PRINCIPAL’S REPORT

- Congratulations to the three parents who on Friday used the new (morning) drop off procedure for students. The new procedure is to drive into the school as the buses do. Drop your child/children off at the bus drop off zone and leave via Wark Street.

- Thank-you to those families who supported our Christmas in July evening at the Timboon Golf Club. A huge thank-you to Lesley Togni and the Timboon Rail Trailers/ Lions Relay for Life team who organised the event. We are now able to offer a little financial support to some of our families who are dealing with ongoing medical issues.

- If your child suffers from Asthma you need to be aware of the new regulations that came in to effect on the 1st of July relating to the treatment of Asthma in schools. We are no longer able to re-use spacers. We encourage all parents to make sure their asthmatic child has their own asthma medication with them at school. The new regulation can be found in the newsletter.

If you have any concerns or issues that you wish to discuss with me please feel free to give me a call at school (55983381) or on my mobile (0407345324).

Email: timboon.p12@edumail.vic.gov.au

ROSALIE MOORFIELD
PRINCIPAL

Congratulations to: The Auskick students who were lucky enough to be in the half time game at the Saturday and Sunday AFL matches last weekend.

ADF Scholarship Winner Tim Tesselaar with one of his engineering projects

Tim mentoring other Engineering students on technique and best practice

ASSISTANT PRINCIPAL REPORTS

Congratulations to Year 12 VCAL student Tim Tesselaar on achieving the Defence Technical Scholarship. The Defence Technical Scholarship provides eligible Year 11 and 12 students with a financial incentive ($3000) to finish their education whilst undertaking Maths, English or technical related subject. Up to 2300 students applied for this with only a small number successful in obtaining the scholarship. Outstanding!
Put it in your calendar: VCE/VCAL/VET Information Evening on Wednesday the 22\textsuperscript{nd} of August (7:30pm, 5-8 Building). All Year 10 and 11 parents and students are expected to attend.

Reminder: Students in Year 7-11 who are required to leave the school grounds at recess or lunchtime must bring a note from their parents or guardians (please provide an appropriate reason).

Reminder:
- (As stated in the school diary) Jewellery: Facial piercings (nose/lip/ring) are not permitted. Small studded sleeper earings are acceptable.
- Please check your child for headlice, there has been a reported case in the Secondary campus.

And remember: ‘We must become the change we want to see’- Mahatma Gandhi

SEAN FITZPATRICK
ASSISTANT PRINCIPAL

The best way to keep warm on these chilly mornings has been to be active and let me tell you our yard is a hive of activity at the moment. It is wonderful to see such variety of groups playing together, taking turns, helping out and showing consideration to make sure the activity is fun for all. A great example of this came up in the yard today, when I looked over to see students from grades prep, one, two and three all playing a game of ‘Knock-out Basketball.’ Not only were the older students taking the time to encourage the younger ones, they were sharing fairly and also developing sportsman like behaviours such as accepting that you don’t always get to win but can still have great fun. Mixed groups can be fabulous. However, there are also times when students need to play freely with their peers. Leadership and fairness need to be encouraged not just in terms of the oldest being leaders but also learning how to get along specifically with those of the same age and level of understanding. Supporting students to develop and learn can at times require a ‘tight-rope skill’ knowing when to intervene at just the right time to allow for the best outcome for everyone. There will be times when teachers specifically encourage playing with peers and likewise there will be times when we encourage mixed groups depending on the needs of the students involved.

I mentioned last week that we are starting some planning for 2013. If you know of any families moving in or out of our school community this information would be of great assistance to us here at school.

Finally our Prep – 6 Olympics afternoon next Thursday will begin at 2pm (weather permitting.)

ANDREA TAYLOR
ASSISTANT PRINCIPAL

P-6 Mini Olympics

To help us celebrate the Olympics, our Prep-6 students will be participating in a Mini Olympics afternoon on Thursday 9\textsuperscript{th} August, beginning at 2:00pm. The students from all P-6 classes have been placed into multi-age groups, with each group representing one of the participating countries. The lists of countries and team members were sent home yesterday. These teams will be getting together prior to the day to make flags, signs etc. for their team. The students are asked to come to

KYLIE ORR, 5 – 8 SUBSCHOOL LEADER

P-4 SUB-SCHOOL REPORT

Our Prep – 4 students have all enjoyed learning about the Olympics over the past few weeks and the excitement levels in our classrooms have continued to increase, now that the Games have started. There have been many classroom discussions about the events that are unfolding in London, with the spectacular Opening Ceremony being a highlight for many. The students are enjoying learning about many of the traditions of the Games and are learning more about some of the Olympic sports and events, during our Literacy sessions. In Numeracy, the students are creating graphs of the Olympic medal tally. 3/4 H have been holding their own Potato Olympics over the past 2 days. This has involved the students in creating athletes from Potatoes, which then participate in a series of events such as rolling races, high jump and distance rolls. These activities have been lots of fun and have involved the students in a wide variety of measurement activities. Judy Walsh (4W) will be taking some long service leave next week. Chloe Rooth will be teaching Judy’s class while she is away.

