Students are off to the State Finals!

Congratulations to the students who participated in the Greater Western Zone Cross Country Event on Monday. We had excellent performances across year levels (P-12).

The following students have qualified for the state finals: Zach Ellemor (Year 5), Susanna Ryan (Year 6), Logan Cuthall (Year 8), Heidi Stansfield (Year 8) and Ben Matthews (Year 8).
Next Friday 17th June we will be hosting Monkey, Loggy & The Big Fella from Coast FM broadcasting live from the Timboon P12 School Hall from 7:00am-10:00am. We will be providing a free continental breakfast, there will also be other local businesses (pop up shops) here selling items (including food). At the end of the program we will also be putting on a special morning tea for our local dairy farmers to attend and have a catch up. Parents are encouraged to bring their children in earlier (before the buses).

This is an open event and we encourage all Timboon & surrounding community members to attend. We encourage all of our farmers to tune in while milking or working on the tractor and we would love to see you here for a bit of morning tea.

Uniform reminders (school dress code policy)

Uniform: All students are expected to wear the correct uniform. As we approach winter it is important that students remain warm and comfortable. There are a number of uniform items available to support this including a warm waterproof school jacket, a school beanie and scarf. All items can be purchased through LOWES in Warrnambool. Layby options are available. School beanies and scarves can be purchased through the school canteen. Alternatives to this are not acceptable; follow up from your classroom/form group/Year level coordinators will occur on a regular basis. The school is always willing to support families in need – if you require support please contact the school.

Hats are only to be worn during the summer months from Sep 1st to April 30th. Hats are not to be worn during the winter months unless negotiated.

CYBERSAFETY WORKSHOP (STUDENTS)

On June 14th, we have Tim Powell from Values for Life Education conducting the following presentations:

Year 5 & 6 students - Cyber Savvy, the influence of ICT on our lives. This workshop will cover:

- Development of communication through history
- The ways people interact and communicate through ICT
- Potential negative effects of ICT on ourselves in both our physical and mental health
- Responsibilities associated with the use of ICT
- The media can be a big influence, is commercially driven and is not always real
- Our self-worth – i.e. what we are (e.g. our skills or what we look like) is different to who we are (our character and values)
- Factors in helping us to be resilient – a core set of values that can remind us what is important despite our influences and circumstances
Year 7 & 8 students - Plugged In, Cyber safety and building real community

- Highlight the importance of healthy relationships
- Explain why our culture is becoming socially deficient
- Discuss the difference between the virtual and offline world
- Promote ways in which we can be safe online and build depth to our offline relationships
- Develop ways in which we can better connect within our school, family, friends and our community
- The promotion of empathy, community and teamwork

To reserve your place please phone
Reception 55586000

2016 Student Photo ID cards are available at the office for Year 7 – 12 students. $5 each
EXPERIENCE RMIT – Would you like to learn more about studying at RMIT? The RMIT ‘Experience Days’ Event program is now available, giving Year 10 – 12 students the opportunity to attend free events and engage in workshops in business, science, social impact, health and medical sciences, engineering, marketing and communications, property and project management and design, and experience life on campus. Go to: www.rmit.edu.au/experiencedays, then to Event Program for more information and to book. The experience days are in the Term 2 holiday break.

WHERE CAN I STUDY PHYSIOTHERAPY? Physiotherapy is a popular choice of career, with many aspiring physiotherapists hoping to become sports physiotherapists. The reality is of course, that many physiotherapists work in other settings such as hospitals, community health centres, in mental health, and in rehabilitation, often with elderly patients. In Victoria, physiotherapy is taught at La Trobe, Melbourne and Monash universities, and, from 2017, at Australian Catholic University (ACU) in Ballarat. The ATAR required for entry to physiotherapy is very high due to the popularity of the course, and to the fact that places are limited. La Trobe uses the ATAR for selection, Monash uses the ATAR and an interview, while at Melbourne, as with many of their degrees, physiotherapy is studied as a postgraduate degree. Applicants for Melbourne must have completed an undergraduate degree with human anatomy and physiotherapy subjects.

The aim of ACU offering physiotherapy in Ballarat is to help tackle the shortage of healthcare professionals in the Ballarat region by offering local training opportunities. There will be up to 50 student places. Purpose-built facilities will be available on campus and there will be access to laboratories, hospitals and health services in the region. The prerequisites for the ACU course are: Units 3 and 4 – a minimum study score of 30 in English (EAL) or 25 in any other English, and a minimum study score of 25 in one of Biology, Chemistry or Physics.

