**ANZAC Service**

**Wednesday 24th April 2013**

You are warmly invited to attend our Anzac Day Service. Please invite anyone else you feel would like to attend.

**Starting at:** 10:30 a.m. (Seated by 10:25)

**Location:** Timboon P-12 School - P-6 Assembly Area or Timboon Town Hall if raining.

---

**PRINCIPAL’S REPORT**

- All members of the community are warmly invited to our ANZAC Day ceremony which will take place on the 24th April at 10:30 a.m. at the P-6 Assembly area. The ceremony will start with a very short march. The march will be made up of those community members who wish to participate and students who are wearing a medal belonging to a family member.

- There is no school next Thursday 25th April as it is ANZAC Day.

- On Saturday 4th May Vision Portraits will run a family portrait day. This is an ideal Mother’s Day gift. Details are in this week’s newsletter.

- Over the holidays we have had some primary classrooms painted and part of the secondary passageway given a fresh coat of paint. The new roof on the Primary B wing should ensure a winter free of leaks.

- School Council will be busy cutting firewood over the next few weeks after the removal of several trees. Some of our larger gums are not indigenous to this area and this does create some safety issues from time to time. Any tree removal is based on sound advice and safety concerns.

**Congratulations to:** Rory Coverdale who competed at Macarthur on her horse, “Levans Magic Touch” and won the ‘Reg Rowbottom’ Trophy.

To Lisa Couch, Kate Delaney and Olivia Bedggood who were selected in the Hampden Youth girls side and played in the V/Line cup held in Melbourne last week.

To Tim Smurthwaite, Kirsty Ludeman and Ahliya Harries for taking out awards at the recent ‘Camera on the Coast’ exhibition.

If you have any concerns or issues that you wish to discuss with me please feel free to give me a call at school (55983381) or on (0407345324) Email: timboon.p12@edumail.vic.gov.au

**ASSISTANT PRINCIPAL REPORTS**

- Welcome back to term 2! It is most important that students apply the feedback they received from last term’s parent-teacher interviews. It’s important that all students begin the term in a positive manner and focus on: organisation/time management, commitment to improvement and their studies & a positive attitude.

- **Movie Stars:** On Monday a small group of year 6 & 7 students appeared as extras in an ABC telemovie *The Broken Shore*, which was filmed in Port Campbell. The students appeared in a scene which was a flashback to a 1983 school excursion. The students and parents that attended enjoyed their experience. Big thank you to Natasha Neal for assisting with this opportunity.
Well done: to all students who competed in the State Swimming championships at the end of last term. To Lisa Couch, Olivia Bedgood and Kate Delaney who participated in the U/15 Hampden Youth Girls Football side in the V/Line Cup held in Melbourne over the holidays.

Year 9 Maths have started a project that is linked to local business Bilyana Grazing to see how maths and technology are linked to running a business. Students are using real life data and applying their own Maths knowledge and skills to analyse the data. In their first lesson students learnt how to construct a spreadsheet with embedded formula to analyse data and graph. In the coming weeks students will host guest speaker Simon Gleeson (Bilyana Grazing) and select and track the weight gained by individual heifers over a period of approximately 102 weeks. Already students are sharing new found knowledge with their fellow students and their teacher. (Below) Year 9 student Cody Hibberd using his Ipad to assist him with his project.

And remember: “A wise man will make more opportunities than he finds” – Francis Bacon.

SRC – “Who’s your Hero?” Fundraising Day

Congratulations Timboon P-12, we raised $416.15 for the Royal Children’s Hospital Good Friday Appeal from our Fundraiser Day last term.

It was wonderful to see the variety of Heroes we have that inspire us, some real and some fictional.

Thanks to all who participated and especially to the SRC members who organised the event. A special mention goes to Chloe Buck who organised the official collection tins and presented the money at the Timboon Good Friday Appeal.

Wearable technology.

Have you ever felt like technology is everywhere?
Within the next five years that is predicted to be truer than ever.
The world’s leading technology developers are working toward having technology (and we are talking mobile phone-like devices) not be something you put in your pocket or handbag, with that mad dash for the phone whenever anyone’s phone rings within a close proximity to ourselves (even if it has a different ring tone?).

By the end of this year the very first prototypes of wearable technology will hit the market. The leader is looking like Google with their Google Glasses.
Google Glasses will allow the user to wear a trendy pair of glasses which has a small screen above the right eye and a voice control to activate it. The wearer will be able to ask the glasses to make phone calls, send texts or look up the internet.

Now remember the exact details are not confirmed as yet, but the “experts” believe you will be able to look at objects to get information on your screen. Imagine looking at the sky and getting a weather forecast, sign boards will no longer be static and will allow the operator to get information from billboards like never before.

Travel information on trains, buses and planes could be “right in front of your eyes” whenever you want it.

Check these out on YouTube or Google “google glasses” It seems 25% of Australians have indicated they would wear such a device when it becomes available and is expected to generate $1.5 billion in 2014.

If wearing a pair of glasses is not your thing, you might like to opt for a smart watch, which is basically everything you get on your smartphone strapped to your wrist, so you don’t lose it.

For the health conscious, Samsung is planning to launch health accessories for the Galaxy 4.

Apple has just patented a flexible glass which will allow them to make curved technology to fit body parts like wrists etc. As usual Apple is very tight lipped about what they are up to.

What I do know is that in five years’ time we will look back at the “old technology” we used in 2013.

I wonder what the world will look like when our current preps leave University. I’m not sure if I should get scared or excited, but I’m betting it will be an exciting ride.

TSPA MINI MINUTES

Mother Day stall: The stall will be on 9/5/2013 in the pink room. Setting up will be from 10am. Helpers are welcome. The gifts will all be priced at $5 each. All the presents are sorted.

RECIPE BOOK:
• Recipes to be emailed on the address below or handed in at the school office ASAP. We have made a great start to collect recipes, and would love to see some competition entries as well.
• Competition one is to name the book. Competition two is to submit a photo that could be used on the front cover. These are open to Timboon school students only. Competition three is open to all who submit an order form with the most books ordered on it. In the event of more than one having the same amount, those will be put into a pot and one will be drawn out the winner. There are three competitions and there will be a prize for the winner in each.
• Advertising space is available for local business, at $50 for half page and $100 for full page advert. Please email adverts to the address below.
• By the end of term two we will collate the orders, recipes, competitions etc. And will be able to update you in regards to progress. We would like to have what we need by then, so we have time to put the book together for print and delivery well before Christmas.

Next Meeting: 27/5/2013 at school admin building at 7.30pm.
All are welcome to attend.
