PRINCIPAL’S REPORT

- Tomorrow we will be holding School Curriculum Day (Development of New Victorian Curriculum) 22nd April. This is a student free day. Staff will be designing and developing a guaranteed and viable curriculum in line with the new Victorian curriculum. The focus of the day will be to develop curriculum that is:
  - Guaranteed: Ensuring the same content is taught in every classroom
  - Viable: Ensuring our staff teach to the level of each student’s understanding
This work will be ongoing as we move towards a full implementation of the new Victorian Curriculum in 2017.

- Today our ANZAC Day Service was held. We appreciate the local community supporting this very important event on our calendar. Some additional ANZAC activities in the coming days include:

  - Port Campbell ANZAC Dawn Service-Monday 25th April at 6:00am- Soldiers Memorial (above fisherman’s car park)

  - On Saturday 30th April we will be holding a ‘Hard Rubbish Sale’ on the school tennis courts from 9:00am-12:00pm. The items up for grabs will feature old and excess school furniture.

- Update on School Buildings progress: On Wednesday Brett Wallace (School Council member) and I attended a prep meeting in Melbourne. The purpose of this meeting was to review the schematic designs and begin to plan the tender process. Although we are yet to see physical action, we are now moving much closer to the commencement of our capital works project.

- Congratulations to all of the students who competed at the State Swim Titles in Melbourne on Wednesday. A fantastic effort made by all of the students. This included The U14 Boys freestyle relay team achieving 4th and 8th in their medley relay events. The U11 Boys freestyle relay team also achieved 7th place in their event. Year 8 student Robbie Gleeson achieved 2nd place in his 50m Breaststroke event – a very fine effort. Well done and a big thanks to all of the families that supported this event.
April
21st  ANZAC Day Service- 2:30pm-3:30pm

2016 Student ID cards are available at the office for year 7 – 12 students. $5 each

SECOND-HAND UNIFORM SALE
The next second-hand uniform sale will be held on Tuesday 17th May (1pm in the SEU building).
For enquiries please call Susan: 5598 3358

ASSISTANT PRINCIPAL’S REPORT

Our annual school ANZAC service was held today. Our students were extremely interested in the history of our Nation and displayed great respect towards the commemoration of Our ANZAC’s at Gallipoli. Well done to everyone.
If you happen to be in the B-wing area over the next few weeks please take a moment to check out the amazing art display that Mrs Mackieson and Ms McLeod have put up. The pieces are done by our primary art classes and they are guaranteed to ‘blow your socks off.’

Our ‘Target Head-lice weekend’ is on again this long weekend. PLEASE act in unison with all other families so that we have checking and treatment at the same time and don’t end up with cross contamination due to some not being checked.

Our Year 5’s head off to camp this coming week. While they are away our Year 4’s will be under the care of Mrs McGuire and Mrs Green.

Our annual NAPLAN test week will be during week 5 of this term. Students in Years 3, 5, 7 and 9 are all involved in this process. Notes with information to parents have been distributed with this newsletter. You are most welcome to pop in and chat with either me or Mr Fitzpatrick if you have any queries about this process as this event approaches.

ROUNGYOUTH EXCHANGE

Each year Rotary Youth Exchange gives thousands of young people worldwide an opportunity to experience the cultures and accomplishments of people in other countries.

The exchange provides a unique opportunity for young Australians to experience at first hand the many cultures of a different country, a new way of life and in some instances another language. Often, the friendships they make will be life long and important in achieving the aims of the exchange - the building of goodwill and understanding between countries.

As you’re learning, you’ll also be teaching the people you meet about your country, your culture, and your ideas. You’ll be a young ambassador, helping to bring the world closer together and making some good friends in the process.

During your exchange, you will grow considerably in self-confidence, tolerance and self-reliance.

You’ll also learn to accept greater responsibility in your everyday life.

You will have to adapt to unfamiliar and different surroundings and ways of life that are different from home.

For some this will be the first extended period of separation from their family. This will bring about many trials and tribulations which you will need to overcome and by so doing develop many “survival skills”.

During your exchange your board and accommodation are provided by host families, under the direction of Rotary International.

Rotary Youth Exchange offers the chance to be a part of either a short or a long term experience.

