ASSISTANT PRINCIPAL REPORTS

- Congratulations to everyone on a terrific term 1. Although short, it’s always an action packed term with lots to get through.
- Congratulations to all students staff and parents on a highly successful 7-12 Athletics Sports Day last Friday. Congratulations to Halladale on achieving the shield, to all age champions and to those 5 students that achieved 5 new school records.
- Well done to our Senior Cricket team who competed in the state quarter final in Ballarat on Tuesday. Despite very late notice about the event, the boys competed well against Maribyrnong Academy of Sport. A special mention must go to Adam Doak who scored 51.
- 7-12 Parent Teacher Interviews: Kick off tonight (5:30pm-8:30pm) and Thursday 29th March (10:00am-1:00pm). We believe parent teacher interviews are a valuable form of feedback for parents and students to discuss their school progress and foster a strong educational partnership between the school, parents and students. We expect that all parents and students attend these interviews. All interim reports were mailed home earlier in the week.
- Have a safe and enjoyable Easter/holiday break!

And remember: "Nine-tenths of education is encouragement". Anatole France

TERRY’S TECH TALK

Ever lost your phone?
With the Easter holidays coming up, many of us will travel with our iPhones and iPads and some may drop them or leave them somewhere. Rather than retrace your steps (as I have done in the past) to find the phone you can now “ask the phone” where it is. It is easier than ever to find your iPhone or iPad when you lose it.
Apple has several products which can help you find your iPhone when you have lost it, and/or help find the owner when you have lost them.
Find my iPhone is easy to set up and is usually done when you first get the iPhone/iPad. Don’t worry if you did not as all you need to do is press the settings icon, go to iCloud and scroll to the bottom to turn on “Find my iPhone” (these instructions are the same for an iPad).
When setup you can go to any internet browser and type in www.icloud.com/find and log in with your apple id. You will now be able to see where the iPhone is (as long as it has phone or wireless reception).
Once you know the whereabouts of your iPhone/iPad you can do one of three things: play a sound (even if it’s on silent), lock it with a passcode, or erase all data if you think it has fallen into the wrong hands. You can also give the location to Police if it has been stolen – Please do not try to get a stolen phone back by yourself, let the Police do their job.
Another great app is “Find my Friends” which allows you to locate friends and family members. This app is great when loved ones are traveling to watch their progress and can even alert you when they arrive home. It can be set up permanently or you can give temporary permission whilst on holidays etc. It is also possible to password protect this app so it can’t be turned off or add new friends without a password.
The accuracy of the above can be low, depending on the signal and won’t find your phone under the couch etc. It will tell you which house it is in. If you get close enough you can ring it or use “Find my iPhone” to play a sound if it’s on silent.
Also, if you do lose your phone, just try ringing it. Most people are honest and will return a lost phone if they know who owns it.
If it’s totally lost, never to be found again and none of the above steps worked (or you didn’t set up “Find my iPhone” beforehand, and now wished you did) remember “every cloud has a silver lining”, enjoy the rest of your holiday knowing you won’t be disturbed.

The 21st of March marked Harmony Day. It is a day of cultural respect, widely celebrated across schools, childcare centres, community groups, churches, businesses and federal, state and local government agencies. With orange as the colour theme for the day, Year 7A students sampled some of the wonderful fruits and flavours of the Pacific as a celebration of their work in Geography this term.

BUS DRIVER RETIRING
Doug Trotter
It is with sadness that we inform you that Doug Trotter has decided to retire from full time work at the end of this term.
Doug has been driving school buses for over thirty years. He has driven current students, their parents and in some cases their grandparents all with a smile and time for a joke.
He has been a great bus driver and we wish him the very best in his retirement. Before the end of term, take the time to go and wish Doug all the best.
If you would like to send Doug a thankyou card or gift please direct it to our office and we will make sure it gets to him.
