**PRINCIPAL’S REPORT**

- Next Thursday 25th October we will be encouraging staff and students to wear something pink as part of breast cancer awareness month. Sam Cunnington, who is the Community Liaison officer for Breast Cancer Network Australia, will be speaking at a special P-12 assembly to be held that day. A gold coin donation towards this most worthy cause would be appreciated.
- Each year Vision Portraits pay us a visit to enable local community members to have a family portrait taken. This year they will be here on Sunday 11th November. We require 25 families involved in this activity to make it happen. If you wish to have a family portrait taken please return the form to school. Extra forms are available at the office.
- Saturday night is the much anticipated Bush Dance at the school hall. The function starts at 8:00 p.m. and we look forward to a full house.

If you have any concerns or issues that you wish to discuss with me please feel free to give me a call at school (55983381) or on my mobile (0407345324)

**ASSISTANT PRINCIPAL REPORTS**

Wednesday the 26th of October will be the official final day for our Year 12 students before they begin their end of year exams which begin on the 1st of November. To mark this special day the following activities will take place

- Breakfast for students (Pizza Oven)
- A special Year 7-12 Assembly (followed by a morning tea for parents and students) at 10:00am in the School Hall
- A mystery bus tour for students (supervised by VCE staff)

All family members are welcome!

**Reminder:** Year 12 exams begin on the 1st of November and Year 11 exams also begin shortly after. Students should be studying and attempting to be doing their very best in this form of assessment. Ways to prepare for exams include:

- Daily study routine – practice exams (ensure teacher feedback)
- A stable and balanced diet
- Regular exercise
- Regular sleeping pattern

**Sun smart:** As we enter that time of the year when the weather warms up it is important that students ensure that they protect themselves from the sun by wearing a hat or by finding a shaded area during lunchtime and recess.

**School Captains 2013:** Nominations forms will be available for students to collect on Monday 22nd October from the general office. There are six School Captains positions (2 representatives in each House: 1 male, 1 female) available for 2013. Nominations are open to current Year 10 and 11 students.

**Baringa 2012:** In 2012 we will be producing a P-12 Baringa (School magazine/yearbook). Traditionally the Baringa has only featured Year 5-12 students. This year’s Baringa will feature a focus on years Prep-4. Please return your expression of interest from to your classroom teacher (P-4) by Friday 26th October.

**And remember:** "Never regret. If it’s good, it’s wonderful. If it’s bad, it’s experience".

9-12 SUB SCHOOL REPORT
Great start to a busy term with lots of events taking place.
4 Year 9 students have attend a 2 day “Taste of Dairy’ excursion to inform them on the program for 2013.
Seven students have attended a BRICKS Leaders day at Glenormiston, with students from other Corangamite schools.
The year 8 into 9 information session has been postponed and the new time will be communicated by a note home. The session is intended to give students and parents some information about the changes of moving into the middle school and the choices available. Date to be confirmed.
The Outdoor Education students are currently on the Glenelg River on their canoeing trip. Thank you to Dean Whitehead for organising and parent Lynette Smurthwaite for helping out. They will return to school Friday afternoon.
Year 12 final assembly will be held on Friday 26th of October.
VCE English exam is the first one on the 1st of November.
The year 12 Formal will be held on the conclusion of exams on the 16th November.
Have a great term everyone.

9-12 SUBSCHOOL LEADER

P-4 SUB-SCHOOL REPORT
Prep
Last week, our Prep students brought a great range of their favourite toys to school. They were able to sort and classify them according to colour, size, shape and how they are used. This week, the students have been creating graphs and writing about their favourite toys. The students have been asked to bring along bath toys this week.
During maths, the Preps have been involved in measuring the capacity of a variety of containers. They have been discussing the meaning of full and empty. The students will also be constructing a boat that will float. If you have any recycled yoghurt, margarine or other containers, please send them along to school tomorrow.
Year 1 and 2
The Year 1 and 2 students have been continuing on with their studies of Australian animals this week. They have been learning about a variety of marsupials and have been discussing the relationships that these animals have with their surrounding environments. The Year 1 and 2 staff and students are planning to enhance their understanding of Australian animals, through visiting the Cudgee Wildlife Park on the 16th November. This should be a fantastic learning experience and a great day for everyone involved.
Year 3 and 4
Our Year 4 students are making their final preparations for their Melbourne Camp this week. We have been busy discussing the finer details of the camp and the students are all looking forward to sharing some fantastic experiences together. The students will be leaving for their camp on Wednesday morning and returning on Friday, at approximately 7:00pm. We would like to wish our campers all the best and I’m sure that the students will be eager to share their camp news with everybody when they return.
As mentioned last week, the Year 3 and 4 students will be taking part in cricket, lawn bowls, golf and tennis sessions for Sport over the coming weeks. Unfortunately these sessions were postponed last week, due to wet weather. Weather permitting, these sessions will have commenced today.

