PRINCIPAL’S REPORT

ANZAC Service Friday, 24th April 2015

You are warmly invited to attend our Anzac Day Service. Please invite anyone else you feel would like to attend.
Starting at: 10:30 a.m. (Seated by 10:25)
Location: The Amphitheatre Timboon Playground Precinct or Timboon Town Hall if raining.

- Tomorrow, Friday 24th at 10:30am we will be running our traditional ANZAC day service. All community members are most welcome. We really hope to run the service at the new Amphitheatre located at the Railway Yard complex, but be prepared to head to the Timboon and District Town Hall if the weather makes it necessary.
- Parking for people with disabilities can be organised closer to the new stage at the amphitheatre and disabled access is available at the hall.
- The ANZAC Centenary is a milestone of special significance to all Australians. The First World War helped define us as people and as a nation.
- On Friday we will remember not only the original ANZACs who served at Gallipoli and the Western Front, but commemorate more than a century of service by Australian servicemen and women.
- Dan Tehan, Member for Wannon, will be the official guest speaker at the service and we have some very special presenters to deliver the service.
- Vision Portraits will be here on the 1st May to do Family photos. All the details were sent out at the end of last term. Registration is online. More information is available on the School website: [http://www.timboonp12.vic.edu.au](http://www.timboonp12.vic.edu.au)
- If you have any concerns or issues that you wish to discuss with me please feel free to give me a call at school (55983381) or on (0407345324).

ROSALIE MOORFIELD
PRINCIPAL

Congratulations to: Declan Denny, Lilly Hose, Amy Hose, Ben Matthews and Ben Berry took out their age champion awards at the HSSSD Athletic sports.

ASSISTANT PRINCIPAL REPORTS

Congratulations to all the students that competed in the Interschool HSSSD Athletics event held at Camperdown on Tuesday. Our students performed very well over the course of the day with a high number of students qualifying for the next round (Western Region). Five students achieved age Champion on the day (pictured below) which was an outstanding achievement.

HSSSD Age Champions: Ben Berry, Ben Matthews, Lily Hose, Aimee Hose, Declan Denny
Immunisations: 2\textsuperscript{nd} round of immunisations will be next Tuesday 28\textsuperscript{th} April

**NAPLAN 2015** – What is NAPLAN? The National Assessment Program – Literacy and Numeracy (NAPLAN) is an annual national assessment for all students in Years 3, 5, 7 and 9. All students in these year levels are expected to participate in tests in reading, writing, language conventions (spelling, grammar and punctuation) and numeracy. All government and non-government education authorities have contributed to the development of NAPLAN materials.

Why do students do NAPLAN tests? NAPLAN is the measure through which governments, education authorities, schools, teachers and parents can determine whether or not young Australians are meeting important educational outcomes in literacy and numeracy. The tests provide parents and schools with an understanding of how individual students are performing at the time of the tests. They also provide schools, states and territories with information about how education programs are working and which areas need to be prioritised for improvement. NAPLAN tests are one aspect of the school’s assessment and reporting process, and do not replace the extensive, ongoing assessments made by teachers about each student’s performance.

How are NAPLAN test results used?
- Schools use results to identify strengths and weaknesses in teaching programs and to set goals in literacy and numeracy.
- School systems use results to review programs and support offered to schools.
- Students and parents may use individual results to discuss progress with teachers.
- Teachers use results to help them better identify students who require greater challenges or additional support.
- The community can see average school NAPLAN results on the My School website: [www.myschool.edu.au](http://www.myschool.edu.au)

And remember: Start by doing what’s necessary; then do what’s possible; and suddenly you are doing the impossible.

Francis of Assisi

**SEAN FITZPATRICK**
ASSISTANT PRINCIPAL (7-12)

**Year 12**
Our year 12 VCE students attended the Tertiary Information Service presentation at Camperdown last week. This service provides a chance for all Year 12 students across Victoria to gain information on application details, course types, costs, dates and procedures for tertiary entrance from experts from Universities, TAFES and Independent Tertiary Colleges.

The session consisted of an overview presentation to help them with decision making for 2016: dates, the tertiary application process, information on fees and scholarships. This was followed by an “information supermarket” where students gathered course materials and talked directly with tertiary representatives about career paths and their study option.

Detailed session notes are available on the Careers page on the school website.

**Year 11**
Our work experience week is fast approaching (11\textsuperscript{th}-15\textsuperscript{th} May). This week is an important part of our curriculum, giving students the opportunity to develop and extend “key employability” skills: communication, teamwork, problem solving, initiative and enterprise, planning and organisation, self-management, learning and use of technology. Students with work placements in Melbourne and participating in the Year 11 Melbourne Work Experience camp will also gain additional skills.
related to independence as well as problem solving. All students have a number of tasks to complete prior to going on Work Experience – this is discussed during form assemblies (and at camp meetings for those students involved.) More information is available on the Work Experience page of the school website.

