Location: Timboon P-12 School- P-6 Assembly Area

- Please note there is no School on Tuesday due to the Corangamite Shire gazetted, Melbourne Cup holiday. There is school on Monday.
- A huge thank-you to TSPA, Sharon Mottram, our Art teachers; Sarah Mackieson, Lee McLeod, Ann-Marie Harris and the many helpers and donators for all the work that went into delivering a very successful Art Auction.
- It was a very successful, entertaining night. There are only a few pieces of student work left to buy. Parents can purchase their child’s art work from the school.
- This has been another great TSPA initiative. TSPA continue to support the school in some many positive ways and we are very grateful to this small but productive team.

On Monday Ms Wakefield’s Year 7/8 Lavender elective students attempted to extract oil from Lavender. The process was a success! Lots of trial and error, this learning process will be refined in the coming weeks. A big thank you Mr Moorfield for his assistance and to all of the families who donated lavender.

It’s been an action packed week in our Science Department with Wannon Water Education Officer Catherine Grist providing a water catchment/treatment workshop tour Year 7 students and a ‘Get into Genes’ DNA workshop to our Year 10 students.

ASSISTANT PRINCIPAL (7-12)

Over the next few weeks we will be welcoming kinder children to our school as part of their transition program for 2015. If you happen to know of any families who have children intending to come to our school next year could you please pass this information on to us here at school so that we can ensure they are part of this process.

On 20th November we will be holding TAP’s On! 2014. This will be a wonderful showcase of the learning around our school in the area of Agriculture. To support this event all classes P-6 will be constructing a “Groovy Gum Boot Display” making connections to good old gum boots and agriculture. Grades will also be presenting a selection of some of the activities they have been involved with over this past year. Our TSPA parents will be offering a BBQ lunch on the day. Please feel free to come up and share this day with us.

This Melbourne Cup Day has been declared our “Head-lice Target Day.” Each family is asked to simultaneously check their children’s hair for head-lice and treat if necessary. Forms will be due back to school on Wednesday morning to indicate that your family have taken part. Remember if we all act at the same time we have a chance of wiping out this problem. PLEASE do you check over the Melbourne Cup Day Holiday.

MASTERCHEF IN THE SCIENCE ROOM
Year 6 students have been learning about micro-organisms in science. It provided a great opportunity to investigate yeast using the school pizza oven. They answered questions about what yeast does and why it’s important for pizza bases. The results were yummy!!!! A big thankyou to Mr Mottram who organised the activity.

Timboon P-12 invites you to our curriculum showcase

Timboon Agriculture Project

Thursday 20th November, 2014
10:30am-3:00pm
Timboon P-12 Agriculture Precinct, Giblett Pavilion

Come & participate in the TAP!
Join us for demonstrations and activities relating to agriculture & TAP curriculum that is taking place in our local schools.
- Peer led activities based on curriculum developed in the classrooms.
- Master class sessions with local chefs @ 11:30am & 1:00pm.

What is the TAP?
The TAP is a partnership between Timboon P-12 School and West Vic Dairy, Dairy Australia’s regional development program for western Victoria.
This partnership is financially supported by the National Centre for Dairy Education Australia (2014-2015) and the Foundation for Rural and Regional Renewal.
The TAP integrates agriculture into the curriculum delivered at all levels of the school to
- support student learning, particularly in maths and science, and to increase applied learning opportunities;
- increase student awareness of, preparation for and interest in agricultural educational pathways and careers;
- increase the school’s engagement with the local community and
- improve retention levels of students at secondary level, and increase the attraction for school leavers to remain in or return to the district.