LA TROBE UNIVERSITY NEWS:

LA TROBE UNIVERSITY NEWS:

WHAT IS THE ASPIRE GENERATION? As noted previously, La Trobe university offers the Aspire Early Admissions Program for Year 12 students applying for La Trobe degrees (applications opened on 1 June and close on 31 August at www.latrobe.edu.au/aspire). In addition, La Trobe desires to promote the ambition of the next generation to come together and solve pressing issues facing our global communities. As a result, La Trobe is launching the Aspire Generation for Year 10-12 students. This is a community of young people connected by their aspiration to make a difference through community service and leadership. The Aspire Generation will be empowered to drive change through community engagement, volunteerism and leadership opportunities. For example, La Trobe’s recent partnership with Orange Sky Laundry underpins the ongoing commitment to driving social change. Students in years 10-12 can register their interest online via the Aspire Generation page.

SPRING INTO THE GREAT OUTDOORS IN THE HOLIDAYS! This is early notice of an experience of a lifetime. Find out what it is like to be an Outdoor and Environmental Education student at La Trobe university in the September School Holiday Program. When: 26-30 September, 2016; These are either canoeing on the Murray River OR bushwalking and climbing at Kooyoora State Park;

WOMEN IN ENGINEERING - Sample what to expect if you choose to study Engineering at La Trobe at a Women in Engineering event. In workshops you will experience engineering in an interactive and fun way. When/Where: Melbourne Campus: Tuesday 12 July, 9.30am – 3pm; Bendigo Campus: Thursday 14 July, 9.30am – 3pm; Register by contacting Bianca Van Meuwen at b.vanmeeuwen@latrobe.edu.au by Tuesday 5 July.

ARE YOU INTERESTED IN AUSTRALIAN POLITICS AND PUBLIC POLICY? If yes, why not apply for the John Button Prize. The University of Melbourne’s School of Government is offering a $2,500 prize to a Year 10-12 student who successfully expresses their ideas about Australian politics and public policy. The subject might be Australia’s population, climate change, reconciliation with Indigenous Australians, water, asylum seekers, education, health, or the state of the Arts (these are just a guide). The judges want to see clear thinking, enlivened by a sense of passion, about Australia’s future. Please apply online through the Faculty of Arts web page. More details on the Button School Prize can be found on the School of Government website. John Button was a Victorian Senator of 19 years and Federal Minister for Industry and Commerce from 1983-93. Applications close on Fri 24 June 2016. Info: artsprizes-info@unimelb.edu.au.

RMIT NEWS – RMIT is a provider of both higher education and VET courses. The main campus is located in the City, but there are also campuses at Bundooora and Brunswick.

SCIENCE IN THE CITY LAB TOURS – Are you curious about science? You are invited to visit the state-of-the-art laboratories to learn more about courses, research and training facilities available. When: 11am-2pm, 27 June; Where: City campus; Bookings and information: www.rmit.edu.au/events/all-events/tours/2016/june/science-in-the-city-lab-tour/

MEDICAL LABORATORY VISITS – RMIT in collaboration with research laboratories is giving year 10-12 students the chance to visit medical laboratories across Melbourne and regional Victoria. If you are interested in finding out more about being a medical scientist you are encouraged to attend. When: 9am-5pm, 4-8 July; Bookings and information: www.rmit.edu.au/events/all-events/tours/2016/july/medical-laboratory-visits/

NEW DOUBLE DEGREE IN CHEMICAL ENGINEERING AND PHARMACEUTICAL SCIENCES – This course will be on offer in 2017 across the City and Bundooora campuses. As the pharmaceutical industry expands in Australia and worldwide, your understanding of the engineering process and other scientific fields involved in drug development and production, will ensure you’re well equipped to work
across a range of roles. For more information: http://www.rmit.edu.au/study-with-us/levels-of-study/undergraduate-study/honours-degrees/bh122/#pageId=overview.

COMPUTER GAMES BOOT CAMP COMING – The Faculty of Information Technology at Monash University invites Years 9-12 students to this annual event. It is an interactive event for students to engage with like-minded people and find out what their career could look like after completing studies with this Faculty. Learn about areas like graphic design, 3D animation, software development, web design, multimedia development, data science and cyber-security. When: 5-7 July; Where: Monash University, Clayton Campus; Register: https://cgbc.monash.edu/#register; Cost: Free; Info: 9905 5845.

AUSTRALIAN JOBS 2016 – In 2016 the Australian labour market is markedly different from that experienced in past decades. The Federal Government’s Department of Employment has a publication called ‘Australian Jobs’, presenting an overview of the current labour market and highlights the major changes which have occurred. It is useful for those exploring careers and those wanting a better understanding of the labour market. See: www.employment.gov.au/skill-shortages.

Drew Deppeler 55983381
Stephanie Alexander Kitchen Garden Program
Thursday 16th June
