone Swimming Championships in Warrnambool

Congratulations to the Timboon Swimming Team who took home swag of medals at the Zone Swimming Championships on Friday the 16th of March.

This year we took over a team of 23 students who made the cut from our Regional Swim in Hamilton to the Zone Swim in Warrnambool. The events were packed from the fastest swimmers as far away as Geelong.

In the individual events Sam Lenehan took home 3rd in the 9-10YO Free, Mitchell Gristede was 3rd in the 12/13YO 50 Free, and Robbie Glesson took 2nd place in the 9-10YO Breaststroke.

In the relays our 9-10YO girls Freestyle brought home 3rd (Liana Delaney, Holly McKenzie, Martina Da Ros, and Kasey Buck). Our 11 YO girl’s Freestyle relay also took home 3rd place (Jennifer Huffadine, Aimee Hose, Shelby Gristede, and Pia Falk).

Thank you to our parents who came on the bus: Carol Barnett, Jodie Buck, Michelle Fowler and Michelle Gristede. There were also great numbers of parents in support on the day. It was great to see Carla Falk using her iPad to get some video footage of all the action.

We are looking forward to seeing the pictures taken by the parents such as Michelle Hose and Michelle Gristede.

Go Timboon!

**TIMBOON TAKES ON TOUGH TRACK**

The South West Swimming Carnival was held last week with surprising results. Swimmers were chilled to the bone with the freezing conditions of wet and wonderful Hamilton. The swimming team stayed strong but the wind was stronger. The only way we were going to win was our spirit and high energy. With our relays and medleys the sun shone on Timboon for our winning spree. Jennifer Huffadine

**ICAS Competitions:** please find entry forms for these competitions attached to this newsletter. We would love your children to represent the school. It will require about an hour of their time on the subject designated day. They cater to all interests and talents.
SCIENCE 2012:

Year 7 Science students undertaking an inquiry based learning task of separating salt and pepper from water.

Did you know?

- Table salt is the chemical Sodium Chloride and has the chemical formula NaCl
- Sodium (Na) is a soft shiny metal that reacts explosively with water and must be stored under oil.
- Chlorine is a highly toxic greenish, yellow gas.
- When chlorine is added to water it reacts to form Hypochlorous acid. This is what’s used in swimming pools to keep them clean.
- White pepper is made by placing the black peppercorns into water for one week.
- Sodium’s explosive reactivity can be used for good – it is used to inflate airbags in cars.

LETTER FROM CHRIS HIBBURT

I am honoured to be given the opportunity to lead the School Council for this year, and would like to thank Gary Langenhuizen for his energy and effort in this role over the last five years. School Council is keen to support the school to achieve the social and education outcomes that we desire for our children, and it is pleasing to have a great group of parents and staff on School Council to do this. I will endeavour to keep parents informed of School Council activities during the year through the newsletter. As a start, below is a summary of the actions taken to secure building funding.

Timboon -P12 quest for rebuilding the school

Over the past five years the leadership of the school and school council have made a concerted effort to secure funding for the rebuilding of the school. There is ample justification for the need to replace all but the original red building, the new 5-8 building and the very new library, which was a federally funded project under the BER scheme. Over the past twenty years, Timboon P-12 School has developed three master plans. The last plan was developed in 2009 and the DEECD spent over $80,000 on architects, engineers and consultants to develop documentation ready for the tender process. A three stage program for rebuilding was agreed upon subject to funding. This funding has not been made available.

It is difficult to understand the politics that occur at this level, in that some schools will be granted funding ahead of others, with a lack of transparency in the decision making. Our failure to get over the line two years ago, stimulated us to consider other ways of highlighting our plight, including using the media and numerous contacts with parliamentarians. Both labour and liberal politicians have visited the school including only late last year, Martin Dixon, the current Minister for Education.

Our school principals over this period, Brian Ward and Rosalie Moorefield have worked tirelessly to have our school at the top of the Department of Education list for building funding. Gary Langenhuizen, our outgoing School Council president, also made a huge effort to bring this to fruition.

