Welcome back to what’s shaping up to be a very busy and productive term. I look forward to the challenge of leading the school in Term 4. I have had some communication with Rosalie and she is having a great time with her family in England as expected. I hope she has a well-deserved break.

Last term we had Sally Partridge finish up at our school in her role as educational support. Sally has taken up a teaching position at Mortlake P-12: we thank her for her contribution and wish her all the very best in her new role. I would also like to welcome Carolyn Wilkie on to the educational support team.

At the end of last term Rosalie presented the new building design to the community. We are full steam ahead with this project. We have since discussed repositioning the new Senior School Building on the old hockey field and this option is both cost effective and logical to support very minimal disruptions to students and staff once the project commences. This building will also be closer to existing buildings. The new building designs are available at http://www.timboonp12.vic.edu.au/page/242

In the coming weeks our Year 12 students will finish up their usual school routine and embark on the all-important end of year exams. Please note that their final assembly will be held on Friday 23rd of October.

Do you know who owns this bike below? It has sat in the bike rack at school untouched for a long time. Please contact the office if you know.

Lastly, how exciting that we have ABC Landline visiting our school this week to produce a story on our very successful TAP. It’s a real credit to our community and that’s where the credit must be acknowledged. Good initiatives require a team effort. We also look forward to some additional awards coming up for which our school has been shortlisted as a finalist.

Congratulations to: All of the students on their club and individual achievements over the break.

Welcome back for Term 4. In Rosalie’s absence and with Sean’s appointment to Principal, I have stepped up with enthusiasm to the Secondary Assistant Principal role for Term 4. The term will be filled with many exciting celebrations for 2015 and much planning for 2016.

The last term of 2015 promises to be an action packed one. Already we have students preparing for television show visits (as part of our TAP program), spelling competitions, bike challenges, cricket competitions and camps just to name a few. With so much planned, communication between home and school is vital so please take the time to read the newsletter (every Thursday), look for permission notes, check our webpage, visit our facebook posts and if you are unsure of what your child is involved in over this busy last term: ask. Our first grade led assembly for the term is on October 23rd and will be hosted by the students of grade 1A. (Assembly starts at 9:00am.) Each term we remind parents that our school day officially starts at 8.45, when all teachers are on duty and supervising the students. Prior to this, at 8.30, we have a staff member doing bus duty and a staff member begins outside supervision at 8.45 each morning. While most staff are on site prior to this doing preparation they do not begin their duty of care until 15 minutes prior to the first class. Please be mindful that your child’s supervision prior to this is your responsibility. This also applies to bus stops where parents are expected to accompany their children and ensure that they wait safely for the bus to arrive each morning.

Over the next few weeks we will be welcoming kinder children to our school as part of their transition program for 2016. If you happen to know of any families who have children intending to come to our school next year could you please pass this information on to us here at school so that we can ensure they are part of this process.

**Bra Collection for Kenya**

I am collecting new/used bras to send to Kenya via a cousin who works there in travel industry. They are for the ladies who cannot afford their own, and they are less likely to be assaulted if they are wearing one. Sad, but true.

Please leave at school office by the end of September, or just pass them onto me. My cousin will make sure they reach the right people. Thank you for all your support.
