Welcome back to Term 3. We welcome Kayleen Deppeler, Jamie and Sarah Mackieson back to the school.

At the end of this term I will be taking long service leave so that I can go and visit my first grandchild who lives in England (Madeline Moorfield). Sean Fitzpatrick will be Acting Principal for term 4.

At the end of this week we have six Year 9 students heading off to the School for Student Leadership at Dinner Plain. We wish them a great adventure. They will be there all term, learning about leadership and life in the snow.

If you follow our Facebook page, you will see lots of photos of the students who are currently in Japan with Mr Horne and Mrs Partridge. They are doing and learning so much. They also reached celebrity status on their visit to our sister school, Kansai Soka High School.

Timboon Action, Timboon and District Healthcare Service and the school have combined to develop a Youth Centre. The centre is located at the school pavilion and will open on Wednesday after school. There will be adult supervision at all times and the centre is open to children over 12 years of age. Thank-you to Charlene Payne, Nicole and Brent O’Berin and Jeff Bedggood for supporting our students in the development of this centre.

If you have any concerns or issues that you wish to discuss with me please feel free to give me a call at school (55983381) or on (0407345324)

Congratulations to: Suzanna Ryan who is competing at the State Cross Country in Bundoora today.

**Assistant Principal Reports**

A warm welcome back to an important term 3. We have begun this term in a very positive way. There are many events that take place over the course of this term including the VCE/VCAL/VET information Evening, Year 10 urban camp & work experience and Kidsmatter Day A huge congratulations to all of the staff and students involved in the overseas study tour to Japan. I know speaking to staff and students of their experiences, the common reflection seems to be a better understanding of the different cultures they experience as well as new found appreciation of the fortunate life to which we live. (Check out our school facebook (via the school website) page to see all of the photos).

VCE/VCAL/VET information Evening: Will be held on Wednesday the 12th of August at 7:00pm. This evening is aimed at all Year 10 & 11 students in their transition to the final years of their Secondary education. Students and parents are expected attend this very important evening.

**Wednesday 2nd September**

We believe a Kidsmatter Day strengthens our School Kidsmatter journey and our whole school approach to raising awareness of good health & wellbeing. Students will again workshop through a range of health and wellbeing activities on Wednesday 2nd September (see flyer attached).

Some of these workshops/activities include:

- A Relay for Life walk on the oval (for all school community members), Power to Persist (Building resilience and leadership), Spin Chat (understanding people with disabilities), Bush Dancing, Timboon Healthcare, Cyberbullying, drug & alcohol education, self-defence, and much much more.

**Book it in your calendar!**
The dangers of e-cigarettes and the potential impact on communities:
The Therapeutic Goods Administration site states the following: “The Australian Government is concerned about the use of electronic cigarettes in Australia. The impact of wide scale use of these devices on tobacco use is not known, and the outcome in the community could be harmful.”
Concerns have been expressed about the impact that e-cigarettes may have on the wider community, including:
- Some flavours may appeal to children.
- They may become a gateway to smoking or to nicotine addiction to new smokers, particularly among children and young people.
- They may undermine the comprehensive indoor smoking restrictions and smoke-free air policies.
- They may delay a smoker’s decision to quit.
Other concerns relate to the involvement of tobacco companies in the e-cigarette market and there is growing concern that “Big Tobacco” will have a renewed presence in a declining marketplace.

The Rural Youth Ambassadors program was initiated in 2011 by the Country Education Partnership and involves up to 20 young people from across rural Victoria each year. The Youth Ambassadors program has been developed to provide CEP, education sectors, rural communities and governments a “rural youth voice”, especially in relation to the provision of learning in rural and remote Victoria. It is also focused on the development of leadership skills and knowledge of young people within these communities. This week Year 11 student Tyson Prout is participating in the program.

Welcome back to term three. The term of mud, colds, lost jumpers and of course great learning!
Our students are expected to make sensible choices about where and what they play while they are at school. This term is always one that tests their developing common sense, with so many potential tempting mud and slide areas around our yard. While teachers make suggestions and discuss suitable activities we do find, from time to time, that some students require stricter boundaries such as “No grass areas” to help them remain classroom ready. If, by chance, your child makes a choice that impacts on their ability to work in a classroom then you can expect a phone call asking you to bring up a change of clothes. During severe weather conditions we supervise students inside over play and lunch times rather than exposing them to the cold conditions. However, on most days outside play is possible. It does make for lots of misplaced jumpers though, as students are warm inside and colder out. PLEASE make sure your child’s jumper is CLEARLY NAMED.

Previously our school had funding for a welfare support person who worked for a day a week with students in our primary school area. When we lost this funding we were unable to continue with the role that Mrs Vogels had been doing. The loss of this extra layer of support for our students has been felt in many ways over this last year. However, I am happy to announce that a new welfare and wellbeing support program is on its way. This weekend our school library will be a hub of activity as we run the first training day for mentors, who will become part of a program to support Prep to grade 6 students. The program is run by World Vision Australia and is known as ‘Kids Hope-Australia’. The program works on the premise that by enriching children’s early life experiences, we can make a significant impact on their future health and wellbeing. Through links with a community mentor our students will be able to develop strong support networks to help them develop resilience and self-esteem. More information about this program will follow but if you are interested in knowing more please give me a call here at school.

