PRINCIPAL’S REPORT

- A big thank-you to the ‘Re-build our School’ group. They have been tenacious in gaining over 800 signatures for the petitions they organised and were all set to deliver them this Friday. Unfortunately a change in Minister Mulders diary has created a small hiccup at this stage.

- Thank-you to those families who have supported the ‘Movember” cause. Over $600 was raised on the casual clothes day and a lot more money was collected in the tins located around the town. Thank-you to Nigel Mottram for organising the activity. I am sure Peter’s Project will be very happy with the final figure.

- On Wednesday the Westpac Air rescue helicopter payed us a special visit. Sophie Gale was the lucky student whose name was drawn out to go for a helicopter ride. Thank-you to Port Campbell Surf Life Saving Club for nominating us for this very special treat.

- This Friday we will be having our show bag stall at Santa in the Street. Each year we also have a lucky dip comprised of items donated by our students and families. Thank-you to those families who have supported our lucky dip activity. All proceeds go towards supporting those students who might otherwise miss out on excursions.

- Our webpage has had a facelift. It can now be accessed through your mobile phone. Learn how to do this by going to: http://www.timboonp12.vic.edu.au/

- Please note that the 18th December will be our end of year award/celebration ceremonies. The P-6 celebration will be at 10:00 a.m. and 7-12 from 1:00 in the afternoon. Students must wear full school uniform at both events.

The school dress code (uniform) policy is set out by the school council. Another added expectation set out by school council is that all students have/use a Timboon P-12 School Bag by 2014. Large ($55.00) or Small ($45.00) bags can be purchased from the school office.

Confidence Thinking

Self-esteem is an important part of confidence. Having good self-esteem means accepting and feeling positive about yourself. Confidence is not just feeling good but also knowing you are good at something.

Particular ways of thinking are very important for building confidence. Helpful ways of thinking include:

- believing that, if you try, you can succeed
- finding positive ways to cope with failure that encourage having another go
- enjoying learning for its own sake by competing with your own performance rather than that of others.

How parents can help

Confidence improves through building on small successes. Parents, carers (and teaching staff) can help by:

- explaining to children that skills develop with practise
- encouraging children to persist when they don’t succeed straight away
- praising effort, persistence and improvement
- making sure that goals are achievable by breaking down large tasks or responsibilities into small steps
- being ready to help when necessary, without taking over.

And remember: “Believe you can and you’re halfway there”. Theodore Roosevelt

Movember Fundraiser

What a lot of moustaches appeared around Timboon P-12 last Friday! Thanks to everyone who supported the male teachers who were participating in Movember.

As a result over $600 will be donated to Peter’s Project. Congratulations everyone and a big well done to the teachers who put up with a month of extra growth on their faces.

After a very successful breeding program, Year 6 has some roosters for sale. There is a beautiful pure bred white leghorn rooster and a pure bred Isa Brown rooster. We also have some smaller mixed breed roosters. All are very quiet having been handled by the children since hatching. The price is a donation to TAP so that we can continue to keep poultry at school for the children to learn about and care for. Please enquire at the office.
