PRINCIPAL’S REPORT

- Tonight will be the first meeting of our Parent Lobby Group (buildings focus). The meeting will be in the Administration building at 7:30. I salute this very enthusiastic group, who have not been frightened off by recent events, and remain passionate about improving the buildings at our school.
- Thank-you to the Timboon Rail Trailers/Lions, Timboon Golf Club and families who purchased raffle tickets to support the recently held Christmas in July. Over $1,000 was raised to support our students whose families are dealing with cancer.
- An enormous thank-you to Lesley Togni who may have retired from the school but still works tirelessly to support our students.
- School Council has approved grey stubbies style, slit pocket polyester/viscose school shorts. Please note that cargo style is not school uniform. The photo in this week’s newsletter shows the approved style.
- We are in the last phase of relocating our Art rooms. The new vinyl has been laid this week thanks to David Smith and the finishing touches to the rooms will be made over the coming weeks.
- The first of lot of fertile eggs went into the incubator this week. The VCAL students are now putting together the Hilton Hen House and the excitement is building in anticipation of the new arrivals. However we will not count our chickens until they hatch.

If you have any concerns or issues that you wish to discuss with me please feel free to give me a call at school (03) 5598 3381 or on (0407 345 324) Email: timboon.p12@edumail.vic.gov.au

KidsMatter DAY!

We believe a Kidsmatter Day will strengthen our School Kidsmatter journey and our whole school approach to raising awareness of good health & wellbeing. Students will workshop through a range of health and wellbeing activities on Wednesday the 4th of September (see flyer attached). Some of these workshops/activities include:

- A Relay for Life walk on the oval (for all school community members), Live Out Loud (Building resilience and leadership), Headspace, Hip Hop, Beyond Blue, Spin Chat (understanding people with disabilities), Bush Dancing, Timboon Healthcare, Cyberbullying and much, much more.

Book it in your calendar!
Last week Year 11 students Brittany Lindsay and Angus Dalziel attended the CEP student conference. (Pictured below hanging out with other country kids).

Some of our Year 9 students had the opportunity to participate in the Taste Of Dairy program held on our school TAP Precinct this week. Students from Cobden Tech also attended this 2 day program (pictured). Thank you to the Vogels family for hosting visits.

Each year we review about one third of our current School Policies. This process begins in February each year, with policies up for review being published and sent around to interested individuals, groups and committees within our school community. These review recommendations are then passed onto the Curriculum Committee to collate, consider and make further recommendations around changes to the policies. Once this has happened the recommended changes are circulated both in staff and administration areas and also made available for any interested school community members to review. Following this process the policies are handed over to School Council for their consideration, recommendations and finally approval. We are currently at the second last stage of this process with a copy of recommended changes being available for perusal through the main office. If you are at all interested please pop in for some light reading. The policies reviewed this year have been: ‘English’, ‘Health & PE’, ‘Humanities’, ‘Supporting Students with Disabilities, Impairments and Special Needs’, ‘Drug Education’, ‘PAWS’, ‘Bullying’, ‘Gender Equity’, ‘Nutrition’, ‘Head-lice’, ‘Code of Conduct’, ‘Rights and Responsibilities’, ‘Social Services’, ‘Sun-smart’, ‘Year 12 Formal Dinner’, ‘Offensive materials’, ‘Privacy Policy’, ‘Procedures for Dealing with Disruptive Primary Students’, ‘Assigning teachers to Classes’, ‘School Representation’ and ‘Protocol For Granting
Leave'. Our full list and copies of all our policies are available at our website:

Please note that an amendment to our Uniform Policy regarding boys now being able to wear plain grey cotton drill shorts was passed at last months' School Council meeting. Here is a photo of the newly approved shorts. Grey cord 720 shorts are still approved uniform.

Is your child currently in full school uniform? If not please make the necessary adjustments before the end of the week as letters will be posted out next week for those out of uniform.

Grade 4V and 4/5F visited the Lenehan and Martin farms this week. More photos and article next week.

NOTE FROM THE OFFICE: All students who arrive late to school, or leave school early are expected to sign in or out from the Office. This includes all students from Prep to Year 12. All students are to sign in before making their way to their classroom.

NETBALL REPORT
The following students competed in the Greater Western Regional final in Ballarat on July 26th: Rachel Beames, Lisa and Joanna Couch, Jaymie and Emily Finch, Brittany Lindsay, Tess Lindquist, Georgia Spokes and Hayley Weel.

The first game against Stawell saw Timboon win in a close finishing match 24 to 20 goals. The game against Emmanuel was also closely contested, with the team winning 31 to 29 goals. As winners of Pool B, the team played in the final against Ballarat High who had dominated Pool A.

In the first quarter scores were Timboon trailing 10 to BHS 14. This lead was reduced in the second quarter Timboon 20 and BHS 23. The team caught up to be trailing 30 to BHS 32 in the third quarter. The final quarter was set up for a thrilling finish, the pressure applied to both teams. Timboon utilised their opportunities and final scores saw ...a draw! Scores 42 each. Extra time was played with final scores again being level – 45 apiece. More extra time was played and in the last minute, Ballarat capitalised to win 48 to Timboon’s 46.

An excellent performance was achieved by all students. A positive, sporting spirit was displayed and team cohesiveness created winning play and a deserved place in the final. Thank you to Andrea Weel, Andrea Couch and Peter Finch for their support and coaching efforts.

**Class Descriptions**

**Cardio Combo:** This class is a mixed bag of body toning exercises that improve your strength & endurance as well as developing your cardio fitness and increasing your overall flexibility. Great class for first timers as you can work at your own rate without the need to keep up with everyone else in the group.

**POWER BAR** is the fastest way to shape and tone the body as well as lose body fat. It is a toning and conditioning program with bars & weights and is suitable for everyone. Great way to add strength training to your aerobic workout.

**TRUenergy SPIN:** A high energy 45 minute cardio work-out that ensures you get the most out of each session. Spin is a great way to improve your aerobic fitness without the joint stress of running on hard surfaces. This program also works on core strength and good posture as well as increasing lower body strength and endurance.

**Gym Training:** An introduction into resistance training. For those who would like to learn proper exercise form and how to structure an effective program. Get a great workout and expand your exercise knowledge.