DESIGN A BANDICOOT STICKER and/or POSTER COMPETITION
Open to both primary and secondary students. Must include a picture of a Southern Brown Bandicoot and the text ‘Southern Brown Bandicoot’ and ‘Port Campbell’. Maximum size is A3, in any 2D media. Must be your original work. Winner in both categories receives $50. Runner ups receive $20. Entries close 15 November 2012. See Ms Harris for entry forms.
Regional Athletics Report
On Thursday of last week, in challenging weather conditions, four Primary students represented our School at the Regional Athletics in Geelong.

Ben Bacon 6H ran 4th in the 100m heat and 3rd in 200m heats. This qualified him for the finals, but he was not well and did not run.

Hollie Castledine 6K qualified for the 200 and 800 metre finals and finished 7th in both races.

Ben Matthews 4V ran in the 1500m and finished 12th in a PB of 6 minutes and 12 seconds.

Liana Delaney 4V ran in the 200m and finished in 7th place. Ben Berry 5B competed in High Jump and hurdles finals. He was narrowly beaten into 3rd in the hurdles and he won the High Jump with a height just below his PB. Ben’s win in the High Jump automatically qualifies him for the State competition later in the year. He is only one of four students from our region to advance to this next level.

A huge ‘well done’ to all the students for their brilliant efforts, and a big thank you to their parents for taking them all the way down to Geelong. The reports I had back from parents was that the students tried their very hardest and did themselves and the school proud.

Jacquie McGuire, PE teacher.

Jump Rope For Heart
Thank you to all the students who have been bringing their fundraising money to me. A big thank you to the students and their families who chose to fundraise online – a great effort. If you still have any money at home please bring it in by Monday of next week – that is the very last day as I need to tally the results and arrange for the thank you prizes to be delivered. Thank you – Ms. Mac.

This week is Anti-Poverty Week (14 – 20 October)

The gap between the world’s rich and poor has never been wider. Malnutrition, AIDS, conflict and illiteracy are a daily reality for millions.

This week, the middle-school GC9 class are participating in anti-poverty week activities. This will highlight what can be done to “Make Poverty History”. We have put up displays in the I building and plan to show a reality TV show about cheap imported food and where it comes from. We have also been selling the white wristbands @ $2.

What you can do to make a difference and “Make Poverty History”

- Become informed…
- Buy a white wrist band and wear it to raise awareness
- Purchase Fair Trade products (look for chocolate, coffee, tea, clothing, gifts)
- Contribute to our hamper at the office for donation to a local charity

Thank you – GC9 Class

WHAT IF MY ATAR IS NOT HIGH ENOUGH?

Some Year 12’s are concerned that they will not access the university course of their choice due to their inability to achieve the required ATAR. This is NOT the finish. What should you do? Firstly, DON’T think that you must remove courses from your VTAC application just because your ATAR doesn’t seem high enough. ATAR’s sometimes come down and it is not necessary to remove courses unless you have more than 12 courses for which you wish to apply.

If you want to go to university but your ATAR concerns you, there are courses and pathways to consider, including the following (many have lower ATAR requirements):

- Complete the Diploma of Tertiary Studies at Monash University in arts, business, education, health promotion, nursing, science or social welfare. See: page 282 VTAC Guide (VTAC codes 26291, 30751 and 29391)
- Complete a course at Monash College; see page 269 of the VTAC Guide (VTAC Codes – various)
- Complete a course at MBT (Deakin Uni link); see page 265 of the VTAC Guide
- Swinburne University (Hawthorn) has an access scheme applying to some schools; this involves a 5-point bonus applied to former Lilydale degrees
- Complete a Foundation Studies one year pathways course at Victoria Uni; application form at www.vu.edu.au/courses/applying
- Consider studying a related university course with a lower ATAR; if you do well you MAY be able to transfer to your desired course later
- Start with a TAFE course in a related field; two years at TAFE often equals one year at university
- Complete a TAFE Diploma of Liberal Arts – a pathway into arts, social science and humanities. Kangan (VTAC Code 53311), Swinburne (70091) and VU (79131, 80531) have this Diploma, some with guarantees and points towards a degree
- Consider a country/rural campus. ATAR’s are often lower due to lower demand; most have accommodation (apply ASAP)
- For nursing consider first completing Division 2 at TAFE or a private provider; apply early and complete the VETASSESS Test if required (eg RMIT requires this by 19 Oct, Holmesglen by end November, while VU requires it 31 October). It is not required by all TAFE’s, for example, Swinburne, where you have to apply direct to Swinburne – on-line.
- ACU has certificate and diploma course that can lead on to degrees (through ACUcom) See: http://www.acu.edu.au/courses/2013/other_courses/vocation_education_training_vet/
- Elmore Charity Ball Committee $5000 Rural Scholarship

The Elmore Charity Ball Committee is inviting applications for its annual Rural Scholarship. The scholarship, which is worth $5000, aims to enable a young member of the rural community to further their education in an agricultural field. Applications are invited from those less than 24 years of age (at 1 Jan, 2013) and entering their first year of an undergraduate degree related to agriculture, at a recognised Australian tertiary institution. Applications close on January 31, 2013.

For more information and terms of entry email elmorecharityball@iinet.net.au for an application form.
