**PRINCIPAL’S REPORT**

- Well done to the Cows Create Careers team who took out top honours this year. A fantastic effort by all the students, Gemma Dennis and Fiona Allan their teachers, Peter Fulton who supplied the calves and Simone Renyard who organised the program. To see some of the videos that took out awards, visit the school facebook page.
- Reports are being produced and will go home with P-6 students next Tuesday with their interview times. 7-12 Reports will be distributed next Friday.
- Make sure your child is well rugged up for next Thursday. We are having ‘power off’ day to promote a greater understanding of our reliance on electricity and gas. Hopefully this will develop a greater awareness of energy conservation strategies. All staff and the canteen are participating in this day so alternate ways of doing things will be explored.
- If you have any concerns or issues that you wish to discuss with me please feel free to give me a call at school (5598 3381) or on (0407 345 324).

ROSALIE MOORFIELD
PRINCIPAL

**ASSISTANT PRINCIPAL REPORTS**

Reports: All Year 7-12 Mid-year reports will be distributed to students next week. Can I encourage all families to make the time to sit with your child and read through their report together. This is a great opportunity to reflect and set achievable goals for the second half of the year. Each individual subject report will specify your child’s:

- Achieved AUSVELS level
- Subject achievements
- Areas that require improvement

Please note that school finishes at 2:30pm on Friday the 26th of June.

What is a positive school community? Positive relationships at school enable children and families to feel that school is a place where they feel welcome, where they will be listened to and where they can contribute. A positive school community helps children feel that school is a safe place where their needs can be met. Research has shown that when children and families feel connected to the school, children are less likely to develop mental health problems and they succeed better at school.

Well done: To all of the students who participated in the Interschool Cross Country event that was held in Warrnambool last week.

The following student has qualified for the State Championships which will be held early next term! WOW! Ahliya Harris

And remember: ‘Feedback is the breakfast of champions.’ Kate Blanchard.

SEAN FITZPATRICK
ASSISTANT PRINCIPAL (7-12)
THE FRIENDLIES
Last Thursday, Cobden and Simpson Primary Schools visited Timboon for an afternoon of sports. It was an opportunity for our senior primary soccer, netball and football teams to get in some practice before heading to Terang in the last week of term for the Tri-Sports. Thanks to Tony Francis, Leanne Whitehead, Brendan Hickey and Ben Mitchell for their support on the day.

SUSTAINABULLETIN....P-12 Power Off Day
Back in term one a group of motivated students attended the “Do More With Less” student leadership conference. They were encouraged to develop an action plan to take something back to their school. As a result they are driving a Power Off Day for our school on Thursday the 25th of June. It is hoped that this day will bring an increased awareness to our school community as we engage in classroom activities and discussions focussed on sustainability. The intention is to create dialogue about human impacts on our environment and the ways that we can reduce the harmful ones. On the day, classrooms will be encouraged to have their power off. This includes heating and lighting, as long as it is safe to do so. The school recently completed an energy audit which made some simple recommendations about how our school can reduce our energy consumption costs.

Students are encouraged to come to school out of uniform at no cost. They are expected to rug up with gloves, beanies, warm pants/jumpers, coats, blankets, whatever it takes to keep warm! Kermit will be looking out for the most innovative class activities and most interesting dress-ups. (note - while slippers are ok in some classes, they are not allowed in science/technology classes for safety. If you want to bring slippers please bring them as something to change into depending on your classes). The canteen will be available as usual.

If any students would like to join the green team of Kermit Kids to assist with future ideas please see Ms Murray or Mrs Dennis or speak to your classroom teacher.

PS – Kermit will be attending the Newfield Valley Landcare Group Planting day and Estuary Watch Activity @ 10am Monday June 29, 2015. Meet at the Port CFA shed in Desaily St and call HDLN to book.