And remember: “Learning never goes out of style.”- Anon.

SEAN FITZPATRICK
ASSISTANT PRINCIPAL (7-12)

Our Year 8 Science class begins the Camembert in Classroom initiative next week. The major objective of the program is to introduce secondary school students to dairy manufacturing career and pathways. The project has four main stages: a) teachers trained to make Camembert Cheese; b) teachers train secondary school students to make Camembert Cheese; c) Cheeses are judged by an expert cheese judge; and d) the best cheeses are awarded prizes at a gala presentation day.

ANDREA TAYLOR
ASSISTANT PRINCIPAL (P-6)
Year 12 Parents and Students Information Evening.
Wednesday 22 July
7:30 pm Library Theatre

The aim of this evening is to supplement information and the support given at school to Year 12 students related to the pathway through the rest of Year 12 and choices students will face for 2016.

Visiting speakers:
- South West TAFE
- Deakin University

Some topics to be covered on the night
- Application process
- The role of VTAC
- Commonwealth Supported Places (CSP) and the payment options
- Scholarship and equity information
- Residential accommodation - how to apply
- The process of first round offers / deferrals / results

Other information will include
- GAP year thoughts
- The employment pathway
- The timeline to the end of the year – key dates, last day details, exams, formal, awards night.

JULIE NICHOLSON

TERACYCLE RECYCLING COMPETITION
The students of Year 6 are encouraging the school to take care of the environment through recycling waste products. We would like to be involved in a competition designed to promote recycling of Toothpaste tubes.
Colgate will award $1000 to the school which collects the most oral waste care products. They will then forward the products to Teracycle who can provide a second life for these products.

Products include:
- Toothbrushes
- Toothpaste tubes
- Toothpaste caps
- Floss containers

They can be any brand.
Every year in Australia and New Zealand, over 30 million toothbrushes and 80 million toothpaste tubes are thrown away. Together we can help reduce the impact on the environment by recycling these materials.

Year 6 House captains

Why undertake further education?
Attending university or another tertiary institution is a great life choice. It leads to an increase in earning capacity and provides extensive career and self-development opportunities. It is a time to meet many new people and further studies can help students secure their dream job.

OPEN DAYS: One of the best ways to get a feel for a campus is to attend university open days. These events are usually held during August and enable you to talk to lecturers, past and current students, tour the campus, check out facilities and get a much better feel for a university.
To make the most of open days:
- Go to a number of open days, to get the feel for different campuses
- Visit the teaching and learning facilities for courses you may be interested in.
- Find out about general student services available.
- Visit the residential accommodation.
- Talk to academic staff and current students about the courses (types of assessment, contact hours) as well as university life.
- Starting visiting Open Days during year 10 and 11 is a great idea – a great way to assist in decision making and goal setting, before the pressure of time in Year 12.

Keep your eye open for articles in newspapers as well as our Newsletter, the Careers Newsletter supplement as well as our webpage for details and links.

- Sun 2 Aug – Deakin (Warnambool); Monash (Geelong & Clayton); Swinburne (Hawthorn)
- Sun 9 Aug – Australian Catholic University (ACU) (Fitzroy); Deakin (Geelong campuses); La Trobe (Bundoora); RMIT; William Angliss Institute
- Sun 16 Aug – Melbourne; Monash (Parkville – Pharmacy); La Trobe (Bendigo)
- Sun 23 Aug
  - Box Hill Institute; Deakin & MIBT, Victoria (Footscray)
  - Sun 30 Aug – ACU (Ballarat); Federation (Ballarat & Gippsland)

Wood and black cast-iron single bed and decent mattress. Includes new marble doona cover set $70
PHONE: 0411 791 946 (call between 11am – 3pm)

FLAT TO RENT: - One bedroom fully furnished flat in Timboon, power and water paid.
PHONE: 5598 3864 or 0407 044 089

SECOND-HAND UNIFORM SALE
The next second-hand uniform sale will be held on Tuesday 21st July and Tuesday 18th August (1pm in the SEU building).
For enquiries please call Susan: 5598 3358.