Interested students can collect forms from Mr Fitzpatrick

Wed 4th  Deborah Scholte
Thurs 5th  Steph Delaney  Sharyn Ferguson
Fri 6th  Michelle Grisled  Corinne Beames

If anyone can volunteer in the blank time slots above it would be appreciated.
2016 WCB ADRIAN MEADE DAIRY INNOVATION PROGRAM

The WCB Adrian Meade Dairy Innovation Program is an exceptional structured workplace learning opportunity for up to 12 students who have a strong interest in working in the dairy industry.

This exciting six-day program shows regional Year 10 and 11 students the entire dairy industry supply chain from paddock to plate. Participants learn about the wide range of careers in the industry, encouraging them to see it as a place where innovative leaders make their careers using the latest technologies. This program demonstrates WCB’s optimism about the future and our commitment to encouraging young people from the region to enter the industry.

The program was created in memory of the late Adrian Meade, a former WCB supplier director and chairman who was passionate about encouraging students from the region into tertiary education.

The 2016 program will be run in the June/July school holidays. Day One of the program includes a comprehensive factory tour and an in-depth look at milk supply, factory production and product quality. Participants then enjoy a four-day tour that includes visits to farms and service providers, food technology centres, retail markets, Dairy Australia, the Port of Melbourne and tertiary institutions offering agricultural study. The final day at the factory shows students pathways into careers in the industry. At the conclusion of the program, students are allocated a mentor in their dairy career area of interest. The program emphasises leadership in all aspects of the industry and promotes students’ leadership skills development.

The 2016 program will be run in the June/July school holidays. The program emphasises leadership in all aspects of the industry and promotes students’ leadership skills development.

The 2014 and 2015 programs were enthusiastically received by students, schools and participating industry partners. After such a highly successful start, WCB will now run the program annually.

The application form for the 2016 program can be downloaded here.

Applications will close on 29 April, with interviews held at schools during May. Program activities will take place in the June/July school holidays commencing Monday 27 June. See the application form for further information.

You can read about last year’s activities in our Supplier News August 2015 edition (pages 3 to 6). Click here to open.

For further information, please contact program coordinator Louise Thomas on louise@lthomaswriter.com or 0418 443 433.

Parent assistance required for Cross Country – 6th May

Our 3-12 Cross Country for 2016, is coming up soon. This year, our Cross Country will be held between 2 - 3 pm on Friday 6th May. In past years, this event has been well supported by our parents, with several volunteering to assist with marshalling and taking up checkpoints along the course. This help is always greatly appreciated and we are hoping to benefit from this support again this year.

Our Secondary students will be starting at 2.00pm opposite the public playground, next to the Skate Park. We are after volunteers for the following checkpoints and roles: TEW’S CORNER, POWER STREET, CNR of MCLEOD ST/CURDIES RIVER ROAD, CNR of CURDIES RIVER ROAD/NEAL STREET, POLICE STATION, CATHOLIC CHURCH, COMPLEX, First Aid and assisting with marshalling place getters at the end of the race.

We also welcome the opportunity for parents/family members to run on the day.

If you are able to assist in any way, please return the following note to school and I will be in touch with you, to confirm your role on the day.

Thank you,
Liam Venn

3-12 Cross Country carnival parent assistant request (Friday the 6th of May. 2pm-3pm)

FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government’s commitment to breaking the link between a student’s background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors, encouraging a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of the school curriculum.

CSEF will be provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

Fees, held in a special account connected to or a temporary foster parent, may be eligible for CSEF. A special consideration category also exists for special needs and Aboriginal families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- $15 for primary school students
- $20 for secondary school students

HOW TO APPLY

Contact the school office to obtain a CSEF application form or download from www.education.vic.gov.au

MORE INFORMATION

For the CSEF application closing dates and more information about the fund visit www.education.vic.gov.au

“CELLULOID BY THE SEA” PORT CAMPBELL COMMUNITY FILM FESTIVAL

Timboon P-12 School is proudly part of the Stephanie Alexander Kitchen Garden Program. This is our 4th year of participation and production. Each year the students within their classrooms learn about the garden and keep a patch of earth at school. We now have 2 garden areas which are quite productive.

We would like the produce to be shared with all of the students at Timboon P-12 School. Each week the students from Years 4 & 5 will work in the kitchen to produce a yummy menu item for sale at the canteen. Next Thursday students and staff will be able to purchase a Stephanie Alexander Kitchen Garden meal at the canteen. To ensure that we sufficiently cater to all students who would like a yummy lunch, we need students to order and pre-pay. Meal to be collected from the canteen on Thursday 28th by the student. Please return the order slip with payment to the canteen by Tuesday 26th April.
