PRINCIPAL’S REPORT

- On Tuesday we had another cultural excursion in the school. This time the focus of the activity was Aboriginal history and culture. Thank you to Gemma Collins and Erin McSwee for coordinating our very entertaining and diverse cultural activities this year.
- The Year 4 Melbourne camp was a huge success. Many parents followed the trip on our Facebook site. Thank you to the staff and parents who make this sort of camp possible each year.
- We are starting to talk transition days for Kindergarten students, and Year 6 students. This week you will find a term calendar attached to the newsletter to help you track upcoming school events.
- This year our final assemblies/awards presentation will take a different format. The P-6 final assembly will be at 10:00 on Wednesday the 18th December and the 7-12 Awards/Final Assembly will be at 1:00pm on the 18th December. The change to a day time timeslot has been suggested due to the overwhelming attendance of parents and friends at our previous day time events.

If you have any concerns or issues that you wish to discuss with me please feel free to give me a call at school (03)5598 3381 or on (0407 345 324)

Helping kids to choose wisely

It can be more than a little frustrating for adults when kids don’t think through the consequences of their decisions, say, when they ‘forget’ to do their homework or ‘accidentally’ hurt their younger sibling playing too roughly.

The younger the child is, the more likely they are to focus on satisfying their immediate wants (ie eating lollies just before bed) and the less likely they are to consider the outcome (ie the inevitable sugar-high preventing a proper night’s sleep).

Rather than telling them what they should do, you can step children through the process of making good decisions so they can master this important life skill. Here are some expert strategies.

Little kids

Consequences need to be simple for young children, but early childhood is nonetheless an excellent time to start teaching them about choosing wisely.

Give them chances to make simple decisions

“Would you like to wear your red jeans or your spotty skirt today? Which is better for climbing trees?”

Encourage problem-solving

“Oh no, we’ve run out of bread for sandwiches! What else could we have for lunch?”

Allow them to make mistakes

“It’s nice that you wanted to make a cake for Daddy, but next time you need a grown-up to help you, okay?”

Tell stories about good and bad decision-making

“Do you think Goldilocks did the right thing going into the bears’ house without being invited?”

Older kids

School-age children are better able to see other viewpoints and anticipate consequences.

Step them through the decision-making process

“Okay, this is the issue, now what are our options? Which is the best choice? Why? Alright, let’s give it a go and see what happens!”

Praise them for taking responsibility
“You know we have a ‘no skateboarding in the house’ rule, but I’m happy to see you cleaning up the mess you made.”

Set goals together
“If you get your homework out of the way now, you will have the rest of the afternoon to play.”

Support them to stay on track
“I know it’s hard practising piano while your sister is crying. Why don’t I take her for a walk and give you some peace?”

Uniform reminders (school dress code policy)-
Footwear
Black enclosed leather school shoe (includes Kustom, Rossi, Mulga or traditional dress shoe)
Covered (heel and toe) black leather sandal or T Bar style (not permitted in wood and metal classes)

Pants/Shorts
Boys: Long grey cords 720 brand or Plain grey cotton drill pants (Stubbies or similar)
School Shorts — Plain grey cord 720 brand or Grey Cotton drill (Stubbies brand or similar)
Girls: Navy blue flared tailored pants (Face Off brand or similar) or School Shorts — blue skorts P-12 (Stubbies Brand or similar)

Please ensure your child is in the correct uniform. Please provide a note to your child’s form teacher if their school uniform is incorrect.
