**Principal’s Report**

- The Deb Ball held last Friday was a terrific night. Congratulations to the Debs and the Deb Ball committee whose tireless efforts must be commended.
- This week we have our Athletic Sports. Thank-you to those parents who volunteered to assist with the running of the day. A huge thank-you to our sports coordinators, Tony Bird and all those people who contributed to making the day possible.
- Next week we will be conducting Parent-Teacher Interviews for students in Years 7-12. This is a great opportunity to share vital information on your child’s educational progress. Please make the most of this opportunity and attend either the night or day session.
- Next Monday 25th March, the Timboon School Parents Association (TSPA), will hold its Annual General Meeting. All parents are welcome to attend. It will be held in the Admin building at 7:30.

**Assistant Principal Reports**

- **7-12 Athletics Sports** this Friday 22nd of March. All parents are encouraged to attend this event on the school oval.
  
  This years theme is ‘old school’. Sometimes I hear that our students don’t take their school sports seriously. In some cases we have students that may not display the best sporting techniques but they participate in the best possible way. A large proportion of students continue to qualify and succeed at zone, regional and state levels. Our schools sports attendance rates are high (90% of students attended this year’s swimming sports). We are a small school and this is something we should celebrate. The introduction of adding themes to these days targets student engagement and connectedness and again this is something that we are really starting to build a positive culture around. If you have any ‘old school’ clothing items in the cupboard share them with your children because they really enjoy themed sports days.

**Calendar:**

- March 21st: 3-6 Ath Sports
- 22nd: 7-12 Ath Sports
- 25th: District Aths 3-6
- 27th: State Swim 7-12
- 27th: 7-12 Interview Night
- 28th: 7-12 Interviews 10-1
- 28th: School Ends 2:30

If you have any concerns or issues that you wish to discuss with me please feel free to give me a call at school (55983381) or on (0407345324) Email: timboon.p12@edumail.vic.gov.au

ROSALIE MOORFIELD

PRINCIPAL

**Timboon School Cafeteria and A and B Building are Peanut and Tree Nut Free Zones**
• Reminder: parent teacher interviews will be held on Wednesday the 27th (5:30pm-8:30pm) and Thursday 28th (10:00am-1:00pm) March. All student interim reports will be mailed home to parents early next week. Parents are not required to book an official time with classroom teachers. Strong parental attendance is always encouraged. Parent teacher interviews enable all three parties (student, parent, teacher) to provide valuable feedback to each other and strengthen their working relationship.

• Opportunity: Featured in this week’s newsletter is some information regarding the request for extras to appear in a ABC telemovie The Broken Shore, which will be filming in Port Campbell in mid April. They are specifically looking for student to appear in a scene which is a flashback to 1983 when two of the main cast are talking looking out over the ocean as teenagers whilst at a school excursion, so they require around twelve approx. 13 year olds to be their classmates in the background. If any students are interested please let me know by next Tuesday.

• Good luck to Mitchell Gristede who is off to the State Swimming championships next week.

And remember: “ Tradition is a guide and not a jailer”, Anon

SEAN FITZPATRICK
ASSISTANT PRINCIPAL

This week has seen another of our major annual events take place in the 3-6 Athletics Sports. The success of these days is only possible with a huge amount of planning and support people to help out on the day. Our thanks goes to all who helped out no matter how big or small it all makes a difference. Our Year one to Year six grades are now in full swing with CAFÉ reading. This program involves the children reading daily with a set focus (individual goal) that they use to monitor and develop their reading skills. One of the strategies that we used is known as EEKK reading. This involves students working with partners on a reading task. Here it is in action with grade 2H:

Elbow to Elbow, Knee to Knee Reading:
The grade 2 children this week have been learning about and practicing the skill of Elbow to Elbow, Knee to Knee Reading (Read to Someone) as part of the CAFÉ approach to reading. We have enjoyed the opportunity to share the ‘good fit’ stories we are reading as part of literacy sessions.

Finally, I hope all families have a great break over Easter with lots of reading and maths games being played.

ANDREA TAYLOR
ASSISTANT PRINCIPAL

SSV Greater Western Region Swimming Sports Report

9 students progressed into their competition held in Warrnambool. Our competitors arrived early to start their warmup laps and eagerly awaited their races. Excellent performances by all participants achieved the following places:

Darcy Tribe 4th in 100m breastroke, 50m breaststroke and butterfly. He achieved personal bests in all his races which was commendable.

