**LA TROBE UNIVERSITY UPDATE** – La Trobe now operates two Colleges – the **College of Science, Health and Engineering**, and the **College of Arts, Social Science and Commerce**. Among other things, this model allows more opportunities to collaborate across disciplines.

La Trobe is commencing to teach **law in the JD** in 2016.
Work integrated learning is being used more often in the Arts, Social Science & Commerce College, with 22 subjects having this as part of the program. It is expected that this will continue expand.

Under the world QS Rankings for universities, La Trobe ranks sixth in Australia for history teaching, seventh for sociology and ninth for communications and media studies. La Trobe is also in the top 100 universities in the world in these areas. It is also in the top 200 in linguistics, agriculture, psychology, accounting and finance, education, law and politics. In the Times Higher Education rankings La Trobe is 75th in the world, up 25 on last year.

The Aspire program is running again this year- applications open on 1 June and close on 31 August. More details later.

SO YOU WANT TO STUDY ARCHITECTURE? If you want to become a fully qualified architect, you will need to study at university for five years. Architecture degrees are offered at Deakin (Geelong), University of Melbourne, Monash (Caulfield) and RMIT (City). You will usually commence with a three-year Bachelor of Architectural Design and then complete a two-year Master of Architecture. Deakin uses the ATAR at select students (currently around 70.00), Melbourne requires students to first complete the three-year B. Environments (selected on ATAR, currently around 85.00), Monash selects students on the basis of their ATAR, a supplementary form and interview, and RMIT selects on ATAR, an information kit and interview. Although the required ATAR for Monash and RMIT are not specified because they also use other selection criteria as well, the ATAR required is high.

An alternative qualification which you are encouraged to consider is the two-year Advanced Diploma of Building Design (Architectural) offered at several TAFE’s (eg Box Hill, Chisholm, Swinburne, RMIT). This qualification, while not qualifying you as an architect, gives graduates skills to work on designing quite major projects, up to three-stories high. Employment prospects are quite good.
