  Friday 22 April 2016 at 11.00am – 12 noon • Shrine of Remembrance, Melbourne

• Commemorate the 100th anniversary of WWI at Melbourne Camp Gallipoli

Camp Gallipoli encourages young Australians to commemorate the 100th anniversary of the First World War through overnight camp-out experiences on Anzac Day Eve. The Melbourne Camp Gallipoli event will be held at the Melbourne Showgrounds on Sunday 24 April 2016 from 4pm. Almost 1000 pre-paid places have already been secured for students and accompanying staff from government secondary schools. Principals should contact Camp Gallipoli directly to secure their places before 21 April. Sleeping bags and camping equipment are to be supplied by students/schools (tents are not permitted). To secure places for your school, contact: 2016@campgallipoli.com.au or 1300 951 951 by 21 April.

• School Curriculum Day (Development of New Victorian Curriculum) next Friday 22nd April. This is a student free day.

• On Saturday the 30th April we will be holding a ‘Hard Rubbish Sale’ on the school tennis courts from 9:00am-12:00pm. The items up for grabs will feature old and excess school furniture.

• Update on School Buildings progress: On the final day of term 1, a lengthy meeting was held with Patrick Architects. During this meeting the design and development stage was finalised and has since been approved. We now move into the next phase of the building process which will be the tender process which is scheduled now to be achieved by June 2016.

• This weekend we have a total of eight Year 9 students heading off to the Alpine Leadership School for 3 weeks followed by a 6 week trip to China at Utahloy International School, Zheng Chen Campus. At the core, the Victorian Young Leaders to China Program is about students developing capabilities for modern ways of living, thinking and working. This includes global knowledge, intercultural understanding and developing thinking and relationship skills for engaging in a global context such as collaboration, communication and linguistic ability. Students will participate in a rich learning program that will help them develop and demonstrate leadership skills, and to empower them to make an active contribution to their schools and communities as young leaders. The selected students are very lucky to be part of this once in a lifetime opportunity. We wish them a safe and enjoyable trip.

Applications for the prospective Year 8 students participating in next year’s School Leadership Program will be processed in the coming months.

You will have to adapt to unfamiliar and different surroundings and ways of life that are different from home.

For some this will be the first extended period of separation from their family. This will bring about many trials and tribulations which you will need to overcome and by so doing develop many "survival skills".

During your exchange your board and accommodation are provided by host families, under the direction of Rotary International.

Rotary Youth Exchange offers the chance to be a part of either a short or a long term experience.

A big thank you to all the families who have paid their ‘Essential Education Item Levy’ to date. We appreciate your prompt support.

A reminder to families: if you would like to organise a payment plan you can do so by contacting the general office.

Welcome back for Term 2. I hope that everyone has had a relaxing break and is ready for another term full of learning, opportunities and extra-curricular activities. Interim reports will be finalised and posted home next week. This is good time to reflect on your performance in Term 1 and set some goals to make improvements during semester one to ensure the most successful start to the year.

The English staff has created a term calendar highlighting the topics of work that will be completed in the classroom and a record of the homework required throughout the term. Parents will receive a copy of your child’s English calendar with their interim report. Please keep it in a handy place where you can regularly check in with what is happening in the classroom and what is required at home.

Students in Years 7 & 9 will undertake the NAPLAN tests in week 5 of the term. More information will be sent home to all parents explaining the process. Please feel free to contact me at school if you have any questions or concerns regarding NAPLAN.

Late last term our Year 7 students went on an amazing, challenging and fun camp which was thoroughly enjoyed by all. Thanks to Lisa Kenisit, Melissa McKenzie, Nigel Mottram and Dean Whitehead for supporting the students.

Also late last term our Year 9 students undertook 2 days of training in the BRICKS program. Thanks to Anne Hegarty, Jamie Mackieson, Amanda Nash (Timboon and District Healthcare) and Angela Gowans (Youth Development Officer, Corangamite Shire) for supporting the students. The program aims to empower the student with skills and strategies to cope resiliently with life’s successes and challenges. This is a great program that is delivered to all Year 9 students within the Corangamite Shire – Building Resilience In Corangamite Kids.

Welcome back for Term 2. Already our calendar is filling with loads of learning opportunities and events. Please take a moment to pop the calendar for Term 2 on the fridge so that you don’t miss anything.

Supervision for teachers begins 15 minutes prior to the start of the day’s classes. This means that our duty of care commences at this time. If you are dropping your child in the school grounds prior to this time, they are unsupervised and deemed to be your responsibility in the event of an accident. While most staff are here on site well before this time, they are not officially responsible for supervision. Please make sure you are not having students arrive on site early.

The annual NAPLAN test week will be during week 5 of this term. Students in Years 3, 5, 7 and 9 are all involved in this process. Notes will shortly be distributed with information for parents. You are most welcome to pop in and chat with either me or Mr Fitzpatrick if you have any queries about this process as this event approaches.

Once again I would ask parents to NAME jumpers – the lost property is starting to overflow. Over the next weeks I will be sending out notes to parents to help with suggestions for items that do not currently meet our uniform policy. It is hoped that you will be understanding and supportive of our School’s Uniform Policy.

Thanks to everyone for their support of our “Sun-smart Policy”; as of 1st May hats can go away and will be required again on September 1st.

Timboon P-12 School is proudly part of the Stephanie Alexander Kitchen Garden Program. This is our 4\textsuperscript{th} year of participation and production. Each year the students within their classrooms learn about the garden and keep a patch of earth at school. We now have 2 garden areas which are quite productive.

We would like the produce to be shared with all of the students at Timboon P-12 School. Each week the students from Years 4 & 5 will work in the kitchen to produce a yummy menu item for sale at the canteen.

Next Thursday students and staff will be able to purchase a Stephanie Alexander Kitchen Garden meal at the canteen. To ensure that we sufficiently cater to all students who would like a yummy lunch, we need students to order and pre-pay. Meal to be collected from the canteen on Thursday 21\textsuperscript{st} by the student.

Please return the order slip with payment to the canteen by Tuesday 19\textsuperscript{th} April