TERACYCLE RECYCLING COMPETITION
The students of Year 6 are encouraging the school to take care of the environment through recycling waste products. We would like to be involved in a competition designed to promote recycling of Toothpaste tubes. Colgate will award $1000 to the school which collects the most oral waste care products. They will then forward the products to Teracycle who can provide a second life for these products. Products include:

- Toothbrushes
- Toothpaste tubes
- Toothpaste caps
- Floss containers

They can be any brand.
Every year in Australia and New Zealand, over 30 million toothbrushes and 80 million toothpaste tubes are thrown away. Together we can help reduce the impact on the environment by recycling these materials.

Year 6 House captains

SECOND-HAND UNIFORM SALE
The next second-hand uniform sale will be held on Tuesday 21st July and Tuesday 18th August (1pm in the SEU building). For enquiries please call Susan: 5598 3358

**Local Soccer**

A number of Timboon P-12 students participated in a very successful day of soccer on Sunday, at Scott’s Creek - home of the Corangamite Lions Football Club. The U13s drew 1-1 with Warrnambool Rangers. Jordan Footman kicked the goal and his team mates included Mason Bailey, Kobe Henderson, Oscar Johnson, Iagan McKenzie (playing his first ever game) and Josh Pascoe.

The U16s lost 4-3 in a very tight and exciting game - they also played the Warrnambool Rangers, who are currently undefeated. Goal keepers included Josh Brittain and Euan McGuire. Their Timboon team mates were Michael Brittain, who shone in goal; Will McKenzie, Cam McKenzie, Jasper Storer-Reeves, James McGuire, Sasha Weston, Charlie Trotter and Lachlan Rosolfin. Michael Brittain has also been regularly training with the South West Football Academy in Warrnambool after being selected at try outs earlier in the year.

Training is at the Scott’s Creek Recreation Reserve every Tuesday from 5:30-7:00pm - come along and have a go at a game played by more people around the world than any other sport.

Go Lions!!  
Jacquie McGuire, president

**Interested in a night out with the stars?**

Year 11 physics is having an excursion on either Friday 19th or Tuesday 23rd June, in the evening to the Ballarat Observatory as part of their Astronomy Outcome. We have booked a self-drive, 20 seater bus with about 12 free spaces for any interested 7-10 students, parents and community members.

The bus will leave Timboon school at 3.00 pm from outside the administration centre and return approximately 11:00 pm. We will have a 45 minutes in Ballarat for dinner, then to the observatory commencing activities at 7.00 pm. The activities will include a tour of the site and historic buildings, state of the art 3D Astronomy Movies, made at Swinburne Institute of Technology, and Telescope viewings, weather permitting.

If this sounds like a fun evening, the cost is will be about $30 depending on how much interest is shown. $8 entry to the observatory, and bus hire. Please let Mr Graesser if you and/or your child is interested in attending by Monday the 15th of June so we can finalise numbers and costs. Apologies about the short notice.

**Junior Bubble Soccer**

Monday 4:00pm at the stadium have a look – it’s FREE! Lots of fun...

Looking to put teams together for a competition in Term 3.

Come and have a go!

PHONE: 0428 407 777
~ Secret Girls’ Business~
You and your daughter are invited to this fun, fast moving workshop, which will explore both the physical & emotional changes that occur around the time of puberty.
All mothers & daughters aged 10 – 12 years are encouraged to take part in this 3-hour workshop.
**Friday 19th June at**
Timboon Hospital Health - Education Room
6.00 – 9.00pm Cost: $7.00 per couple
Sandwiches & fruit platter provided.
To reserve your place please phone 55586000

You’ve heard of a GAP year, how about a TAP Year! Would you like an opportunity to make & save money prior to undertaking further study at university, college, traineeship, TAFE course or while you are deciding what you want to do???
We are planning to offer assistance to senior students to help find work locally in an agricultural field or industry. It could involve a taster or a pathway for students to learn more about agriculture, or a chance to do short courses, eg “Cups on, Cups off” course or RSA while working to enhance your employment prospects. This would be a fantastic addition to your resume & would make you stand out from the crowd as well as make you financially independent prior to uni etc.
Enquiries: Please contact Andrea Vallance
