Thankful for donation: Timboon Lions Club members Rod Loxley, David Gamble and Timboon P-12 student Aimee Hose with the new state-of-the-art equipment.

Timboon all ears

TIMBOON P-12 School students will benefit from a special device donated to the school.

Last Thursday, Timboon Lions Club members David Gamble and Rod Loxley presented the school with a field sound system designed to assist students with hearing difficulties to interact more effectively in the classroom.

Mr Gamble said the state-of-the-art system was provided by Lions Hearing Dogs Incorporated, a project of Lions Clubs Australia and Papua-New Guinea.

He was excited to be able to provide the equipment and looked forward to continuing to work with the school.

“While at the school I took the opportunity to meet with Anne Fraser, the teacher responsible, with a view to holding another Coins for Kids Day and a Lions Peace Poster competition at the school later in the year.”

Assistant principal Andrea Taylor said the equipment was already in use.

“It’s fantastic to receive the equipment, it’s something we wouldn’t have been able to buy without the Lions’ help,” she said.

“The equipment works in the classroom by amplifying the teachers voice in the room and all students will benefit.”
