PRINCIPAL'S REPORT

ANZAC Service Friday, 24th April 2015

You are warmly invited to attend our Anzac Day Service.

Please invite anyone else you feel would like to attend.

Starting at: 10:30 a.m. (Seated by 10:25)

Location: The Amphitheatre Timboon Playground Precinct or
Timboon Town Hall if raining.

- We have reached the end of a really busy first term. Two athletic carnivals, two swimming sports, two camps, a Deb ball and the numerous interschool events that follow on from our own sports days. We have had so many positive activities and successes that it is hard to summarise the highlights of the term.
- Our core business is teaching and learning, but we also spend quite a bit of time trying to sort out friendship and welfare issues. Cyber bullying is something we see occurring regularly and we try to advise students on how to tackle this issue.
- This week I was the victim of a cyber-bully and my reaction was to confront the bully and say stop bullying me. I did not use social media to hide behind; I spoke to the bully face to face.
- I would like to encourage all those students out there to confront the bully. I would like all those users of social media to think about what they are saying. Our students need positive social media role models. Poor role modelling set by adults only encourages poor behaviour by students.
- Our Facebook page has enjoyable photos, basic text and provides us with the opportunity to share what is happening at school. We block those that make inappropriate comments (very rare) so that our school activities can be shared globally.
- On a much more positive note I would like to wish Jamie and Sarah Mackieson a wonderful family vacation in term 2 and Kayleen Deppeler a well-earned long service leave break.

- We welcome back Melissa McKenzie, Ann Hegarty and Gerardine McVilly who will back fill for Jamie, Sarah and Kayleen.
- Vision Portraits will be here on the 1st May to do family photos. All the details are included with this week's newsletter. There is an online registration or call the school.
- If you have any concerns or issues that you wish to discuss with me please feel free to give me a call at school (55983381) or on (0407345324). I do return all phone calls.

ASSISTANT PRINCIPAL REPORTS

Congratulations: To Year 7-12 Interschool Swimming Team on achieving overall 2nd place at the Greater Western Swimming Championships at Warrnambool yesterday. Our team placed higher than a number of larger schools from the Ballarat and South West Areas which was a fine effort. We had 3 relay teams, 3 individual swimmers qualify for the State Championships which will held in Melbourne at the beginning of next term. Thank you to the strong parent support present on the day.

Do you seek to gain experience in:

- Leadership**
- Personal Improvement**
- Sportsmanship**
- Citizenship**
- Community Involvement**
- Public Speaking?**

The Lions Youth of the Year is aimed at all young people who seek to improve their skills before entering the workforce or other endeavours.

Aims

Lions Youth of the Year is designed to encourage, foster and develop leadership in conjunction with other citizenship qualities in our youth, at the age when they are about to enter the fields of employment or higher education, and provides students with the incentive to pay greater attention to the general qualities, so vital in developing our youths into first class citizens. The qualities sought, apart from academic attainments are those of leadership, personality, sportsmanship, public speaking and good citizenship. The students meet in fellowship and have the opportunity of open discussion, exchange of ideas and meet professional people of a community service Club organisation.

Youth of the Year is designed to encourage student interest in leadership and the qualities required to take an active and constructive role in the community. A high level of academic, leadership, sporting, public speaking and citizenship achievement is sought in its potential winners. By emphasising these qualities it hopes to provide outstanding role models for the youth of Australia and an overall increase in the confidence of young men and women.

Lions Youth of the Year is an excellent means of assisting Australia's youth and promoting the essential role of leadership development and community service organisations in maintaining Australia's high standard of living.

To enter please see Mr. Fitzpatrick.

And remember: "Winning isn't everything, but wanting to win is".

Moving on from a disappointment or unhappy moment is an area where we seem to be spending more and more time recently. Having students develop resilience so that when something goes wrong they do not hold onto a grudge is vitally important for future encounters. If we hold onto a grudge then it shades all our future dealings with this person to the point that we are anxious, and often angry about how things might work out with them next time. This in turn can shape the way that we are and behave towards the other person and often becomes a 'self-fulfilling prophecy.' So how do we move on? If you happened to watch Big Bang Theory this week you would see that, even for adults, we often need to use a strategy and apply this many times to reach the desired outcome of: "It happened but it's over now - done and dusted." For young children having a physical support such as drawing the situation, screwing up the paper and throwing it into the bin can often symbolize moving on from situation. Likewise, hearing an apology and having the right of reply that says something like: "Thank-you for the apology, but please make sure this doesn't happen again," when the apology is given makes sure that moving on is possible. Getting things right all the time is a wonderful aspiration; however, we are all human and can at times make mistakes. How we move on from those mistakes shapes the person we are both now and in the future. On that note, I wish everyone a great holiday, come back to school fresh and ready to be positive members of our school community.
