Remembrance Day Service
Wednesday 11th November

You are warmly invited to attend our Remembrance Day Service. Please invite anyone else you feel would like to attend.
Starting at: 10:45 a.m. (Seated by 10:30)
Location: Timboon Rail Trail Stage

- Congratulations to Connor Cardwell and Zayne Love on their performance in the Interschool Motocross Event. Connor Cardwell won 1st place in the 150cc event and Zayne Love came 2nd in the 85cc. Zayne also won notice for an act of true sportsmanship: solidly in the lead in the 85cc race, Zayne interrupted his race to offer support to another rider who had come off his bike. Once assured that his fellow rider would be OK, Zayne rejoined the race and finished a proud second.
On 12th November our annual TAP’S On event will be held at the school from 10:30am-3:00pm. This is an excellent showcase of the outstanding TAP curriculum that takes place in our school everyday. Recently our TAP was highlighted in The Sunday Age, 26th October: “Country Schools try creative solutions to overcome disadvantage”. To see this story follow the link: http://www.theage.com.au/national/education/country-schools-try-creative-solutions-to-overcome-disadvantage-20151023-ghk7vc.html

Invites to this event will be distributed to students shortly. A promotion of this event is featured in this week’s newsletter.

Yesterday I had the pleasure of attending the Worksafe Awards in Melbourne. Our school achieved the Worksafe OHS Achievement Award for the development and implementation of the Year 5 TAP into Farm Safety. This was the first program implemented into the TAP curriculum. It is fantastic acknowledgement for our school and wider community. Well done to Julie Broomhall and Andrea Vallance on all of their hard work in the development of this program. The purpose of this program is to keep our students safe. A special thank you must go to the following supporters of this ongoing program: Paul and Michelle Fowler (parents/training hosts), Sam Dalziel (parent/Murray Goulburn Project Officer), Allison Dennis (Worksafe-Warrnambool), Nullawarre CERT Division and the Timboon VET Group.

Nomination forms have been given to the Year 10 and 11 students for the opportunity to nominate for School Captain. Each year we give the students the chance to extend their leadership skills and represent our school. Each student will be interviewed and then have to give a speech to their house group that they will represent. Good luck to all nominees.

Reminder that Year 7 Immunisations will take place on Friday 30th at 12.00. They will also be catching up with Year 9 and 10 students who have missed past immunisations.
With TAP’s On! approaching and much planning underway we are seeking the use of any gazebos that members of our school community might have. Please contact the school if you are able to lend one for the day.

BRA COLLECTION FOR KENYA
I am collecting new/used bras to send to Kenya via a cousin who works there in the travel industry. They are for the ladies who cannot afford their own, and they are less likely to be assaulted if they are wearing one. Sad, but true.
Please leave at school office by the end of September or just pass them onto me. My cousin will make sure they reach the right people. Thank you for all your support.

Come & participate in the TAP!
Join us for demonstrations and activities relating to agriculture & TAP curriculum that is taking place in our local schools. Be a part of peer led activities based on curriculum developed in the classrooms.

What is the TAP?
The Timboon Agricultural Project is a partnership between Timboon P-12 School and WestVic Dairy, Dairy Australia’s regional development program for western Victoria. The TAP draws on the expertise of the local agricultural community to support the education of our students.

In Science, Maths, Technology, Literacy, History, Geography, Commerce, The Arts and more, TAP is providing unique perspectives and applied learning opportunities to students from years P-12. On farms, in agricultural businesses and across the P-12 campus, the TAP creates opportunities for students to underpin their learning with real world experiences.
