PRINCIPAL’S REPORT

SCHOOL CAFETERIA AND A AND B BUILDING ARE PEANUT AND TREE NUT FREE ZONES

Our Principal Rosalie Moorfield has officially announced her retirement. This will take effect as of the 27th January. It was certainly news we weren’t expecting and we thank her very much for her work as leader. I know that it was a very difficult decision for Rosalie to make because she is so passionate about our school and she has served our school community so diligently. We will formally acknowledge Rosalie’s contribution post her retirement date. I will continue in the role of Acting Principal until the process of officially appointing a new principal is complete.

Bands: Next week our Year 5-10 students will be performing their songs to their peers, family and friends. This unique music program has been in place for a very long time and I am not aware of another school that delivers a program quite like it. This program is successfully led by Graeme Galbraith who, believe it or not, learns and knows every music section of every song that the students perform – remarkable. In an extension to this program we have students perform their songs to Simpson P.S. This partnership is now in its fourth year and enables both schools to share through music. On Monday we had five bands perform to Simpson P.S and the standard of our school performances was very high. Well done to all of the students that performed; it’s daunting, but certainly a great dress rehearsal for next week. I encourage the wider school community to come along (performances begin at 6:30pm in the School Hall).

Congratulations:

- Our winning Tough Udder Event House: Narragoort. They also took out the individual honours after our parent/teacher team was disqualified.
- Olivia Bedggood, Molly Hibberd, Cheyenne James and Aimee Pascoe on successfully competing in the Spotlight Fashion Competition held in Warrnambool last week.

Walk to School: Unfortunately the celebration day has been postponed. Some alternative activities involving different P-6 grades will take place in the coming weeks. Information regarding these activities will be communicated home from the grade teacher.
Awards Ceremonies: Wednesday the 16th December, P-6 10:am-12:00pm, 7-12 2:00pm-3:30pm (Timboon Town Hall)

School Captains 2016: Congratulations to our newly appointed school captains: Darcy Tribe & Rebecca Vogels (Halladale), James Stevens & Kate Jones (Callaway) and Will Mckenzie & Ahliya Harris (Narragoort). Thank you to all of the students who nominated.

Proposed Breakfast Club in 2016: In the coming weeks TDHS staff will be conducting some surveys with students to identify and better their breakfast eating habits. These survey results will hopefully formulate the implementation of breakfast club in 2016.

SUSTAINABILITY

Kermit would like to acknowledge the great work of Tamara Giblett, Caprice Bailey and Mrs McMeel in organising the TerraCycle collection of dental products. TerraCycle aims to collect hard to recycle items and recycle them into everyday products. Well done to the girls and also to Mrs Moriarty's Grade 3/4 class, and Mrs Poustie's Prep class who collected the most items. The money raised from this project will go towards the purchase of a resource-saving gadget for the school and later in the term there will be a limited supply of the fantastic bamboo toothbrushes for sale @ $3. Kermit hopes that similar waste reduction initiatives will continue within the school.

Winners are grinners!
Thank You
Year 6 would like to say a big THANK YOU to Gabby and Tam for helping them to make excellent Christmas shortbreads. We all had a great time.

TAP YEAR

2015-2016

You’ve heard of a GAP year, how about a TAP Year! Would you like an opportunity to make & save money prior to undertaking further study at university, college, traineeship, TAFE course or while you are deciding what you want to do???

We are planning to offer assistance to senior students to help find work locally in an agricultural field or industry. It could involve a taster or a pathway for students to learn more about agriculture, or a chance to do short courses, e.g "Cups on, Cups off" course or RSA while working to enhance your employment prospects. This would be a fantastic addition to your resume & would make you stand out from the crowd as well as make you financially independent prior to uni etc.

Enquiries: Please contact Andrea Vallance

BRA COLLECTION FOR KENYA
I am collecting new/used bras to send to Kenya via a cousin who works there in the travel industry.
They are for the ladies who cannot afford their own, and they are less likely to be assaulted if they are wearing one. Sad, but true.
Please leave at school office by the end of September or just pass them onto me. My cousin will make sure they reach the right people. Thank you for all your support.
