PRINCIPAL’S REPORT

- “TAP’s On” the 20th November. All families and community members are most welcome to come and learn about this program. We also have the students from Simpson andNullawarre coming to share their agriculture and environmental programs.
- Thank-you to the school community members who attended the Remembrance Day Ceremony. A big thank-you to Ray Smith for delivering an inspirational speech on volunteering, to Donald and Peter from the Warrnambool Pipe Band and the SRC for leading the ceremony.
- Over the next week, some parents will receive a letter outlining subjects that their child may fail if the necessary work requirements are not handed in. Please ring the school if you seek further clarification.
- School Council will be approving the recommended Architect for the building project this Thursday. A significant amount of work has also been going on in preparation for the removal of our disused buildings. I would like to thank Brett Wallace who has given up many of his work hours to support this process.
- We have numerous camps and activities happening over the last half of term 4. Sometimes finances can be stretched to breaking point. Please contact the school if you need to work out a payment plan.
- If you have any concerns or issues that you wish to discuss with me please feel free to give me a call at school (55983381) or on (0407345324).

Congratulations to: Our Milo T-20 cricket teams who competed with enthusiasm in Warrnambool this week.

Congratulations to: Ahliya Harris and Matthew Atherton who have taken out awards for their Distance Education, second language studies.

A note from the Finance Manager: On September 4th a direct deposit was made into the school account without any family name as an identifier – the only identifier was “SCHOOL FEES”. Please contact Nicki ASAP to rectify this – Thank you

TSPA will be running a BBQ at TAP’s On! 20th November

ASSISTANT PRINCIPAL REPORTS

Key dates:

- Year 7-10 formal classes conclude on Friday the 12th December
- Activities Year 7-9, December 15-17

Congratulations: Year 10 students Ahliya Harris and Matthew Atherton who both achieved Distance Education (Victorian School of Languages) Awards this week. Ahliya achieved an Academic Award for her studies in Indonesian Language and Matthew achieved the Best Effort Award for his studies in the German Language. There are a number of students that access Language Studies through the Distance Education system.
Welcome to our Year 9 Exchange students: This week we welcomed 5 Year 9 students from University High School in Melbourne (pictured below). This is an experience to provide students with a Country and Urban experience. The students will be out exploring some local landmarks and features during the week. Next week we will have 5 of our students visiting Melbourne.

Claudia, Sophie, William, Stefan & Niamh

TAP and PRIMARY SCIENCE
Last Wednesday both the Prep students and Year 4 classes had TAP presenters visiting their science classes. As part of their geology unit ‘Beneath our Feet’ the Year 4 students welcomed Alex Goudy from DEPI to talk about the composition of soil and its use in our area and Robbie Leishmann who talked about the development of the Heytesbury settlement.

The Prep students were able to get up close and personal with a Claas 656 Tractor (thanks to Stewart Rundle) and a Caterpillar 12M grader (thanks to the Corangamite Shire and Mick Harrison). For their science unit ‘On the Move’ they watched the different parts on these large machines move up, down, around and even tilting. Then, excitingly, they were able to take hold of the controls to make some parts move (safely!).

7 DAYS TO GO!!!
Our Annual TAP’s On Day next Thursday! We hope to see you there!

And remember: “Success seems to be connected with action. Successful people keep moving. They make mistakes, but they don’t quit.” Conrad Hilton

SEAN FITZPATRICK
ASSISTANT PRINCIPAL (7-12)

Snowy River Students
This is an update from the 6 students at the Snowy River School for Student Leadership (Amy Inglis, Euan McGuire, Josh Brittain, Laura Rosolin, Niamh Denny and Will McKenzie.) We have been here for 3 weeks now and we’re all having a ball. We all have made some really good friends and progressed in our CLP (community learning project).

We have had such a busy schedule. We have an upcoming expo, we have gone on a half day bike ride into Marlo and back (16km), done one surfing class, we’ve successfully built a bridge, had thinking and learning classes, presentation skills and peer skills. We are in an expo team with Braybrook.

Yours sincerely
Timboon team 😊
TSPA MINI MINUTES
DEB BALL 2015: We thank the parents who have taken up duty folders to help make this event run smoothly. The only exceptions will be others returning/starting at Timboon in 2015 who have not had the opportunity to be involved in the preliminary meetings. The next meeting will be on November 26th at 7.30pm at the admin building. Please bring folders for discussion. Thank you. We have 10 boys and 8 girls, so Tspa will discuss the options at our next meeting. Deb parents are welcome to attend if they have any ideas to put forward. We have an exchange student from Italy arriving first term next year for 4 months and will be in year 11, so will have the option to do the deb. I am working on communications with her at this point.