Mitchell Gristede 2nd in 50m breastroke, 1st in butterfly and freestyle.

Emily Finch 5th in 50m breastroke and backstroke.

Lily Hose 4th in 50m freestyle and 3rd in backstroke.

Angus Dalziel 3rd in 50m freestyle.

Toby Walsh was unable to attend the competiton. The Junior Medley Relay team consisting of Cam McKenzie, Brandon Barnett, Mitchell Gristede and Ricky Bellis was highly competitive in a fast finishing race. They finished second but unfortunately disqualified.

Thank you to the students for their wonderful efforts and team spirit displayed. Thank you to the parents who provided support, especially Michelle Gristede and Raelene for their assistance in time keeping duties and photography.

Carolyn Wordsworth

Year Seven and Eight Electives

Here are comments from some of the Year Seven students...

Design and Technology

I love this subject because I get to make new and different things. I’ve learnt the different names of tools and how to design and create things. I love it that you can take home what you’ve made and then you can look at it and say “Wow, I made that”! I’ve learnt so much from Mr Harris already.

By Molly Hibberd 7A

Cooking

I find cooking really exciting. We are baking sweet and dairy things from around Timboon. The things we have made so far are a strawberry tart, a strawberry smoothie and a pavlova with strawberries. We had a guest speaker who taught us about different cuts of meat and which ones were good to cook on a BBQ. Mrs Devlin is a fantastic cook and comes up with great ideas.

By Mitch Trotter

Wild, Wicked Shoes and Graffiti Art

These are my two favourite electives. In Wild, Wicked Shoes you get to design and paint your own shoes with any design you want. I am doing Nyan Cat shoes.

In Graffiti Art you get to make a stencil using two sheets of A2 paper. You can use your name or a picture. I did my name using a black background and bright green for the letters. Mrs Harris teaches us heaps about art and really helps us to come up with the best designs ever! By Jasper Storer Reeves

Can You Think on Your Feet?

This is the best subject ever! It is about having a lot of amazing fun and non stop laughing. We get to act, mime, perform, play games and create a pop video! We have Ms Kensit who is the best actor and she chooses great things for us to do.

By Chelsea Matthews

Drama

My favourite Elective is drama. We are making a pop video using our Ipads. You can get heaps of crazy effects. I love using our Ipads because you can edit and structure your video while you work. Ms Kensit makes everyone laugh; she is a crazy person who has a passion for drama. By Sean Lenehan
**EQUESTRIAN NEWS**

**EMU CREEK INTERSCHOOL DRESSAGE CHALLENGE**
Thursday 28th March 2013 at Emu Creek Pony Club Grounds
This is a very popular event so please enter early.
For more information please contact Cheryl at the Caf.
PHONE 5598 3381.
ALL ENTRIES and $25 to Cheryl at the Caf by WEDNESDAY 13th MARCH. Cheques payable to “Emu Creek Pony Club”

**HAMILTON AND ALEXANDRA COLLEGE**
Interschool Equestrian Championships
Saturday 27th April 2013
Dressage, Rider skills, Jumping Equestrian, Handymount Championships, Rugs and Sashes
Entry $40 – Entries and info see Cheryl at the Caf

**CANTEEN NEWS**
Have you an hour to spare to contribute to our Volunteer Base at the canteen. We have a few “volunteer required” positions. Please encourage family and friends to join us at the cafe. Even once a term is greatly appreciated. If you signed up, search for comps and join the Timboon School competition. No password is required. The top ten tippers each week will be listed on our webpage and published in the newsletter. Its free and its fun. Good Luck.

**TSPA MINI MINUTES**
**P 3-6 ATHLETICS BBQ: update next week.**
**DEB BALL:** Thank you to all who have made this year’s deb ball a success. A great time was had by all and the debutants and their partners looked fabulous. We look forward to the 60th Timboon debutant ball next year.
**Mother Day stall:** The items which were ordered have begun to arrive and sorting will happen once all are accounted for. Date to be announced.

