

Swimming program 2018

During 2018 Yr 1 to Yr 6 classes will take part in a series of swimming lessons at the start of the school year. The YMCA will be running an Austswim Aquatic Education program down at the local Timboon Swimming Pool.

The program will consist of 8 sessions beginning on February the 5th.

Each session will be 40 minutes long and will involve the children working in three small groups, one with the classroom teacher and two others with YMCA staff.

Students will have 4 lessons per week over **alternate weeks**, (one week on one week off).

The cost of pool entry this season will be \$2.30 per session.

Options for pool entry payment are as follows:

1. Current (2017-2018) Summer Season ticket number provided to the school
2. A block payment of \$18.40 (covering all 8 lessons)
3. A daily payment of \$2.30 (**correct amount provided in a clearly named envelope**)

Parents are most welcome at the pool to act as safety spotters and assist with change times. Simply fill in the sheet attached to pick the days you can help out.

Please note

i. Keeping in line with DET guidelines parents are only allowed in the change rooms while a child of theirs is still in the change room.

ii. Members of the public and their children are not covered under insurance during our swimming program times. The pool is not open to the public during these times. Our insurance only covers those involved in the supervised swimming lesson. For these reasons, please do not swim yourself or allow your pre-school children to swim or wade in the children's pool during our swimming program.