**Parent assistance required for Cross Country - 8th May**
A glance at the calendar tells me that our 3-12 Cross Country for 2015, is coming up soon. This year, our Cross Country will be held between 2-3 pm on Friday 8th May. In past years, this event has been well supported by our parents, with several volunteering to assist with marshalling and taking up check points along the course. This help is always greatly appreciated and we are hoping to benefit from this support again this year.

Our Secondary students will be starting at 2.00pm opposite the public playground, next to the Skate Park. We are after volunteers for the following checkpoints and roles: TEW’S CORNER, POWER STREET, CNR of MCLEOD ST/CURDIES RIVER ROAD, CNR of CURDIES RIVER ROAD/NEAL STREET, POLICE STATION, CATHOLIC CHURCH, COMPLEX, First Aid and assisting with marshalling place-getters at the end of the race.

We also welcome the opportunity for parents/family members to run on the day.

If you are able to assist in any way, please return the following note to school and I will be in touch with you, to confirm your role on the day.

Thank you,
Matt Haugh

×----------------------------------------------------------------------------------------------------------------

**3-12 Cross Country carnival parent assistant request (Friday the 8th of May. 2pm-3pm)**

Attention: Matt Haugh

I _________________ (Your first and last name) can assist at the 3-6 Cross Country on Friday the 8th of May.

If you have a preference for a specific role please indicate here

The best number to reach me on during school hours is

The best number to reach me on after school hours is

**SRC News 2015**

1. Election of Office Bearers
   We have chosen joint Presidents and may elect other positions if we feel they are needed.
   Our Presidents are Niamh Denny and Rahni Quarrell

2. Discussion of the possibility of changing the way we fundraise so that each house is given more of a role. Suggestion that each house picks a charity for the year and focus on it. This includes each house having a casual clothes day to raise money as well as the opportunity in that term to undertake other activities such as selling merchandise.

3. Uniform
   There was some discussion on some aspects of the current uniform policy.
   - Sock. Many students feel black socks are a better alternative to grey. They are more easily available, vary less in colour and generally look better. White socks are okay in summer and with the dresses.
   - The length of winter skirts and summer dresses. Is there a prescribed length for these? Some concern over the varied lengths.

4. Power Off Day
   Mrs Dennis and a team of students (Kermit Kids) are looking to hold a power off day this term to raise awareness of issues of sustainability. There would also be a casual clothes day on this day to enable people to rug up and stay warm.
   The SRC fully supports this idea and a number were willing to help organise this day.

5. Chloe Buck and James Stevens are members of the Corangamite Youth Council. If you have any ideas of events or things the local council could do please feel free to see them.

6. Outdoor seating. There has been a request that more seats and tables be available in the 7-12 area in particular.

7. Computers
   There was some discussion on the current 7-10 technological device recommendations. Students feel the iPad is not the appropriate device and it would be better to have a netbook or laptop throughout their secondary years.

8. Centenary of WWI
   Some discussion by students that they would like this to be included more in class activities in coming weeks. They understand it may not be part of the prescribed curriculum but wonder if it could be included, even just a little in all subjects.

9. Meeting times
   For three a term, in the library
   Next meeting – Thursday 21st of May, Session 6.

---

**ACCEPTABLE USE OF TECHNOLOGY AND THE INTERNET AGREEMENT** (Years 3-12)

At the beginning of the School year, every student from Years 3 – 12 were given a computer agreement that was to be signed by the student and the parent, then returned to the Office. Students will be given until the end of April to return this form to the School Office. If the agreement has not been signed and returned, access to the network and internet at School will be terminated.

A copy of the Agreement can be obtained from the Office, or downloaded from the School website.
On Tuesday the 28th April the Year 12s will be holding a milkshake day to raise funds for their end of year trip. If students in P–6 would like to order a milkshake please return the note along with $3 to their classroom teachers by Monday the 27th of April.

The milkshakes will be delivered to the classrooms at about 12:45 on Tuesday. Orders must be in by Monday to allow us to have a successful fundraiser. Years 7–12 students please bring $4 (bigger size) and order on the day at the milkshake stand. Flavours—Chocolate, Strawberry, Vanilla, Caramel and Banana

TIMBOON P-12 SCHOOL FUNDRAISER

ANZAC DAY TOKENS
$2, $5 tokens, $3 wrist bands, $4 bag tags
Available for purchase prior to ANZAC DAY 25th April, 2015 from the office.