TAP’s On! 2014: Thursday 20th November. We will provide the BBQ lunch for this day and the café will be selling the slices and cakes. Helpers welcome.

ELECTION DAY BBQ: Saturday, 29th November. We will be running a BBQ and are able to have a produce stall as well, which can include fresh veg and fruit and cooked items. All cooked items must be labelled with ingredient list and use by date. Donations welcome and can be left at the office on Friday the 28th November, if it’s suitably wrapped.

Next Meeting: TBA
Anne Rosolin (secretary) mob 0409029464 or tspa@live.com.au

LIBRARY NEWS

Our **BUY ONE GET ONE FREE** Book Fair begins next Monday 10/11/14 and runs until Friday 21/11/14. This is a great opportunity to get some early Christmas shopping done. For each book purchased, the buyer is entitled to another book, up to the same value for free.

THE SOUTHERN CROSS SUMMER READING CHALLENGE

**Did you know that when students don’t read over the long summer break they are likely to fall behind when they return to school in the New Year?**

Make a priority to keep students’ minds sharp and active. Encourage them to read for at least 10 minutes every day during the holidays.

A proven way to keep students reading over summer is participation in a summer reading program.

This challenge has prizes for schools and students who register. Weekly prize money is drawn throughout the challenge.

Students can register in the library and all students who register. Weekly prize money is drawn throughout the challenge.

Thank you to all families who have supported READING throughout the year. Our students are borrowing and reading more than ever before.

Happy reading

REACHING FOR THE STARS

WEEK 7 (17th – 21st November)
Mon 17th Peta Williams  Volunteer Required
Tues 18th Donna Bedggood
Wed 19th Katie Millard
Thurs 20th Carissa Bosuen  Naomi Lewis
Fri 21st Janice Lindsay  Cherie Mungean
(12:00 – 2:00pm Monique Fitzpatrick)

WEEK 8 (24th – 28th November)
Mon 24th
Tues 25th Katrina Currell  Volunteer Required
Wed 26th Sharyn Ferguson  Volunteer Required
Thurs 27th Steph Delaney  Susan Van Rijthoven
Fri 28th Bronwyn Lenehan  Volunteer Required
(12:00 – 2:00pm Sue Trotter)

- Program starts at 1 pm sharp

Contact Brooke Barnwell
Junior Coordinator on 0438 580 419 or ajandrebrooke@bigpond.com

New families welcome to come and try out on the day

To all parents
Are you interested in getting your Bronze Medallion?

We’re looking for parents who are keen to help out with Nippers and learn rescue techniques, basic first aid and surf awareness.

We need more parent volunteers with their Bronze Medallion and this is a great chance to get involved and help deliver a quality Nippers program.

You can volunteer as little or as much as you like.

This year we’re holding an intensive Bronze training course over one weekend in late November/early December, with assessment the following weekend. To register your interest and find out more contact James Green on 0418 829 201.

TAP's On!
Timboon P-12 invites you to our curriculum showcase

Timboon Agriculture Project

Thursday 20th November, 2014
10:30am-3:00pm
Timboon P-12 Agriculture Precinct, Giblett Pavilion

Come & participate in the TAP!
Join us for demonstrations and activities relating to agriculture & TAP curriculum that is taking place in our local schools.
- Peer led activities based on curriculum developed in the classrooms.
- Master class sessions with local chefs @ 11:30am & 1:00pm.

What is the TAP?
The TAP is a partnership between Timboon P-12 School and West Vic Dairy, Dairy Australia's regional development program for western Victoria.
This partnership is financially supported by the National Centre for Dairy Education Australia (2014-2015) and the Foundation for Rural and Regional Renewal.

The TAP integrates agriculture into the curriculum delivered at all levels of the school to:
- Support student learning, particularly in maths and science, and to increase applied learning opportunities;
- Increase student awareness of, preparation for and interest in agricultural educational pathways and careers;
- Increase the school’s engagement with the local community and;
- Improve retention levels of students at secondary level, and increase the attraction for school leavers to remain in or return to the district.
