Week three of term already… With 11 days of teaching already completed you may be interested to hear that 5% of our school year has just been completed! Pretty scary stuff isn’t it? During these first two weeks classes have been establishing routines that will support their learning right throughout the year. Things like: active listening, rights and responsibilities, conflict resolution systems, homework expectations, right down to understanding the learning intentions and success criteria. All families are asked to be active participants in their child’s
education. The partnership between home and school cannot be underestimated and is one that we support through activities such as our parent/teacher interview day on March 6th. Our student leadership team and IT supports have now been finalised. I would like to congratulate all those students who put themselves forward for consideration in this process. The quality of interview, speeches and applications was extremely high this year.

Our Student Technology Captains for 2014 are: Taya Thomson, Monique McKay, Logan Cuthell and Lachlan Bowker.

Our new Captains and Vice-Captains will be running this week's P-6 Assembly.

**Swimming Sports Report**

The 7-12 House swimming Carnival was held last Wednesday, February 6th. It was a fantastic start to the year with many students attending. Narragoot won the event, ending the reign of Halladale whom had won the past five. All students swam very well with a good competitive spirit. The following students were section champions: Shelby Gristede, Mitchell Gristede, Ahliya Harris, Darcy Tribe, Emily Finch and Angus Dalziel. Eleven records were broken during the day including Mitchell Gristede breaking records in all five of his individual events, Ahliya Harris breaking the Breaststroke, butterfly, backstroke and 33m freestyle and Darcy Tribe breaking the Breaststroke and Butterfly records. Thankyou to all parents and grandparents that supported the students throughout the day, particularly to Paul Fowler for his assistance during the Yr 12 v Staff race and Christie Berry for her assistance timing and judging. The HSSSD swimming sports will be held at Camperdown on Wednesday, February 26th.

**STUDY TOUR TO VIETNAM 2014**

Timboon P-12 School is delighted to be again offering a study tour opportunity, travelling to Vietnam to support our curriculum. In 2014 it will be offered to all Year 12 and Year 11 students or students completing a Year 11 subject. This study tour was very successful in 2013 and the quality of the tour was exemplary as were the learning outcomes. We are offering a 12 day tour starting on Tuesday 24th June (last week of term 2) and returning on Saturday July 5th.

The 12 day experience is an excellent opportunity for our students. It supports our VCE and VCAL curriculum in many ways. It will create greater awareness of the customs, culture and history of another country and allow us to have a better understanding of our own culture and our place in it. It is an opportunity for our students to do this through a safe, positive, challenging and highly organised travel and humanitarian experience.

The trip was a huge success last year and students who participated gained from the experience in many different ways. Our 2013 group was recently awarded the Corangamite Youth Achievement award for Community Service for our fund raising initiatives for the Ba Pagoda Orphanage. It really did allow us to open our eyes to a totally different life experience, and make an impact on others.

We need a minimum of ten students to allow this tour to occur. We will be asking for a definite commitment of a non-refundable $500 deposit to be paid to the school by 22nd February. Our Travel Agent Tram will be visiting the group on 5th March to discuss details with participants and families.

Please contact Ms Deppeler or Mr Mottram or Mrs Devlin for any further information.
VCE camp
Year 12 VCE students spent three days at Federation University, Ballarat, at the combined Western District Schools Study Camp. We joined 150 students from Camperdown College, Casterton Secondary College, Derrinallum P-12 College, Hawkesdale P-12 College, Terang College, Balmoral P-12 College, Hopetoun Secondary College, Dimboola Memorial Secondary College, Beaufort Secondary College and Heywood Secondary College in subject based workshops, lectures, lab sessions as well as presentations on Study Skills, goal setting, motivation. In the words of the students, “The camp was a worthwhile experience, that gave students an idea of what university life is like. Lectures and presentations, especially the “Whole New World” talk gave students valuable insight into what to expect both during and after Year 12. The residential accommodation and the chance to meet students from other schools made it an enjoyable experience for everyone involved.”

Year 5 TAP – ducks
Last year we began with an idea; this year we begin with a trio of Pekin we incubated ourselves that are ready to lay, and nine Cayuga ducklings ranging from six to eight weeks old. Sincere thanks to the Mungane and Hibberd families who have raised the Cayuga ducklings over the Christmas break and to the McMeels who hosted the Pekin ducks. Now they are back at school, our Pekin ducks are providing two eggs a day which are being used by the school kitchen. This year’s Year 6 students were treated to a sponge using the eggs from the ducks they raised last year! We hope to offer duck eggs in the near future – donations for them will be greatly appreciated and contribute to our feed costs. Watch this space!

We will be making use of the hay straw harvested over the Christmas break from our TAP oval for bedding and nesting.

Stephanie Alexander Kitchen Garden Program
The students are busily tidying up last year’s vegie gardens and have had the opportunity to take home some of the harvest. Zucchini slice or muffins, and beetroot dip has appeared in the students’ lunch boxes.

Any spare seed trays for planting seeds or excess seedlings would be gratefully received. The students are also collecting seeds, mulching, and discovering how hard digging can be!

Year 5 Bike Education
Many thanks to the gentlemen from the Men’s Shed who have begun to service our bicycles following last year’s program and successful annual Peterborough ride.