**RECIPE BOOK**
- Recipes to be emailed on the address below or handed in at the school office ASAP
- The category list went in last week’s newsletter. If you missed the newsletter it is on the school website.
- **Competition one** is to name the book. **Competition two** is to submit a photo that could be used on the front cover. These are open to Timboon school students only. **Competition three** is open to all who submit an order form with the most books ordered on it. In the event of more than one having the same amount, those will be put into a pot and one will be drawn out the winner. There are three competitions and there will be a prize for the winner in each.
- Advertising space is available for local business, at $50 for half page and $100 for full page advert. Please email adverts to the address below.
- **By the end of term two we will collate the orders, recipes, competitions etc.** and will be able to update you in regards to progress. We would like to have what we need by then, so we have time to put the book together for print and delivery well before Christmas.

**ANNUAL GENERAL MEETING:** **25/3/2013**
All positions are normally declared vacant and there will election of new office bearers. Although there have been notifications received regarding people’s interest in being office bearers, the normal processes will still apply with the election if there are others who attend and would like to be nominated. All Welcome.

**Next Meeting:** **ANNUAL GENERAL MEETING IS ON THE 25/3/2013 AT THE SCHOOL ADMIN BUILDING AND WILL BE FOLLOWED BY AN ORDINARY MEETING DIRECTLY AFTER.**
Anne Rosolin (secretary) mob 0409029464 or rosolin@activ8.net.au

**SECOND-HAND UNIFORM SALE**
The next second-hand uniform sale will be held at on Friday, 22nd March (1:00pm: 1:50pm in the SEU building.)
For enquiries please call Katrina, 5598 3443.

**EQUIPMENT SALE**
The next second-hand uniform sale will be held at on Friday, 22nd March (1:00pm: 1:50pm in the SEU building.)
For enquiries please call Katrina, 5598 3443.

**TERRY’S TECH TALK**

**SOFTWARE**
There has been much confusion over software and what is and is not legal. I often hear people say “I can just download it”. The internet is no different from any shop and most software needs to be paid for. It can take hundreds of hours to write a program and the person with the skills to write it deserve to be paid or they will stop writing new ones. Like all theft, the honest people who pay end up paying for those who steal.

Today I want to explain about some of the different types of software available.
Freeware: Free to use with no payment required, often with conditions. This type of software is usually made by a new programmer trying to make a name for themselves and show
what they are capable of. This is ok to download for free and give a copy to your friends as long as you don’t change it or remove the name of the programmer from it.

Shareware: Trial, limited time or functionality. This type of software is used to allow you to look at a program with consideration to buy it. The software will have restrictions such as only the first level in a game, or you may not be able to save or print your work. Other restrictions can include a full version of the software for one month only. Shareware, like freeware can be copied and given to friends as long as it not altered.

Oem: Stands for “Original Equipment Manufacturer”. This software is only sold with new hardware, for system builders to install on a new system. OEM software can only be used with the original purchase and cannot be used on any other system, not even if it is owned by you.

Retail: This is genuine full version software and come with a licence usually for one machine (sometimes you can get a multi licence pack)

Copying and/or giving this software to friends is strictly illegal and people have been fined tens of thousands of dollars for breaching copyright laws.

Enterprise: Large businesses (like schools etc.) can purchase enterprise licences which allow them to load software on computers owned by the organisation. Australian schools have an agreement like this, but it requires us to purchase an OEM licence for each machine, then we can upgrade to the latest version.

Enterprise software usually can only be used on the premises and not in staff or students homes. However, last week Microsoft allowed schools to give Microsoft software to school students for BYOD devices. This is great for schools as it means we can offer a school image to all students at our school for their laptops used at school (this agreement does NOT allow the software to be used on home computers, and does not include the Adobe products like Photoshop etc.). We will advise early next term of the procedure to get this software loaded on student computers. Also, Symantec antivirus is available to the entire school community and can be loaded on home computers.

Torrents: I see many students using torrent programs (uTorrent is most common) Torrents seem may seem like a great way to get “free” software but in most cases it is theft and dangerous. A torrent works by connecting to hundreds of computers at a time and downloading a snippet from each machine. There are two problems here – it is not legal to share copyrighted software, and also if any of the many computers you are connected to has a virus, you will get it (there are no mights here as this is how most viruses are transferred). Even a good antivirus will have trouble protecting you from a torrent due to the speed at which the viruses will enter your system.

Thanks for taking the time to read this article.

CHECK OUT LA TROBE UNIVERSITY – La Trobe University is inviting Year 10-12 students and families to ‘Experience La Trobe’. This is an opportunity to check out courses, see facilities, participate in a workshop of your choice, and speak to staff. When: Melbourne (Bundoora), Fri 5 April; Bendigo, Fri 21 June (school holidays). This is a free event with lunch and entertainment provided. Register at: www.latrobe.edu.au/experience.

