PRINCIPAL'S REPORT

- Last week we had the pleasure of hosting ABC Landline who spent two solid days at our school filming a feature about our innovative TAP, a big thank you to all school and community members for again lending your valuable time (see photos below).
- Together with the Timboon Lions Club (primary financial supporter) we are pleased to offer a range of Academic & Leadership Scholarships for 2016. Academic and Leadership recipients will be able to demonstrate strengths in a range of Academic and Leadership Areas. These scholarships will be used to support student tuition fees for Year 7 (2016) and toward post school tuition fees for current Year 12 students. Scholarships will be awarded on the basis of results in the scholarship test program, performance in current school reports, VCE/VCAL final results and their leadership contributions to their community and an interview. Further information and scholarship application forms can be obtained from the school website or the school general office. The scholarship examinations for current Year 6 and Year 12 Timboon P-12 students will be held on Sunday 15th November 2015 at Timboon P-12 School. All scholarships will be awarded at the Timboon P-12 Awards Ceremony on Wednesday 16th December, 2015.
- I would like to thank Ray Smith (Timboon Lions Club) for all of his work in developing this scholarship opportunity for our students. Currently Ray is unwell and we wish him a speedy recovery and we look forward to his return to driving the school bus.

GABBY THEOLOGOUS

ACTING ASSISTANT PRINCIPAL

Tonight we send eight of our students over to Warrnambool to compete in the Western District Spelling Competition. The competition is an annual event held at Warrnambool Primary School (Jamo) beginning at 7pm. Good luck to all competing.

Each year when our staff considers grade structure options available to us we use a wide range of information and make an informed decision. Our decision needs to reflect what will best suit the needs of our students and available staff. One decision that is often made involves the grouping of students into what is known as a composite class. Composite classes are very common in education as they provide a grouping strategy that allows for classes to be even across a whole school. There is wide research that looks at this style of grade grouping and the benefits of multi-age options but regardless of the grade structure it is the quality of the teacher and the relationship that they build with their students that makes the biggest impact on any child's learning.

Our lost property collection has been cleared with any named jumpers returned to their rightful owner and those without names being passed on to our second-hand uniform shop, run by TSPA. If your child has not returned home with the jumper you sent then chances are the name was not legible and it has not been able to be returned. PLEASE write names clearly in a water-proof pen, we really do try to get them back to the owner. While on the subject of school uniform, please be aware that canvas shoes are not part of our uniform. They do not meet the required safety and support that school student's need. Leather school shoes are our uniform.

Careers News Week 2 Term 4 2015

YEAR 12 NEWS – Hopefully you have applied for a course through VTAC if you plan to commence tertiary study next year. You can still apply as **a late applicant**, but it will cost \$95.00, not \$29.00.

CHANGE OF PREFERENCE (COP) -

Remember, you can **change your application (preferences)** as much as you like till 10 November, then again from **23 November till 12 noon on 21 December, 2015.** VCE students will receive their **results on Monday 14 December**, so you will have a week to re-consider your VTAC application. Use this time to contact or visit tertiary institutions if you are uncertain, or contact me at school for advice.

OFFERS of places at tertiary institutions commence on **18 January 2016**, with more places on offer later on (there will be five 'rounds' of offers in total). You are advised to **accept the first offer** you receive as most likely it will be your only offer (around 80% of applicants will only receive one offer); however, accepting an offer does not mean you cannot receive another offer in a later round of offers.

WHERE CAN I GET ASSISTANCE DURING 'CHANGE OF PREFERENCE' WEEK? The week after you receive your ATAR is generally known as Change of Preference (COP) week (Mon 14 – Mon 21 December). During this time tertiary institutions run information sessions, COP Expos, have phone assistance available and will assist you in any way they can. You can also obtain assistance at school.