We are not alone in this plight as there are many other schools facing similar challenges. We accept that there is only a finite state government budget allocated to building schools. Our frustration builds when we appear to be side stepped for other schools. To this end, we have continued to highlight the state of our buildings with ample footage of the state of the infrastructure, as well as the constant need for maintenance. Last month an internal Education Department maintenance report was damning of the state of the buildings and reinforced the need to rebuild. The decision making process within the department is potentially fickle, and we need to continue our approach to the government. To this end, as newly appointed School Council President, I will attempt to meet with Minister Martin Dixon and once again present the case for a rebuild.

Chris Hibburt
EQUESTRIAN NEWS
Mortlake Interschool Showjumping
Friday, 30th March
Next Friday Lily Everett from 6K will represent our school at Mortlake Interschool Showjumping. Good luck Lily!

EMU CREEK INTERSCHOOL DRESSAGE
FRIDAY, 4th MAY, 2012
Tests may be called.
$25.00 entry per combination (on producing PCAV membership card on the day)
Non PCAV members required to pay additional $10.00 and day attendance form (3 pages) to be completed.
All tests 2009 EA available from Emu Creek Pony Club website.

TIMBOON DEMONS F.N.C.
13 and under Junior Netball Program
Commences Thursday, 29th March 4:30pm
At Timboon Rec Reserve Courts
Enquiries Michelle Hose 0429 670 907

Reminder: Come and Try Golf
Boys and girls interested in trying golf are welcome to come to an introductory golf session at Timboon Golf Club on Friday, 23rd March at 4.00pm.

Timboon Library
(Corangamite Regional Library Corporation)
Is giving you the chance to win tickets to see
The Hunger Games
Using any medium you like, creatively present your favourite part of “The Hunger Games” by Suzanne Collins.
It’s your choice of medium... Try photography, drawing, an essay, clay-modelling, painting, cake-decorating, knitting or something new...
Just show us what you liked best about the story.
Drop your entry into the library before the 24th of March to win one of four double passes to see the movie.
Include your name, contact details and age.

Timboon Sporting Centre
Junior Netball & Junior Indoor Soccer

Both of these competitions for juniors will start in the first week of May on the following dates:
U/10 Mixed Soccer: Tues 1st May
U/14 Mixed Soccer: Wed 2nd May
U/13 Junior Netball: Mon 7th May

To participate in any of these competitions players must register at the Centre by Friday, 20th April.

Phone the Centre on 55983445 or call in to fill out details.

COST: $20.00 registration $3.80/game

ATTENTION
2012 DEB BALL COMMITTEE DEBRIEFING MEETING

Please bring your updated folders
WHEN: Friday 23rd March, 7.00pm
WHERE: 4 Morgan St Timboon (Judy Walsh’s)
Please contact Heather 0429302648 or Judy 0407646005 if unable to attend
Reminders:
1. Melbourne Uni Veterinary Science and Hospital Open Day. Attend lectures, pet demonstrations, tours and get course advice; 10am-3pm, Sun 25 March, 250 Princes Hwy, Werribee; www.yet.unimelb.edu.au
2. ‘At Monash’ Seminar series. Get a head start when considering where a university degree can take you. Info: 1800 Monash/9903 4810; Register/locations: www.monash.edu/seminars
3. Experience environmental science and engineering day at RMIT. Thurs 5 April; Cost: Free; Info/register: www.rmit.edu.au/experiencedays; Ph: 9925 3699; more ‘Get Real Experience’ activities coming
4. ‘Experience La Trobe’. Year 10-12s join in workshops, find out about student life and check out the campus; 13 April, 3 July at La Trobe (Bundoora); Register: www.latrobe.edu.au/experience.

1. UNIVERSITY OF MELBOURNE NEWS – BACHELOR OF FINE ART - The Uni. of Melbourne plans to introduce two new specialisations into the Bachelor of Fine Art at the Southbank campus in 2013 – animation and screen writing (subject to accreditation). These will be in addition to the contemporary music, dance, film and television, music theatre, production, theatre practice and visual art programs already offered.

2. SCHOLARSHIPS AT MELBOURNE - If you are thinking about studying engineering at Melbourne, you might want to apply for the Paterson Scholarship of $4,000pa for the length of an appropriate undergraduate degree. Applicants will need to complete an application form and provide copies of their VCE results along with a letter addressing the selection criteria (including financial need). Browse scholarships at www.services.unimelb.edu.au/scholarships/ugrad.

