Parent Payment Contribution Schedule

Dear parents, guardians and carers,

Timboon P-12 School is looking forward to another great year of teaching and learning and would like to advise you of Timboon P-12 School's voluntary financial contributions schedule for 2026.

Schools provide students with **free instruction** to fulfil the standard Victorian curriculum, and we want to assure you that all contributions are voluntary. However, the generous support of our families plays a vital role in enabling us to deliver the best possible education and opportunities for our students. Parent contributions assist us to meet budget requirements and, importantly, to provide the resources and programs that enrich your child's experience at Timboon P-12 School.

At Timboon P-12 School, we aim to design teaching and learning programs that draw on the best educational practices, while also creating opportunities beyond the standard curriculum and government funding. This commitment is evident in our NAPLAN results and VCE achievements.

Financial Support for Families

Timboon P-12 School understands that some families may experience financial difficulty and offers a range of support options, including:

- **The Camps, Sports and Excursions Fund** – families who qualify with a health care card may access CSEF funding towards camps, swimming, sports and excursions. Applications for this will be required each year and parents will be advised when applications are accepted. For each Primary and Secondary school student who qualifies, the school will receive \$400 per students, which will be credited towards camps, swimming, sports and excursion.
<https://www.education.vic.gov.au/about/programs/Pages/csef.aspx>
- **State Schools Relief**– provides support to any Victorian student attending a government school (primary, secondary or specialist), on the advice of the school. Schools are able to submit an application directly, whenever they believe there is a need to support a student whose family/carers are facing difficulty in providing the appropriate uniform, footwear or educational items required for attending school.
- Welfare and support agencies that have established partnership arrangements with schools to provide further assistance to students and their families.

For a confidential discussion about accessing these services please contact:

Payment Methods Available

Options include:

- Direct deposit – account details may be obtained from the school office.
- EFTPOS or Cash directly to the school office.
- Online via CompassPay (from 16th December 2025)
- Payment plans are also welcome. We ask that you contact the school office to discuss the amount you would like to contribute, frequency and method of payment. This is to ensure parents have a payment plan in place that they are comfortable with and a plan that the school is aware of.
- BPay – this unique number appears on the family statements/invoices.
