# Respect, Commitment and Empathy

I look forward to welcoming you to Timboon P-12 School at our Timboon On Display event on Monday the 25th March. We want to share with prospective students and families the amazing opportunities that we have to offer. Please join us to walk through classrooms in the morning and then later in the day to speak with teachers and students to deepen your understanding of all aspects of the school.

One of the key strengths of the school is the strong community connections that exist between the school and the surrounding communities. The learning and well-being of our students are contextualised within the great things happening within our communities. This is facilitated through the TAP program that facilitates the business and community connections between curriculum from Prep to Year 12.

Students at Timboon are provided with a wide range of opportunities to engage their interests. Whether it be the extensive camps program, athletics and swimming carnivals, and leadership opportunities across the school.

Our VCE results continue to improve, and all students are supported through their secondary journey to explore and focus their career pathways through subject selection and industry involvement. This has resulted in all our graduating students from 2023 being accepted into further study and employment options they were hoping to engage in. It is wonderful to hear about the diversity of career paths that they have chosen.

Our facilities in recent years have been upgraded and renovated to provide learning spaces and outdoor areas which support our students' learning and well-being. Our most recent upgrade is the rejuvenated tennis, basketball, and netball artificially grassed space in the centre of the school which is very popular with students. We continue to look for ways to improve our facilities for our students so that they have a safe and secure place to learn.

As Principal, I am focused on leading the work to improve learning experiences and outcomes for all students in an equitable way. Alongside and intertwined with this work is our focus on student wellbeing at the classroom level, but also through focused activities throughout the year and specialised

support for individual students as needed.

As I sign off, I would like to offer the thoughts of Zyryl Delos Reyes, our 2024 School Captain, about what she values about Timboon P-12 School.

*Matt Dodson*

**Matt Dodson**  
Principal

*“At Timboon P-12, we take immense pride in fostering a nurturing environment where every student is valued and supported on their educational journey. Our dedicated teachers go above and beyond to ensure that each student feels known, understood, and empowered to reach their full potential. As School Captain, I've witnessed firsthand the transformative impact of our school community. From fostering lifelong friendships to guiding students towards their chosen career paths, Timboon P-12 is more than just a school—it's a place where dreams take flight and futures are shaped.*

*I am immensely proud of the steady improvements our school has undergone, particularly in recent years. This progress is a testament to the dedication and hard work of our principal, assistant principal, teachers, and staff, who continuously strive to support us and help us realize our full potential. Our school has made significant enhancements to our learning spaces and outdoor areas, creating an environment that fosters both academic growth and personal well-being. Additionally, the implementation of an improved mental health support system has been instrumental in aiding many students on their educational journey. At Timboon P-12, our strong sense of community sets us apart from other schools. The connections forged between students, staff, and the wider community create a supportive and inclusive environment where everyone feels valued and supported. I am grateful to be part of such a vibrant and caring community, and I look forward to welcoming you to experience the warmth and opportunities that Timboon P-12 has to offer.*

*I am excited to see you at our upcoming Timboon P-12 Open Night! Enjoy the rest of your day and thank you.”*