DO YOU WANT TO FIND OUT ABOUT STUDYING AT THE UNIVERSITY OF MELBOURNE?

3. Then ‘Meet Melbourne’ may be the program for you. This program involves Uni of Melbourne visits to regional and some metropolitan centres, aiming to give information about courses and careers, scholarships, entry requirements and so on. Sessions are being held at Albury, Ballarat, Bendigo, Caroline Springs, Dandenong, Frankston, Geelong, Glen Waverley, Hamilton, Sale, Shepparton, Warrigal, and Warrnambool.

For details and registration, go to: www.futurestudents.unimelb.edu.au/meetmelbourne.

4. Alternatively, ‘Access All Areas 2012’ may suit you. This is a series of events especially designed for Year 10-12 students and their families, offering a personalised insight into the University. Find out about undergraduate degrees and graduate pathways, opportunities to enrich your degree (eg concurrent diplomas, exchange and study abroad), admission and entry requirements, Access Melbourne and scholarships, accommodation and transition programs.

When: 9am-3pm, Fri 13 April, 13 July and 27 Sept; Where: Parkville campus; Cost: Free, but limited places; Register: www.futurestudents.unimelb.edu.au/accessallareas.

3. SCHOLARSHIPS AT VICTORIA UNI (VU) – The Faculty of Health, Engineering and Science awards a number of scholarships up to the value of $20,000 to students who have achieved an ATAR of 80 or above. See the VU website along with eligibility criteria and application forms. Get info on 9919 2009, daryl.cornish@vu.edu.au.

4. ZOO KEEPER FOR A DAY – This is a hands-on school holiday program for students interested in a career working with animals. Help out the animal keepers and learn about a most rewarding job. Speak with animal keepers about their jobs and experience. When/where: 9:30am-4pm, 3rd, 10th and 12th April at Werribee Open Range Zoo, K Road, Werribee; 9:30am-3:30pm, 3rd, 5th and 10th April (Year 7/8), 4th and 11th April (Years 9/10), Healesville Sanctuary, Badger Creek Rd, Healesville; Cost: $102 (incl morning tea); Bookings: ph 9285 9406 (pay when booking); Details of holiday programs: www.zoo.org.au/Learning/Camps-Holidays.

5. VCE CHEMISRY AND BIOLOGY REVISION LECTURES AT MONASH – These monthly revision lectures will help prepare you for your exams. The seminars are designed to encourage revision throughout the year, clarifying and consolidating concepts as they are introduced in the classroom. When: Biology 4-5pm, Chemistry 5.30-6.30pm, 21 Mar, 18 April, 23 May, 6 June, 18 July, 22 Aug and 19 Sept; Where: Monash Parkville campus, 381 Royal Parade; Register: (free), but registration essential: www.pharm.monash.edu/events or call 9903 9504 You can attend both Biology and Chemistry if you wish, with afternoon tea provided.

5. PARENTS AS CAREER TRANSITION SUPPORT (PACTS) – Parents often want help in planning the future for their child with a mild intellectual disability. Do you need to know more about education and training? Would you like to meet representatives from different services? PACTS have two information workshops for parents of secondary school students from 15 years of age. When: 6-8pm, 18 April and 2 May; Where: Montrose Town Centre Library Room, 935 Mt Dandenong Tourist Rd, Montrose; Book: Cherie Messerie, cmesserie@oellen.org.au, 9723 2717.

6. BIG SCIENCE, SMALL SCIENCE - BSSS - Is RMIT’s new way of delivering science straight to young minds through Facebook. The page is regularly updated with scientific articles, quizzes, facts, polls and events. Check it out at www.facebook.com/rmitlearning.

7. A CAREER IN LEGAL SERVICES – Are you aware of the jobs available in the legal sector apart from becoming a solicitor or barrister? Law clerks, paralegals and legal executives may be employed by law firms, government departments, legal aid organisations, financial institutions, corporations and court registries. They perform legal work on behalf of clients under the supervision of a lawyer and can specialise in areas such as litigation, conveyancing, personal injury compensation, criminal law, family law, probate or corporate law. More about courses/careers: www.rmit.edu.au/programs/ad015. NOTE: Undergraduate law degrees can be studied at Australian Catholic (from 2013), Deakin, La Trobe, Monash and Victoria universities. Postgraduate studies in law can be taken at Melbourne and RMIT universities.

