School Buildings update: The foundations for the new Year 7-12 building continue to be prepared. Next Thursday 16th February at 2.30pm, Hon Gayle Tierney MLC, Member for Western Victoria, will represent the Minister for Education for a sod turning event at the school. In attendance to this event will also be other delegates from the Department of Education, Patrick Architects and Fairbrother Constructions.

Last week we started our lavender harvest. A big thank you to the local volunteers who assisted with this process. Our 2016 TAP highlights have been captured in a booklet. A big thank you to Rosalie Moorfield for assisting with this publication. The publication can be accessed via the school website: http://www.timboonp12.vic.edu.au/uploaded_files/media/tapnewsletter_2016.pdf

The school uses the school compass manager system; this system enables the school community to access regular information regarding your child. This year we will be requesting all families to book their parent teacher interview times (P12 Parent Teacher Interviews, Wednesday 8th March, (Timboon Town Hall) on this system. Further information will be released to families outlining information regarding access to this booking system (an instruction flyer will also be provided to all families). In the meantime, all families are encouraged to activate their Compass account via the app store (download App or through the internet timboonp12.vic.jdlf.com.au/). If you have misplaced your Compass account details, please contact the school to obtain your login details and for assistance.

Uniform: School uniform is compulsory and is to be worn on all occasions, including excursions and sporting events, unless approved by the Principal and noted on the parent information sheet (Correct school uniform is explained in detail on page 8 in the school diary). If a student is out of uniform, they must bring a note, signed by their parent/guardians which indicates what item of uniform is not being worn, reasons for this and the dates to which the student will be out of uniform.

Mobile Phones - Reminders

2.4 7-12 Students are permitted to bring personal mobile phones to school. They must be left in their locker unless directed by a teacher. Prep-6 students must seek approval of the Principal class to have a phone at school, which will be stored for the day in the Assistant Principal’s office.

The School does not take responsibility for mobile phones that are brought to school by students.

2.5 If a student has a specific need to use a mobile phone at school they must receive permission from a member of the Principal class. Permission must be sought by the student’s parent/legal guardian who will outline the health, safety or personal reasons that justify the student operating the phone.

2.6 If a student is found to be using a mobile phone inappropriately it will be confiscated and kept in the main office for retrieval by a parent or guardian.

2.7 A member of the Principal class may revoke a student’s privilege of using and bringing a mobile phone to school.

If you wish to contact your child at school, please do so through the general office.
