Congratulations to our Corangamite Youth Award winners for achieving recognition for their hard work and talents.

On the 12th November, next Monday, there will be a Remembrance Day Ceremony at the school starting at 10:30 a.m. All community members are most welcome.

I hope all community members have been enjoying the excellent media coverage of our Agriculture Project. Last week, Stock and Land had a two page spread written by former student Louise Preece.

If you have any concerns or issues that you wish to discuss with me please feel free to give me a call at school (55983381) or on my mobile (0407345324)

Email: timboon.p12@edumail.vic.gov.au

ASSISTANT PRINCIPAL REPORTS

Congratulations to our “Corangamite Youth Achievement Award” recipients! Timboon P-12 students took out 4 of the 10 Awards (see below). A total of 12 students were nominated and acknowledged on the evening. Another example of the high quality students and programs we have at Timboon P-12 School. Well done!

Year 7 Student John Halchenko- Alternative Sports (solo) Award

Year 12 Student Hannah McDonald- Visual Arts Award

Michelles Velocity- Music (Group) Award
Turning on the TAP - Launch of the Timboon Agriculture Project (TAP)
When: Wednesday 21st of November, 11:00am-2:00pm (launch 12:00pm)
Where: Giblett Pavilion (Agriculture Precinct)
See Flyer attached to the newsletter for further details!

Good Luck to Year 12 student Caitlin Ralph (pictured above) who will be taking part in the “Alternative To Schoolies program” This program is all about volunteering, humanitarian assistance and cultural exchange.
Ten year 12 students will travel to the Philippines with five supervising adults for three weeks after VCE exams are over. The program is organised by Mrs Geraldine Edar-Ralph; she is from the Philippines, and will take the students to places that tourists never get to see. Their time will be mostly spent at the Indungan Village on the island of Mindanao, where they will complete projects at the local school such as finishing the building of a library that was started last year, and stocking the library with shelves and books. They will teach the local children about Australia, and will take part in cultural activities with different classes. They will also meet and interact with the village community, and will learn what is like to live and survive in a part of the world suffering from poverty, lack of amenities, natural disasters and food shortages.
There will also be time to experience the culture and beauty of the Philippines; they will visit islands, isolated villages, beaches, cities and the jungle. They will see the endangered Philippine Eagle, and will visit the ancient Banaue rice terraces in the mountainous interior of the island of Luzon. The program is now in its third year, and has been well supported by generous donations from local service clubs, schools and community organisations. The SRC at Timboon P-12 has been very supportive of Caitlin’s involvement in the program, and she will be delivering lots of writing and drawing materials to the village school children because of their generous assistance.
Well done Caitlin, we are very proud of you!
An out of uniform day will held this Friday to help support Caitlin’s journey.

And remember: “Pride is a personal commitment. It is an attitude which separates excellence from mediocrity.” Anon

SEAN FITZPATRICK
ASSISTANT PRINCIPAL
My very humble apologies to all our families as I completely forgot to organise our long weekend head lice target weekend. I am aware that we currently have a few cases out in the community so I think we will aim to do the check this coming weekend. Notes will go home tomorrow. Once again I do apologise as it is far easier to do over a long weekend.

Our P-6 assembly was conducted today by the children in Prep L. They did an outstanding job and are to be congratulated for learning their part so enthusiastically.

Next week we will be sending our Year 3s off for their first camping experience. While this is a very exciting time it can also be a little overwhelming as children prepare for two nights away from families. If your child is experiencing any anxiety please notify your child’s teacher so that we can work through this together.

Finally, our 2013 planning is now well underway but we are still hearing of students who will be joining us and also moving on. If you have any information about transfers, either in or out of the school, for 2013 please give me a call.

ANDREA TAYLOR
ASSISTANT PRINCIPAL

SECOND-HAND UNIFORM SALE
The next second-hand uniform sale will be held on
9th November, 2012 (1:00pm-1:50pm in the SEU building)

Spotlight 4th Annual Student Design Award
After Toni-Mae Sutherland’s success last year with her violin dress, we now have four students entering this year’s ‘Spotlight 4th Annual Student Design Award’. Toni-Mae will again be entering a creative garment based on her South-African heritage, while Georgie Finch will be parading her graffiti–street art based outfit that has a feminine edge. Crystal Van Rijthoven has also entered the creative section with her dress based on the Black Saturday bushfires. Ahliya Harris in the junior section, has entered the Daywear/Casual section with her tribal inspired harem pants and top.
The parade will be held on Wednesday 14th November at 7:00pm at the City Memorial Bowls Club in Cramer Street. Tickets are $10 for adults, $5 for students and include a light supper. All proceeds go to South West Healthcare towards purchase of a microscopic reconstruction machine worth $145,000.

Turning on the TAP
Timboon P12 School invites you to the launch of

Timboon Agriculture Project

Wednesday 21st November, 2012
11:00am-2:00pm
The project will be launched at 12:00 noon
Timboon P-12 Agricultural Precinct, Giblett Pavilion

Come & see what the TAP is all about!
Join us for demonstrations and activities relating to agriculture and its place in our school curriculum.

What is the TAP?

Timboon Agriculture Project (TAP) draws on the expertise of the local agricultural community to support the education of our students.

In Science, Maths, Technology, Literacy, History, Geography, Commerce, The Arts and more, TAP is already providing unique perspectives and applied learning opportunities to students in Years 5-9. On farms, in agricultural businesses and on the school’s new agricultural precinct, the project will create opportunities for students in all Year Levels to underpin their learning with real-world experiences.

The first stage of the Timboon Agriculture Project is delivered in partnership with WestVic Dairy, and is supported by the Gardiner Foundation. Infrastructure development has been funded by a Federal Government Empowering Local Communities grant.
