**PRINCIPAL’S REPORT**

- Here is a sneak peek of the new 7-12 campus:

- On the 16th September at 11:30am I will be presenting the re-build master plan to the school community. This session will be in the Library theatre and interested community members can see a copy of the proposed plan and ask questions about the building program.

- In next week’s newsletter I will be publishing more of the plans and also provide a link to the school web page which will have a copy of the latest designs and plans.

- The process to get to this point has been long and frustrating with reams of paperwork produced that nobody will ever read. Hopefully the end product will be worth the time and energy spent on the documentation associated with the re-building of our school.

- One thing that makes me feel so proud to be Principal of Timboon P-12 School is the way in which our community supports our school activities. The Year 3 and 4 arcade games attracted a huge attendance from family and friends. The TAP program runs on community goodwill and the willingness to accommodate our students and staff on field trips. To keep abreast with the many and varied TAP activities visit the TAP Blog at:
  
  [http://timboonagproject.weebly.com/tap-blog](http://timboonagproject.weebly.com/tap-blog)

- If you have any concerns or issues that you wish to discuss with me please feel free to give me a call at school (55983381) or on (0407345324)

**ASSISTANT PRINCIPAL REPORTS**

**Reports:** All Year 7-12 Interim reports will be distributed to students next week. Can I encourage all families to make the time to sit with your child and read through their report together. This is a great opportunity to reflect and set achievable goals for the second half of the year. Each individual subject report will specify your child’s:

- achieved AUSVELS level
- Subject achievements
- Areas that require improvement

Please note that school finishes at 2:30pm on Friday the 18th of September

On Kidsmatter Day we learnt what to do if your pants are on fire. - Heide
I liked the Relay for Life because I did heaps of laps. - Mason
I liked meeting Captain Koala. - Nathan
I really enjoyed Kidsmatter Day because I learnt new things, we spoke about things that related - Year 9

TAP into Excellence!
Once again Timboon P-12 & the TAP have been nominated for the Victorian Education Excellence Awards & have been shortlisted as one of the three finalists in the Outstanding School Achievement category. Today Les O’Rourke captured images & footage of several components of the TAP to prepare a video package to be screened at the Awards ceremony in October including the Year 6 chickens, Year 8 Camembert, Year 5 ducks & our lavender farm. Fingers crossed.

Learning from a Master - Apostle Whey Cheese
To conclude their studies of Camembert & cheese making the Year 8 Science students invited Julian Benson, from Apostle Whey Cheese, to Timboon P-12 to describe his career path & the reasons behind their decision to become cheese makers & create a niche business. Students were able to sample Julian’s award winning Camembert cheese which is sought after Australia wide & attracts tourists who traverse the Great Ocean Road on their holidays. We are very fortunate to have Julian’s expertise & support for the TAP in this region.

And remember: Failure will never overtake me if my determination to succeed is strong enough. - Og Mandino

SEAN FITZPATRICK
ASSISTANT PRINCIPAL (7-12)

We are now beginning the planning stages for class structures and child placements for the next year. While teachers take the utmost care when considering the placement of every child, using their understanding and experience we do offer parents the opportunity to share with us any extra considerations that you as parents are aware of that may impact on your child’s learning. While we do not have the ability to allow parents to request a teacher we do for example, consider things such as there may be neighbourhood issues that can cause distractions for children’s learning or there may be friendship concerns that
you would like to alert us to. If this is the case then you are able to notify me about these issues and we will bring them into consideration when planning our grades for 2016. Likewise, if you know that your family will not be attending Timboon P-12 School in 2016 we would greatly appreciate having this information as it will assist in our class planning process. Please contact me directly with your information either by phone or come in to see me before September 18th. Please note that for your request to be considered it must come through me directly not via teaching staff. Once this time passes our ability to consider your information is seriously impacted so please make sure you contact me in the next two weeks.

ANDREA TAYLOR
ASSISTANT PRINCIPAL (P-6)

The Final Countdown

Unit 3 and 4 exams commence in October, with English on 28th. Students will be receiving a copy of the Exam Navigator at the beginning of term 4, which includes the exam timetable, as well as Examination rules and procedures, approved materials.

Revision Workshops
Students will also be receiving a timetable for school support classes running during the September Break. Information on externally provided revision workshops is available as flyers in the Common Room and links on the School Website. The cost and location of these varies and while we do not recommend or endorse any particular provider, in the past students have found it helpful to attend these to supplement their revision program.

The house captains are still running the Bring, Collect, and Recycle Toothpaste. There will be a prize at the end of this competition! It will end in November. We need everyone who has empty toothpaste tubes or exhausted toothbrushes in their house to send them to school with their children, so it can be recycled! Thank you to everyone who has participated in this event so far. Your donations are really appreciated!

BRA COLLECTION FOR KENYA
I am collecting new/used bras to send to Kenya via a cousin who works in the travel industry. They are for the ladies who cannot afford their own, and they are less likely to be assaulted if they are wearing one. Sad, but true. Please leave at school office by the end of September, or just pass them onto me. My cousin will make sure they reach the right people. Thank you for all your support.
Anne Rosolin.

Camps, Sports & Excursions Fund (CSEF)

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund will ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities.

School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF will be provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. The allowance will be paid to the school to use towards expenses relating to camps, excursions, or sporting activities for the benefit of your child.

The annual CSEF amount per student will be:

- $125 for primary school students
- $225 for secondary school students

How to Apply

Contact the school office to obtain a CSEF application form or download from www.education.vic.gov.au/csef

Closing Date

Applications are open until the end of term three (18 September 2015).

For more information about the CSEF visit www.education.vic.gov.au/csef