Kylie Orr
school dressed in the colours of their particular country on the day.

Our Mini Olympics event will be held on the top oval. We will commence with a short Opening Ceremony, where teams will march around the oval, followed by the reading of the athlete’s oath. The teams will then take part in a series of fun sporting events. These will include the Long jump, Tunnel ball, Baton relays and Accuracy throws. The focus of the afternoon will be on participation and enjoyment. We are also hoping to see a large group of spectators to cheer on our athletes, as they compete in their events. I look forward to seeing you there.

MATT HAUGH, P-4 SUB-SCHOOL LEADER

Last week Grade 2C (along with many other Timboon P-12 students) attended the cultural performance ‘Bully no more’ at the High School Hall. The performance we watched helped us learn all about bullying, what we can do when we are bullied and the reasons why people might choose bullying behaviour. They loved the performance and found it funny, interesting and entertaining. After the performance we all thought about the messages in the performance and wrote about them. This is what some students thought about the performance:

- “The play showed me that you can always stand up for yourself when you need to” (Lewis Cunnington).
- “The play showed me to face your fears” (Susanna Ryan)
- “The play showed me that with friends and courage we can face up to bullies” (Sauileone Brown-Nafatali).
- “The play showed me that no one should bully” (Johanna McKenzie)

On Friday 27th July, four students from Grade 2C received awards for their outstanding achievements in Mathletics. These students are Susanna Ryan, Christopher Bowker, Sophie Gleeson and Lewis Cunnington. Congratulations to all of you. Be sure to congratulate these students if you see them and ask them why they love Mathletics so much as well as the strategies that help them with their maths.

CANTEEN ROSTER

TERM 3

WEEK 4 (6th – 10th August)

| Mon 6th   | Julie Vogels | Volunteer Required |
| Tues 7th  | Katrina Currell | Wendy Maskell |
| Wed 8th   | Sharon Convey  | Rachel Mungean   |
| Thurs 9th | Tamara Haugh   | Melinda Drysdale  |
| Fri 10th  | Charlene Payne | Nicole Oberin     |

(12:00 – 2:00pm – Monique Fitzpatrick)

WEEK 5 (13th – 17th August)

| Mon 13th  | Dianne Finch  | Rama Maddikunta   |
| Tues 14th | Donna Bedggoood | Sharon Mottram   |
| Wed 15th  | Janice Lindsay | Bronwyn Lenehan  |
| Thurs 16th| Tanya Delaney  | Sandra Langenuizen|
| Frid 17th | Jacqui Lynch   | Sally Blain      |

(12:00 – 2:00pm – Fiona McDonald)

SECOND-HAND UNIFORM SALE

The next second-hand uniform sale will be held on 24th August, 2012 (1:00pm - 1:50pm in the SEU building)

For enquiries please call Katrina, 5598 3443.

Ultranet Last Thursday Miss Heazlewood and the year 7 students Will McKenzie, Josh Brittain, Euan McGuire, Amy Ingles, Abbey Gass and Laura Rosolin attend a Student Ultranet Leadership development course ran by our Ultranet Regional Coach, Nigel Holloway. Will wrote, "Nigel taught us how to navigate around the Ultranet with ease. I also learned how to add photos and documents to pages. I now know some handy programs and sites to help me continue to learn better. This is good because I can show my teachers and parents what I have been doing and what I enjoy. I will now use this information to teach others to use the Ultranet".

In the 5 and 6 area we are using the Ultranet to Blog with other students about information we have researched on the Olympics. We are also using the Ultranet to find out how we can protect our digital footprint and be sensible and safe while online. 5B are keeping in touch with Mrs Broomhall on her adventures through a Blog. Through her Blog we can read about her adventures, ask her questions, travel with her via an interactive map and see her photos. Jake Matthews was the first person in our grade to make a comment on her Blog.

iPads Over the first weekend back from school our primary technology captains, Mitchell Trotter, Sasha Weston and Samantha McKay had the opportunity to take home an iPad each to trial. The trial included an iTunes account for purchasing apps, a spreadsheet to evaluate the apps they purchased and how the app could enrich their learning. Mitchell has the following to say about the trial. "I think the iPad trial was really fun and enjoyable. The iPads would help us with our spelling, maths and comprehension. I also like that the iPads have a reading app. This is great for reading books anywhere, anytime. When reading on the iPad you get to click on words for their definition or to hear how they should sound".

Cyber bullying cultural performance Campbell McKenzie (Grade 6) wrote the following review on our Cyber bullying cultural performance last week. "On Wednesday the 25th of July we had a cultural performance about cyber bullying. It was great. It taught you about how serious the consequences of cyber bullying can be and that it is actually illegal. The actors were really friendly and loved their job. They also let us ask lots of questions. It really got through to me and it should have got through to everyone else".

Where do I get help if I am feeling bullied online?