TERM BUS NOTES: Please update weekly bus notes for Term 3. Thank you

For Primary Art room
WOOL WANTED, WOOL WANTED....
Scraps, lengths or balls of wool.
Any thickness, any colour, any amount.
Needed for some wonderful work with wool coming soon to the Art Room!
Thanks – Lee McLeod and Ann Hegarty
SUSTAINABULLETIN
Late last month Kermit and the student Green Team organised a Powerdown day at school. It was a free-dress day in order for our students to keep warm and there were some great outfits worn. Many students tasted the wonderful wood-fired pizza or used pedal-power to make their own banana smoothie in the Caf. Some of the office staff even brought out the old typewriters as a reminder of what we used before computers. Mr Venn and Mrs McMeel even used an old-style bell to signal the change of class. A big thanks to the students who got into the spirit of things, and also to the teachers who prepared lessons which enabled the students to engage in discussions about sustainability.
Well done everyone who got involved – remember that it is easy to be green.
DENISE MURRAY

For sale at the CAF
New Timboon P-12 scarves $15.00
Beanies $13.00

CANTEEN NEWS

CANTEEN ROSTER
WEEK 2 (20th-24th July)
Mon 20th Christie Berry Prue Cashmore
Tues 21st Tanya Delaney
Wed 22nd Beth Roberts
Thurs 23rd Steph Delaney Rebeca McAuliffe
Fri 24th Corinne Beames Melinda Drysdale
(12:00 – 2:00pm VOLUNTEER REQUIRED)

WEEK 3 (27th-31st July)
Mon 27th Michelle Fowler Melissa Cardwell
Tues 28th April Janssen Kim Smith
Wed 29th Jodie Couch Angelique Cangelis
Thurs 30th Susan Van Rijthoven Volunteer required
Fri 31st Bronwyn Lenehan Joy Morden
(12:00 – 2:00pm Monique Fitzpatrick)

If anyone can volunteer in the blank time slots above it would be appreciated.

Pekin Drakes Available
In March year five students successfully hatched three lovely Pekin ducklings and have learnt a great deal about raising them. As they have grown they have provided an endless source of data for mathematical analysis and learning. Unfortunately, now nearing four and a half months old, we have confirmed they are all drakes. As such they are surplus to needs.
Anyone wanting one, two or all three and willing to make a donation to the year five TAP program, please contact the office. We would also willingly swap two for a female so we had an egg layer and the chance to have fertilised eggs.
If you are looking for snail consumers, breeding or dinner please contact the office. Thank you from year five students and teachers.

PARENT CLUB NEWS

T.S.P.A. meeting @11.30 am Monday 20th July.
ALL WELCOME
Youth Drop-In Centre

A community initiative between Timboon Action, Timboon P-12 and Timboon District Healthcare Services – a youth drop-in centre will be open from 1st week back in Term 3.

Location: Pavillion, Timboon P-12
Date: Wednesday afternoons
Time: 3.30pm – 5.30pm
Age: 12 years and up

If successful another night may be made available.
If you have any questions please contact Charlene Payne, President Timboon Action on 55 98 72 54.

Fishtales Cafe in Warrnambool are generously hosting one of Bundi’s famous Curry nights to support the PR Open Heart Appeal

Monday 24th August
7pm
$35/head

Normal menu still available for those who would prefer it.

Bookings are essential as places are limited.

To book your place/s contact:
Sam Johnston mobile: 0408542976
Lauren King mobile: 0437628516
Dianne Brown mobile: 047650254

or if you live in Port Campbell/Timboon bookings can also be made via Amanda Nash mobile: 0418556640

Donations can be made at Westpac branches or online by direct deposit: PR Open Heart Appeal BSB: 033217 Account number: 216516

TDHS Diabetes Week Expo

National Diabetes Week is an annual week to raise awareness of diabetes, its seriousness and its complications.

Join us on Wednesday 15th July at TDHS @2pm

280 AUSTRALIANS DEVELOP DIABETES EVERY DAY.
You don’t have to be old. You don’t have to be overweight. Around 1.7 million Australians have diabetes. This includes all types of diagnosed diabetes as well as silent, undiagnosed type 2 diabetes.

Diabetes is a growing epidemic and a silent killer. You will have to spend the rest of your life managing your diabetes 24/7 and are at high risk of heart disease, kidney failure, stroke, amputation and blindness.

The good news is well-managed diabetes will improve your outcomes.

Now, what do you need to know?

Special guest speaker: Ann Morris.

Ann has been working in diabetes care since 1976, she is a founding member and honorary life member of the Australian Diabetes Educators Association. Ann was awarded the IDMF Australian Diabetes Educator of the Year award in 2012, and has presented at conferences both locally and internationally. Ann will be presenting on ‘Advances in medications in the treatment of diabetes’.

Afternoon Tea will be provided
RSVP by Monday 13th July 2015

ENGAGING ADOLESCENTS

A 3 week program for parents of 12 - 15 year olds
Expressions of Interest are now being taken

Engaging Adolescents will:
• Help parents understand and cope better with the challenges of early adolescence
• Provide parents with information and skills for developing and maintaining trusting, positive relationships with their young adolescents.
• During sessions parents have the opportunity to discuss family life with teenagers

Normal phases and behaviour
Sorting out behaviours
PASTA strategy for teenagers
Communication

Cost: FREE

Date:
Thursdays:
13th, 20th, 27th
August, 2015

3 Week Program:
Time:
6.30 – 8.30pm
Venue: Canecards
142 Tamer St