8. DO YOU WANT TO BE AN INTERIOR DESIGNER? One question you first need to ask yourself is, do I know the difference between an interior designer and an interior decorator? An interior designer designs and supervises the construction of building interiors, so, among other things, they need an understanding of building construction. To
work in this field you would usually have at least a diploma such as the Diploma of Interior Decoration and Design, offered at several TAFE Institutes, however, many interior designers have a university degree such as Interior Architecture from Monash or Interior Design from RMIT or Swinburne. Interior decorators, on the other hand, plan and implement decoration of homes, offices and so on (eg colour schemes, lighting, furniture) and would often complete the Diploma of Interior Decoration and Design. Most courses require applicants to attend an interview and folio presentation as part of the application process at the end of Year 12 (all except Interior Design at Swinburne Uni which selects on ATAR). Thus, prospective applicants need to attend Open Days to find out more about the course for which they are applying, and to help them decide at which institution they prefer to study. It is also important to be able to explain at the interview why you prefer a particular institution – very difficult to answer if you have never been there!

- Students interested in design might also consider studying architecture, industrial design, communication or graphic design, building design (architectural), product design, fashion design or visual merchandising.

Drew Deppeler 55983381

Timboon Tennis Club Finals
Nadal, 5 sets 37 games defeated Federer, 3 sets 28 games
Great tennis played by all with great weather and long rallies. Many spectators and family support as well.

Premiers Nadal- back row, left to right: Michael Brittain, Chet Kensit and Georgia Barnett
Front row: Nicholas Duynhoven and Libby Norton

Federer - Back Row, left to right: Jack Rowe, Amy Drayton and Ben Bacon
Front Row: Caitlin Gledhill and Ellie Smith
Welcome to the 2012 international Competitions and Assessments for Schools (ICAS). For over 30 years, ICAS has taken place annually in schools throughout Australia, New Zealand, Singapore, Malaysia, Brunei, the Pacific region and South Africa. Your child is invited to participate in ICAS in 2012.

ICAS provides an opportunity for all students in Years 3 to 12 to gain a measure of their own achievement in an external testing situation. It provides teachers, parents and students with comprehensive reporting of results in the areas of Computer Skills, English, Mathematics, Science, Spelling and Writing. All students receive a certificate and an individual student report indicating which questions they answered correctly and their score compared with the rest of the students tested. The tests are an excellent preparation for national tests and the student report is useful for highlighting your child's strengths and weaknesses. The certificate and individual student report are also suitable for your child to include in a portfolio.

Certificates are awarded for each year level as follows:
- High Distinction to the top 1% of entrants
- Distinction to the next 10% of entrants
- Credit to the next 25% of entrants
- Participation to all other participating students.

A UNSW medal is awarded when the highest score in each year level in each state in each subject is judged to be sufficiently meritorious. These medals are presented at either a UNSW Medal Ceremony or at a school assembly. Students must sit on the official sitting dates to be eligible for a UNSW medal.

The entry fee per student is as follows:
- Computer Skills – 22 May 2012 $8.00
- Science – 6 June 2012 $8.00
- Spelling – 19 June 2012 $11.00
- Writing – 18 June 2012 to 22 June 2012 $17.00
- English – 31 July 2012 $8.00
- Mathematics – 14 August 2012 $8.00
- All of the above $58.50

For more information please visit the Educational Assessment Australia website at www.eaa.unsw.edu.au

2012 INTERNATIONAL COMPETITIONS AND ASSESSMENTS FOR SCHOOLS (ICAS) PERMISSION SLIP

Please return THIS section to your child’s school.

I give permission for my child………………………………………………………………………… of  
Child’s name  Class  to participate in the following 2012 International Competitions and Assessments for Schools (ICAS):

- Computer Skills – 22 May 2012 ($8.00)
- Science – 6 June 2012 ($8.00)
- Spelling – 19 June 2012 ($11.00)
- Writing – 18 June 2012 to 22 June 2012 ($17.00)
- English – 31 July 2012 ($8.00)
- Mathematics – 14 August 2012 ($8.00)
- All of the above ($58.50)

Please find enclosed _______________ entry fee.