NOTE: La Trobe will be offering the Bachelor of Civil Engineering at both the Melbourne campus and the Bendigo campus from 2014.

FROM DEAKIN UNIVERSITY
Labour Market News – At a recent Deakin conference, career practitioners were told the following:
• 37% of employees in Australia now work part-time, but of these, 40% want more work: they have been forced into part-time work
• Currently 35% of males are working part-time. Part-time work is common in sales, communications and personal services
• More work roles now require a university degree, such as in information technology, banking and nursing
• Job security has become an illusion, with outsourcing and the use of technology creating more job insecurity
• Youth unemployment (15-25years) is now at 12.9%
• The ‘winners’ in terms of jobs are in areas such as health care, mining, aged care and education
• Professions requiring registration are doing better in terms of jobs (eg someone with a Health Science degree will find it harder to get work than, say, a physiotherapist or psychologist).

Career self-management – If you want to put yourself ‘out there’ and improve your employment opportunities you are advised to do the following:
• Be able to articulate your values
• Develop and maintain your relationships/networks
• Be an expert in something
• Be flexible
• Develop your ability to work with uncertainty
• Know what is going on in your area or expertise
• Invest in qualifications and professional development

ZOO KEEPER OR VET FOR A DAY – Thinking of a career working with animals? Then, what about a ‘Keeper for a Day’ or ‘Vet for a Day’ program in the coming school holidays? Participate in a range of hands-on experiences designed to provide you with an insight into the role of a zoo keeper. On offer:
Werribee open Range Zoo’s Keeper for a Day program; Ages: 13-18yrs; Cost: $103 (incl morning tea); Book: 9285 9406; See: www.zoo.org.au/werribee/whats-on/keeper-for-a-day
Healesville Sanctuary’s Vét for a Day program; Ages: 15-18 yrs; Cost: $125 (incl morning tea); Book: 9285 9406; See: www.zoo.org.au/healesville/whats-on/healesville-santuary-vet-for-a-day
Healesville Sanctuary’s Keeper for a Day program; Ages: 13-18yrs; Cost: $103 (incl morning tea); Book: 9285 9406; See: www.zoo.org.au/healesville/whats-on/keeper-for-a-day

YOU WANT TO STUDY PHOTOGRAPHY? Courses are available at university, TAFE and at some independent colleges. This is a range of suggestions only.
• RMIT offers a Bachelor of Arts (Photography) at its City campus, and also a ‘major’ in photography in its fine arts degree; Deakin offers a ‘major’ in photography in its arts, film and TV, film and animation programs.

CAREERS: The next big photo is yours – How will you take it? Contact: scscooke@engineersaustralia.org.au
A Diploma of Photography is available at a number of TAFEs including Holmesglen, NMIT, RMIT, while photography is offered in a number of TAFE visual arts diplomas (e.g. NMIT, Swinburne, VU).

Photography is also offered at independent colleges such as the Photographic Imaging College in Hawthorn and the Photography Studies College at Southbank.

Want to study photography? Then attend Open Days. Choosing a course without visiting is unwise.

**DID YOU KNOW?** Victoria is the second largest employing state, with a quarter of the nation’s employment (almost 2.9 million). The largest employing industries are health care and social assistance (336,700), retail trade (317,200) and manufacturing (302,700), which combined have around one third of state employment. The Victorian workforce is relatively highly skilled with 39% of workers holding a bachelor degree or higher qualification, compared with 27% nationally. The proportion of Victorian workers who are aged 45 years and older is the same as the national average (38%) (According to the Department of Education, Employment and Workplace Relations report, Australian Jobs 2012).

**DATE FOR YOUR DIARY** – The annual ‘Age’ VCE and careers expo 2013 is coming up soon. There will be around 190 institutions to provide future study advice to prospective students. Also featured are seminars on VCE subjects, tertiary courses, career and employment advice. **When:** 10am-3pm, Thurs 2/Fri 3 May; 10am-4pm, Sat 4/Sun 5 May; **Where:** Caulfield Racecourse, Station St; Cost: $10; $25 per family (covers all 4 days).

