In the week prior to your grade running the assembly you will get a copy of the running sheet. Please feel free to add or change items on the sheet to ensure your students are comfortable in their roles. If need be paired read outs are always possible, even giving students the ‘hand-shake job where no talking is required. If you want a ‘coral reading’ of the oath or traditional welcome that too would be fine. If the weather is against us we will be in the 5-8 building.
