Welcome back to Term 3. We welcome Tamara Haugh to the school. Tamara is replacing Heather Currell in the home economics and textiles area. We also welcome Jessie Gaut, who has taken on an educational support role this term.

Sean Fitzpatrick is on long service leave for the term and Matthew Haugh will be Acting Assistant Principal in the 7-12 campus. Please contact Matthew if you have any concerns.

A very important community consultation meeting for our school rebuild will be held on Monday 21st July at 7:30 in the Library. Concepts, ideas and proposals can be presented at this meeting. Remember, this is your school, your contribution and ideas are valued.

Congratulations to Kayleen Deppeler and her support team for enabling our students to undertake the Vietnam Study Tour. The Facebook page of our students in action in Vietnam really highlighted the benefits of this program.

All children in P-6 must have a signed consent form in order to do Religious Education instruction. If you have not completed a form please do so as soon as possible. Copies of the form are available on the web page. Please remember, no form, no instruction.

If you have any concerns or issues that you wish to discuss with me please feel free to give me a call at school (55983381) or on (0407345324)

Rosalie Moorfield
Principal

Congratulations to Dean Whitehead on achieving 200 games of football.

Cybersmart Workshops: We are pleased to announce that we have secured The Australian Communications and Media Authority (the ACMA) to deliver a series of Cybersafety workshops to our school community on **Wednesday July 23rd**. Presentations will provide valuable information about the risks confronting children online, and offer tools and tips to help make their internet experiences safe and positive.

Internet safety presentations cover topics including:
- the ways children use the internet and emerging technologies
- potential risks for children online, such as cyberbullying, illegal content, inappropriate contact, identity theft, grooming and predatory activity
- tips to help children stay safe online.

The presentations will be conducted by an accredited Cybersmart trainer. A variety of sessions will be held during the day for both staff and students. There will also be a presentation for parents between 10:00 and 11:00am. All presentations will be held in the hall. We encourage you to attend, if possible. Please refer to the letter attached to this week’s newsletter for further information.
Correct school uniform

The school dress code (uniform) policy is set out by the school council. If you require further clarification or support regarding the uniform policy please contact me at the school on Ph: 55983381

MATT HAUGH
ACTING ASSISTANT PRINCIPAL (7-12)

Welcome back to term three. The term of mud, colds, lost jumpers and of course great learning!

Our students are expected to make sensible choices about where and what they play while they are at school. This term is always one that tests their developing common sense, with so many potential tempting mud and slide areas around our yard. While teachers make suggestions and discuss suitable activities we do find, from time to time, that some students require stricter boundaries such as “No grass areas” to help them remain classroom ready. If, by chance, your child makes a choice that impacts on their ability to work in a classroom then you can expect a phone call asking you to bring up a change of clothes. Over the holidays we had a number of trees removed following damage from the strong winds. During severe weather conditions we supervise students inside over play and lunch times rather than exposing them to the cold conditions. However, on most days outside play is possible. It does make for lots of misplaced jumpers though, as students are warm inside and colder out. PLEASE make sure your child’s jumper is CLEARLY NAMED.

We are still waiting on many families to sign up for the Religious Instruction Program that is offered in our school by Access Ministries and the local Catholic Parish. I will wait until next Tuesday and then use the available information to make a decision about the continuance of this program here at Timboon. Prior to the Government changes to this program we had 89% of our primary students choosing to take part. This decision was made when filling out your enrolment pack. With the changes in Government policy it is now a requirement that parents opt in to the program each year. At this stage just 60% of children have returned forms indicating they will continue in the program. If you have yet to fill in your form but intend to please do so (using the form on this newsletter or on the school web page) and return it so school by Monday 21st July.

We have needed to make adjustments to our staff profile due to illness and long service leave. For this term Mr Haugh will be acting Assistant Principal 7-12 and over in the high school area. Our P-6 PE and music will be taken by Mrs Sally Partridge and our 3-6 Art will be taken by Mr Charlie Packett and our oral language program is now being supported Miss Jessica Gaut. We wish our staff speedy recoveries and happy vacations as the case may be.

ANDREA TAYLOR
ASSISTANT PRINCIPAL

Friday Night Rock Climbing.

We will be running several Friday night indoor rock climbing trips during Term 3 as we have done in previous years. The cost will be a minimum covering a school discounted entry to “The Rock” indoor rock climbing centre in Geelong and 20 seater bus hire. The school can supply harnesses and may be able to supply climbing shoes, depending on size. Last year the cost was $35 per person. It may be possible for parent volunteers, particularly females, to come as a member of staff.

These are trips for students who enjoyed the rock climbing on the year 9 camps and would like to do more. These trips were originally an extension to our year 9 program but they are in no way compulsory. Other students and/or parents who would like to try indoor rock climbing are encouraged to come along and would be welcome. Younger students would need to come with an older sibling or parent who is prepared to belay them. Places are limited on the bus so it will be first in best dressed.

The bus will leave Timboon as soon as practical after the school buses about 3:40 pm. We will stop at Waurn Ponds where a variety of takeaway franchises are available for an early tea. We climb from about 6 to 8:30 pm, and return to Timboon about 10:30 pm. The proposed dates at this stage are:

- Friday 25th of July
- Friday 8th of August
- Friday 22nd of August
- Friday 12th of September Bouldering Competition?

Please give your name to Mr Graesser if you are interested.

Vietnam Study Tour 2014

What an amazing experience it was! We would like to invite all participants and their families and any other interested people to come and view the great photos, and relive moments of the trip. You are invited to come to the Library Theatre at 4pm on Wednesday 23rd July. Looking forward to getting our group back together! – Kayleen Deppeler

Dear Parent,

Internet safety presentation helps children stay safe online

Young people today are immersed in digital technologies. They use the internet and mobile phones to socialise, study, exchange ideas and play. While online activity has many benefits, there are also risks.

To help your children stay safe online, Timboon P-12 School is hosting a Cybersmart Outreach—Internet Safety Awareness presentation. Designed for parents, teachers and students, this presentation is provided by the Australian Communications and Media Authority (the ACMA) as part of a national program of cybersmart initiatives.

The Cybersmart Outreach—Internet Safety Awareness presentation is thorough and non-technical. It covers a range of issues including:

- the ways children use the internet and emerging technologies
- potential risks for children online, such as cyberbullying, identity theft, inappropriate contact and exposure to inappropriate content
- tips to help children stay safe online.

The presentation is conducted by an ACMA Cybersmart trainer and is free of charge.

Timboon P-12 School is committed to helping students develop appropriate behaviours when using digital technologies, both at school and home.

The Cybersmart Outreach—Internet Safety Awareness presentation will be held in the School Hall on Wednesday 23rd July, between 10:00 -11:00am.

To register your attendance, please return the following form to school as soon as possible. You can also register on the day.

Regards,

Matt Haugh

-----------------------------------------------------------------------------------------------

Attention: Matt Haugh
I will be attending the Internet Safety presentation on Wednesday 23rd July (10-11am).