A FANTASTIC NEW WEBSITE – You really need to check out this new website at: www.hobsonscoursefinder.com.au. This site provides you with the ability to search for a range of institutions (universities, TAFEs, private providers), explore links between courses and careers, search for scholarships, and access information about tertiary study. It is really worth spending some time on this website.

**UNIVERSITY OF MELBOURNE NEWS** -

- **CHECK OUT THE UNIVERSITY** - ‘Access all Areas’ is designed for Years 10-12 students and their families, offering a personalised insight into the university. This is your opportunity to explore the Melbourne Parkville campus. **When:** Friday 5 April and 12 July; **Information/registration:** www.futurestudents.unimelb.edu.au/accessallareas.

- **BACHELOR OF SCIENCE AT THE UNIVERSITY** – This degree provides an enormous range of study options, graduate pathways and career outcomes. Over 70% of students who enrol in the Bachelor of Science degree go on to further study, especially into health science and engineering programs or to further their scientific research interests. Students have the opportunity to undertake their own research in their B. Science by either taking a science research project as a subject, or applying for a number of undergraduate research opportunities over the summer break. There are 35 majors to choose from in the B. Science....and did you know that the inventor of vegemite, Cyril Callister, studied chemistry at the University of Melbourne? Find out more by visiting www.sciencematters.unimelb.edu.au.

- **WHAT IS THE LSAT?** The Law School Admission Test (LSAT) is a standardised test required for admission by more than 200 law schools around the world. Melbourne Law School is the only Australian law school using it. It is designed to measure aptitude for the study of law; no prior knowledge of law is required. Selection to the Melbourne JD is based on: academic results from all previous tertiary studies, LSAT score and essay, and a personal statement (up to 850 words). www.law.unimelb.edu.au/dj/future-students/how-to-apply/about-the-lsat. (NOTE: As with many of its degrees, Law at Melbourne is a post-graduate degree).

**Timboon Sporting Complex**

**Junior Netball and Indoor Soccer**

Both of these competitions for juniors will start in second week of May

- **Junior Netball Mon 6th May**
- **U10 Mixed soccer Tues 7th May**
- **U14 mixed soccer Wed 8th May**

Registration for soccer by 4th May.

Registration and grading for netball on 22nd & 29th April.

Phone the centre on 5598 3445 or call in to fill out details.

Cost $20 registration $3.80 per game.

---

**Timboon one week till we go home**

It has been an action packed term full of challenges, not to say that they were bad. We were all thrown into a group with 45 other students. Although we were so nervous and felt like we were in the wrong place we stayed and now we are entering the last week and we know how much we have developed throughout this wonderful experience. Although we were challenged throughout this term we enjoyed ourselves so much and now we are so happy and thankful that we got to experience this wonderful journey and it has made us all very confident leaders. We are so sad that we have to leave everyone from up here but we do need to go use all the skills that we have learnt and give something back to the community that has given us all so much. (We are going to start by constructing a community garden).

One of the most valuable times that we had was only last week on our second expedition in which we challenged all our limits on our three day expedition. We walked from the campus that we have called home for the last seven weeks, into Marlo the small town just eight kilometres down the road were we unpacked some canoes and we paddled 2 kilometres to the splits were we set up camp for the first night. It was quite a challenge walking with our 12-15 kilogram packs. Then on the second day we had a full day of paddling which was challenging because it was a nine kilometre paddle and you just had to keep going, because we had the current against us and if one person began to struggle the whole team noticed. We got through it though, with our random sing offs and crazy talks. After our tiring day we arrived at a farmers paddock were we set up camp and spent the night. The next day we woke up at 4:30am, packed up camp and we started paddling at 6:30am. We paddled for three kilometres before we started the hike up Mount Raymond. It was a 6 kilometre hike to the top of the mountain and then another one kilometre to the bus. It was really challenging with the heavy packs but we managed to do it with the support of our team. It brought us so close and now we don’t feel like a team of friends, we feel like a family that would do anything for each other.

Thank-you to everyone who has supported us on this awesome adventure.

Abby, Teagan, James, Ahiyaa, Shaun and Rob
In this age of electronic media, we have many photos and student work that is now being presented via electronic media. To ensure that our consent forms are relevant and up to date we would like all parents to complete this consent form. Please note that media will include: Newsletter, Newspapers/magazine, Webpage, Television, and Promotional Flyers for the school.

Please complete the form below and return it to the office.
